Artwork Annotation and Reflection:

Take clear pictures of your artwork.

Upload the images onto the following pages and use the annotation tools to add labels, arrows, and shapes to highlight specific details in your artwork.

Please ensure that you add a thoughtful and descriptive title for each piece as part of the annotation and reflection process.

Write reflections or artist statements using voice comments to explain the inspiration, techniques used, and the message conveyed in the artwork.

Remember, each voice comment can be up to 5 minutes and no longer. Make a new recording for each point.
