

## Winter Holiday Story Writing Prompts

## The Holiday Adventure

Write a creative story that continues from the holiday story starter provided.

| On the day before the winter holidays |  |
|---------------------------------------|--|
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |
|                                       |  |

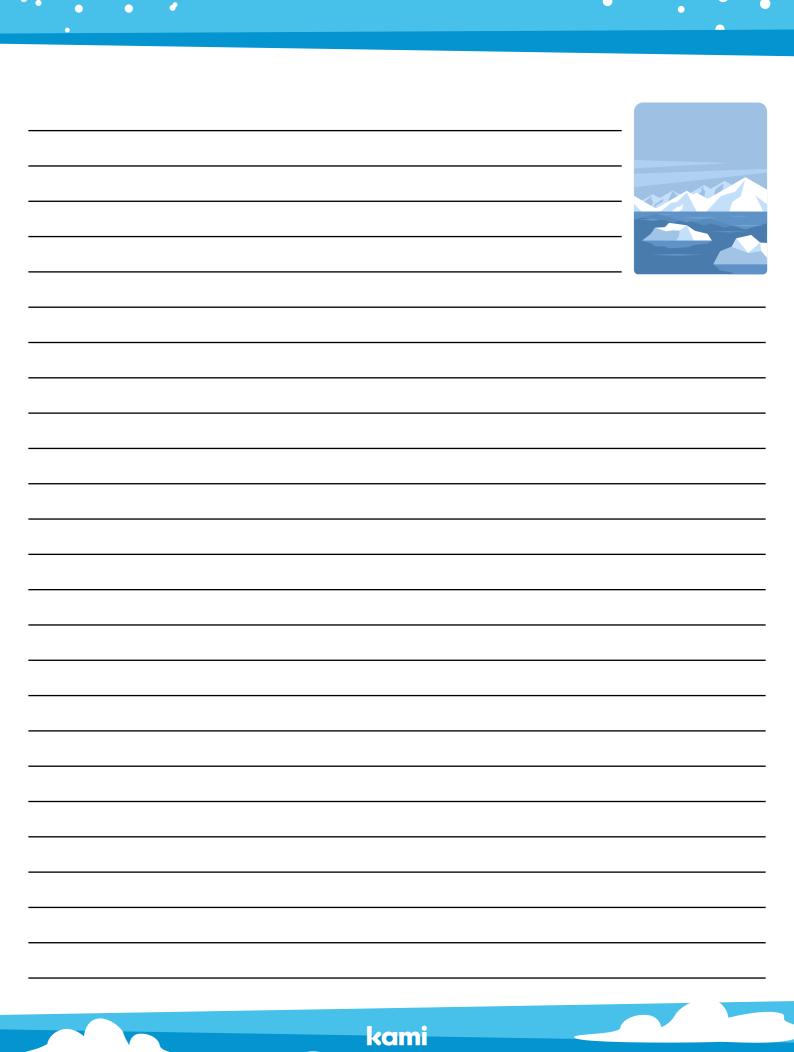

## The Holiday Time Machine

| While cleaning out the attic, I stumbled upon a dusty old machine | 20,03,3020 |
|---|------------|
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |
|   |            |

## The Frozen Lake

| On the coldest day of the year, I ventured out to the frozen lake |  |
|---|--|
