Choose 7 influential figures for Black History Month. Use the timeline to explain their place in history.

The diagram consists of a central horizontal timeline with seven chevron-shaped boxes pointing to the right. Above the timeline are three large dotted rectangles, and below are four. Vertical lines connect the top of the first, third, and fifth chevron boxes to the top dotted rectangles. Similarly, vertical lines connect the bottom of the first, third, and fifth chevron boxes to the bottom dotted rectangles. The second, fourth, sixth, and seventh chevron boxes are not connected to any dotted rectangles.
