GENERAL PRICE LIST

Prices are subject to change without notice

The goods and services shown in this packet are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

PAYMENT POLICY

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact your judgement. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.
It is also important to be realistic in respect to funeral expenditures. What is important is the arrangements be in keeping with a family's wishes and budget.

Provisions for payments are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment:

Cash, Personal Checks, MasterCard, Visa, American Express, Discover, and Prepaid Funeral Trusts. In addition, benefits from a life insurance policy can be assigned to the funeral home directly from the insurance company. We use an assignment company to handle our insurance assignments. This company will advance all or a portion of the benefit due from the insurance company within 24-48 hours of verification of the insurance policy. All funds that are advanced will be assessed a 3.75% fee for the cash advance. You may choose to apply for the insurance benefits on your own to save the advancement fee, however, full payment of the services is required to proceed with scheduling the date and time of the service.

If you are anticipating any difficulty in meeting these obligations, please feel free to discuss it with us.

Please accept our sincere thanks and appreciation for the confidence and trust in which you have placed with us.
