Santa Barbara, Calif. – December 15, 2021 -- Keith Berry ranks in Coldwell Banker Top 100 Individuals for the Greater Los Angeles Area, which encompasses Santa Barbara County. Rankings are for January 1 through November 30, 2020, based on closed adjusted gross commission income.

Berry was also named one of Coldwell Banker Realty's top 1,000 producers for California. The third quarter ranking reflects dollar volumes of sales transactions Berry completed for residential properties priced from approximately \$600,000 to more than \$8 million.

"We are gratified to earn this recognition in such competitive markets," said Berry. "We look forward to serving new and return clients in the New Year!"
