LOVE IS THE MASTER KEY THAT OPENS THE GATES OF HAPPINESS.

LIFE IS BEAUTIFUL...

Love means the warmth of the sun, the aroma of a rose,
the breeze of the sea, but as you can see
it never means the same for anyone. Love acquires its true meaning
by experiencing it for the first time because only then can you define it...

I am the sky and you are the earth. I transmit energy while you receive it from me. If I am the mind, you are the word that manifests from its thoughts. If I am a strain of music, then you are the song that stems from it. You and I, in essence, complete each other.
