K-3 MathReps for Kami

**Multiple Skills
in a grouping**

**Repeat
Daily
(change
numbers)
(12-15 reps)**

**Immediate
Feedback**

**Get faster
each day**

KEY IDEA: Start by starting, no need to teach it all first. Repeat the process daily for until class has mastery, you only need 7-9 MathReps variations to get through the year.

Kinder

3rd Grade

Name: _____

Date: _____

Today's Number 1	Today's Number 2

Today's Number 1:
What digit is in the
100's place?

Today's Number 1:
What is the value
of the digit in the
100's place?

Add Today's Number 1 and Today's Number 2 using
Picture Method

Subtract Today's Number 1 from Today's Number 2
using Picture Method

Today's Number 2:
What digit is in the
ones place?

Today's Number 2:
What is the value
of the digit in the
tens place?

Add Today's Number 1 and Today's Number 2 using
Place Value Method

Subtract Today's Number 1 and Today's Number 2
using Place Value Method

	Ones					
Expanded Form		Word Form			What digit is in the hundreds place?	
Multiply by 10					What is its value?	
Multiply by 100						
Represent with 10 blocks					Round to the Nearest 10 =	
					<div></div> <div></div>	
					Round to the Nearest 100 =	
					<div></div> <div></div>	

An abstract graphic design featuring four large yellow circles arranged vertically on the left. To their right is a grid of 20 small pink dots, organized into four rows of four. At the bottom, there are two light green rectangles: a smaller one on the left and a larger one on the right, both with a thin white border.

Today's Equation

At least one strategy I can use to solve this equation:
