

My Goal Ladder

A graphic of a ladder with five rungs. Each rung is associated with a colored circle and a corresponding colored writing bar. The circles are yellow with colored outlines: red for the top rung, orange for the second, yellow for the third, green for the fourth, and purple for the bottom rung. The writing bars are horizontal, rounded on the right side, and contain three white lines for text. The colors of the bars match the outlines of the circles: red, orange, yellow, green, and purple from top to bottom.
