

# Rajasthan gets AI-powered tool for fast disposal of cases at Lok Adalat

JAIPUR, JULY 18

National Legal Services Authority Chairman Uday Umesh Lalit on Sunday launched the country's first AI-powered digital Lok Adalat during the 18th All India Legal Services Authorities' meet held here.

The digital Lok Adalat by Rajasthan State Legal Services Authority (RSLSA) was designed and developed by its technology partner Jupitice Justice Technologies, an official statement said.

The two-day event was inaugurated by N V Ramana, the Chief Justice of India, in the presence of Union Minister of Law & Justice Kiren Rijiju and Rajasthan Chief Minister Ashok Gehlot. India's growing case pendency has been in the headlines in

the recent past, especially during the pandemic when courts came to a standstill for a while. Recently, a district court in Bihar gave a verdict in a land dispute case after 108 years, making it one of the oldest pending cases in the country. **BPE**
