# OVER THE LAST NINE YEARS...

around the middle of each year, our church has rallied together and given sacrificially to extend the impact of God's Kingdom across the Earth. We have supported many causes, partnered with many ministries, and received millions over the last decade to touch, impact and reach the poor, the oppressed, the underprivileged, the unborn, and the unreached around the world. The middle of this year was to mark the celebration of our 10th Miracle Offering.

# AND THEN THE UNEXPECTED HIT...

COVID-19 shut down the world and the enemy unleashed a paralyzing fear across the nations. Sickness, death and confusion gripped us. Economic hardship, political tension and enforced isolation took its toll. Hate, murder and racism were thrown in and the simmering tension across humanity exploded even further.

If ever the church needed to be the light of the world, it was now and yet, we could not meet. But something awoke within – our hubs were closed but our hearts were open.

# WE GATHERED ONLINE,

we met in homes, we prayed, worshipped, served and gave. As the days became weeks, and the weeks became months, stories began to emerge to show us how blessed we really are. Salvation, protection, reconciliation and provision reminded us that God was not saving us from 2020, He was saving us *for* 2020.

The church is pregnant with purpose and now is the hour.

Arise, shine, for your light has come and the glory of the Lord is risen upon you. Arise across Malaysia, arise in Perth, stand strong Singapore, cry aloud Cambodia, make some noise Botswana, calling Dubai, London, Zambia, Indonesia, Sri Lanka and the nations of the Earth.

# THIS OCTOBER,

join with thousands around the world and play your part as we give our temporary currency an eternal value.

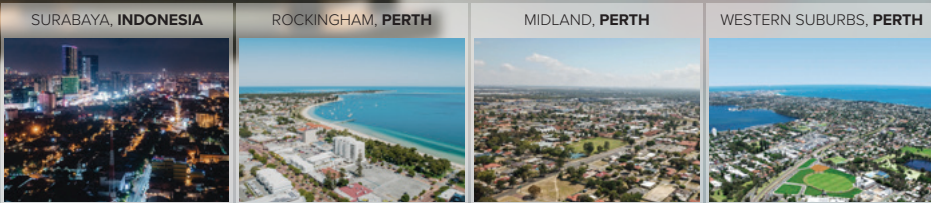

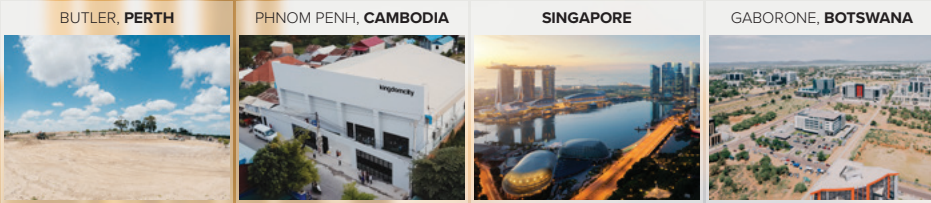

We sow today because we believe there is a tomorrow.

The command to “go into all the world” beats stronger than ever and as a global family, we unite around this to seed new soil and strengthen existing ones.

We are impacting communities in Cambodia, rescuing children in India, supporting persecuted believers around the world as well as supporting a wide range of incredible ministries on mission.

Over the last 9 years, we have sown and we have grown. This decade is still young but our time is right now.

Tomorrow is ours to shape today – united and marked by eternity. Let’s give generously and make our 10th Miracle Offering the most miraculous yet and bring the reality of God to our world.

# WE ARE GOING TO SEED NEW SOIL

in Thailand, India, Hong Kong and South Africa. We will also nurture our newest expansions in Colombo, Sri Lanka, in Lusaka, Zambia and in both Surabaya and Bali in Indonesia while continuing to support our other countries like Cambodia and Botswana.

We have sown ‘family’ into foreign nations that we now proudly call home and whether it’s Africa, Europe, the Middle East, Asia or Australia, collectively, we are making a difference.

# AND STRENGTHEN EXISTING CITIES

50% of the giving in each city will go towards strengthening that city—as we extend our territory and build stronger foundations for future generations. Whether it’s new buildings, breaking the chains of debt, strengthening infrastructure or contributing to local mission, it’s imperative that while we reach the world, we strengthen our homes and reach those in the community where we live at the same time.

# OUR CAUSES

We will be supporting international causes that bring aid to those impacted by COVID-19 such as displaced migrants, those who have lost their jobs and homes, overseas missionaries around the world and organisations that aid children and bring relief to persecuted Christians such as:

- Angel House
- Transform Cambodia
- Open Doors
- Ravi Zacharias International Ministries
- Roads of Success
- Water for Africa
- Empart
- Wyndham Ministries
- World Outreach International

Plus many more!
