

# Safety Pledge

Read and sign this Internet Safety Pledge to commit to being a responsible digital citizen and follow the guidelines outlined to ensure safe online behavior.

I, [Your Name], pledge to be a responsible and safe digital citizen. I understand that the internet is a powerful tool that can bring both opportunities and risks. By making this pledge, I commit to the following:

- ✓ **Protecting My Personal Information:** I will be cautious about sharing personal information online, such as my full name, address, phone number, and passwords.
- ✓ **Using Strong Passwords:** I will create strong and unique passwords for all my online accounts to protect them from unauthorized access.
- ✓ **Respecting Others:** I will treat others with kindness and respect in all my online interactions.
- ✓ **Verifying Information:** Before sharing or believing information, I will make sure it comes from trustworthy and reliable sources.
- ✓ **Understanding Online Consequences:** I recognize that my actions online can have real-world consequences.
- ✓ **Reporting Inappropriate Content:** If I come across any inappropriate, harmful, or unsafe content online, I will report it to a trusted adult or the appropriate platform.
- ✓ **Balancing Screen Time:** I will find a healthy balance between my online activities and other aspects of my life.
