

Matching Exercise

What to do:

- Research **8 famous women**, from all round the world:
 - Add their photo and name in the first 2 columns.
 - In the 3rd column add what they are known for.
- This will be a game for your friends, so once you have it all researched, you will need to jumble up the answers in the third column.
- Users, select the Line tool to connect the name and what she is known for. They can use different colours for each person.
