2021

A DECADE OF DISCIPLESHIP

*What can I do? Can I make a difference?
Why am I here?* 2021 launches a decade that
answers these questions – a journey that
needs unwavering focus with **eternity**
motivating us, **discipleship** defining us and
togetherness identifying us.

THIS YEAR

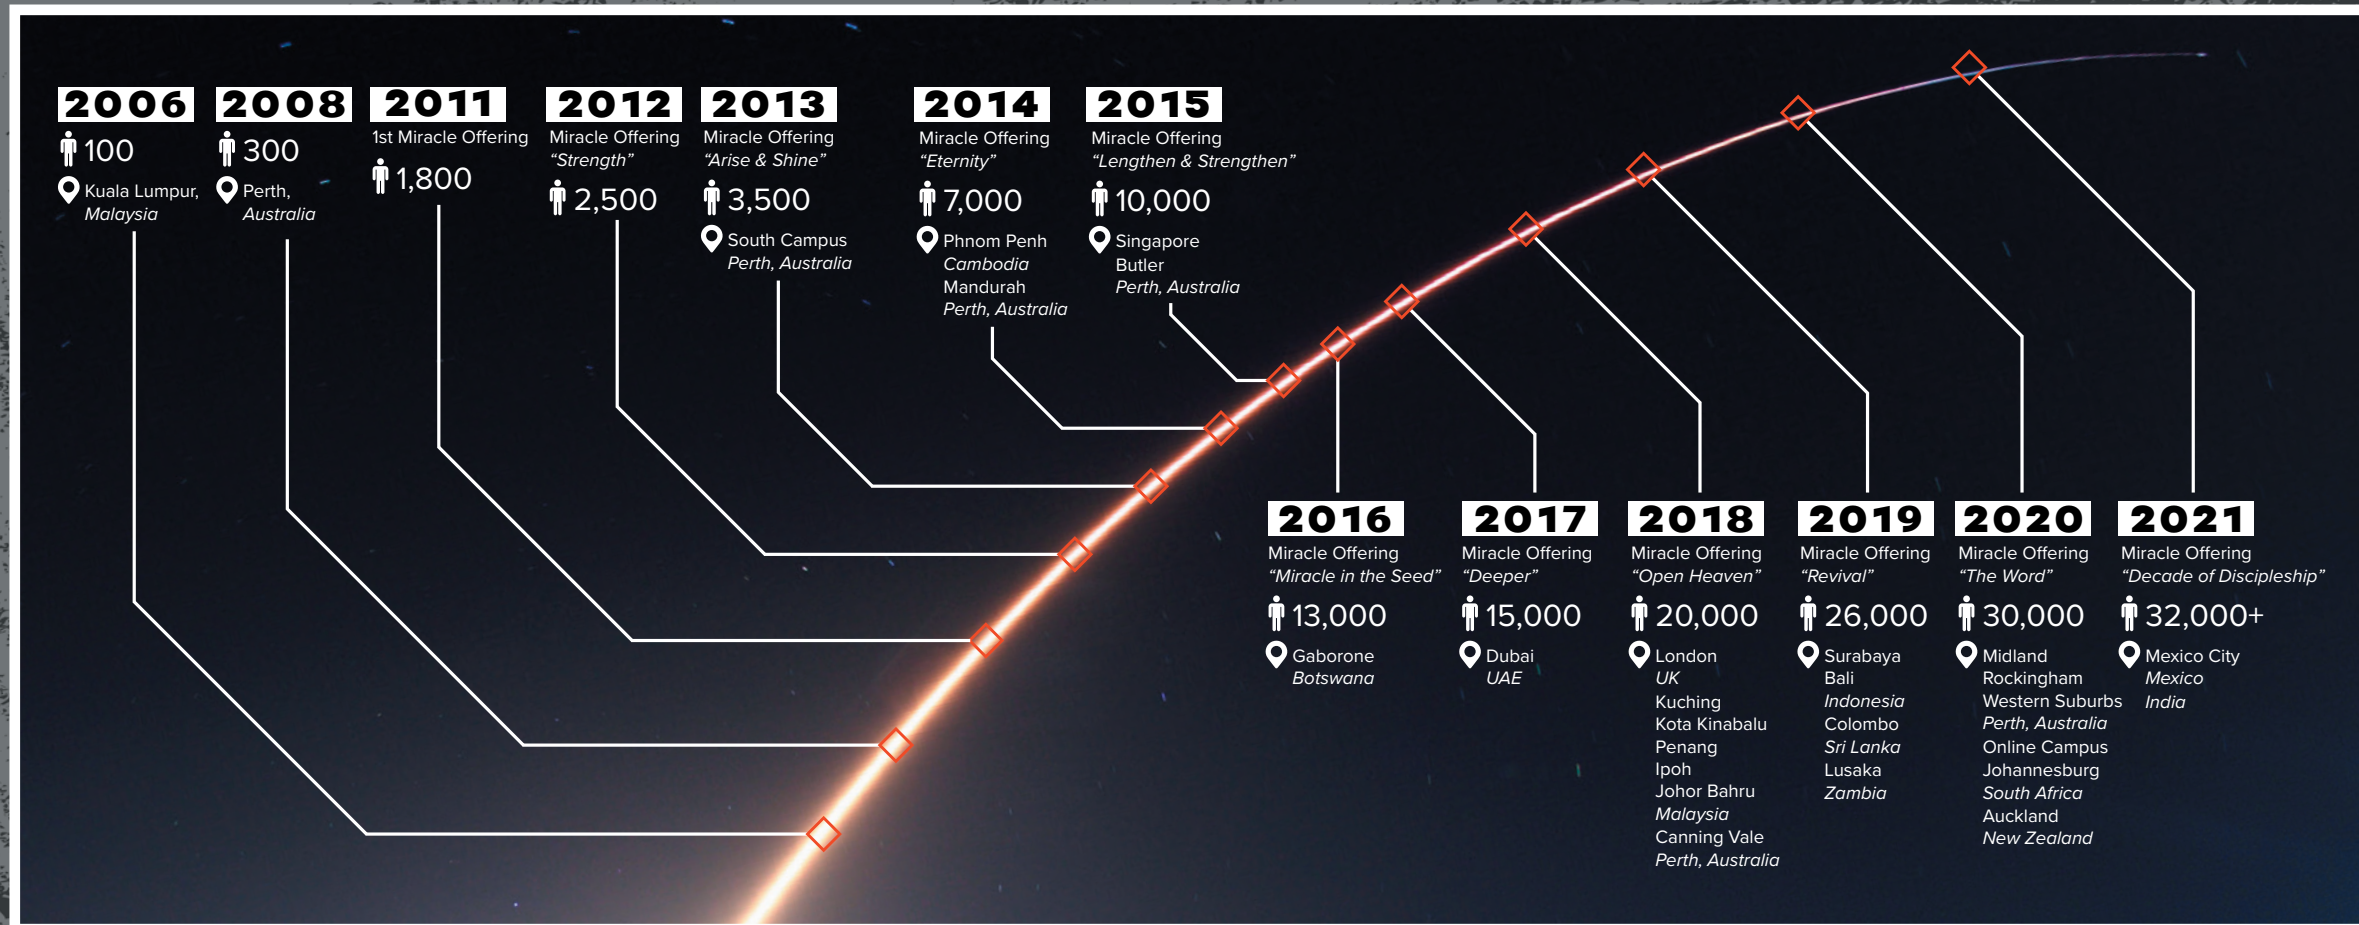

Our Global Gathering is a convergence of two high points – our Connect Conference and our annual Miracle Offering. Over the weekend, from Friday, 30 July to Sunday, 1 August, our church is going to **GATHER** in homes, globally, and **GIVE** sacrificially as a family.

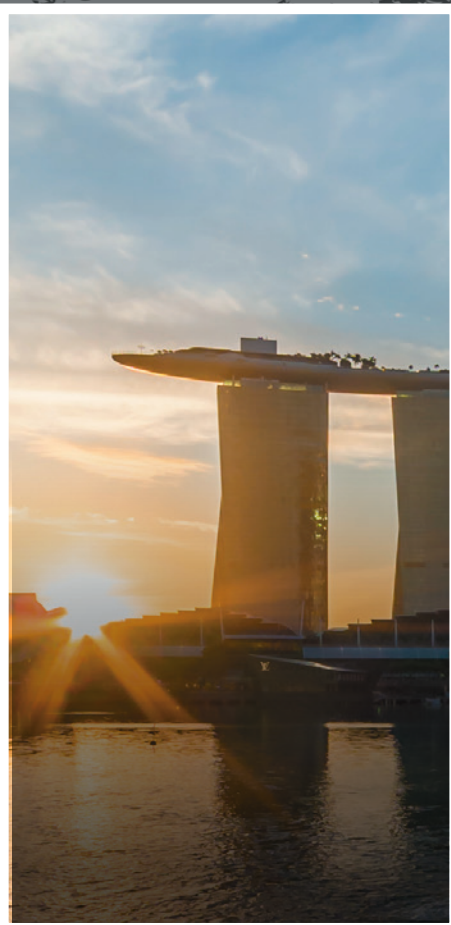

TOGETHER

Let's do this **together**. There's power in **together**. Following Him is an adventure when we do it **together**. Giving sacrificially is world-impacting when we do it **together**. Even if you are by yourself, you are not alone. Even though we can't all gather, we can do this, **together**. Every family, every couple, every person, has the opportunity to do good by intentionally sacrificing this year. **Together**, we will bring the reality of God to our world at unprecedented levels.

THE JOURNEY

On 9 April 2006, a handful gathered, but a movement started. In the 15 years since then, Kingdomcity has grown to be a church numbering tens of thousands across many nations around the world.

THE 2020 RESET

This global pause provided us with a divine opportunity to reset our values and refocus our priorities in a way that we never would have in the busy rhythms of former routine.

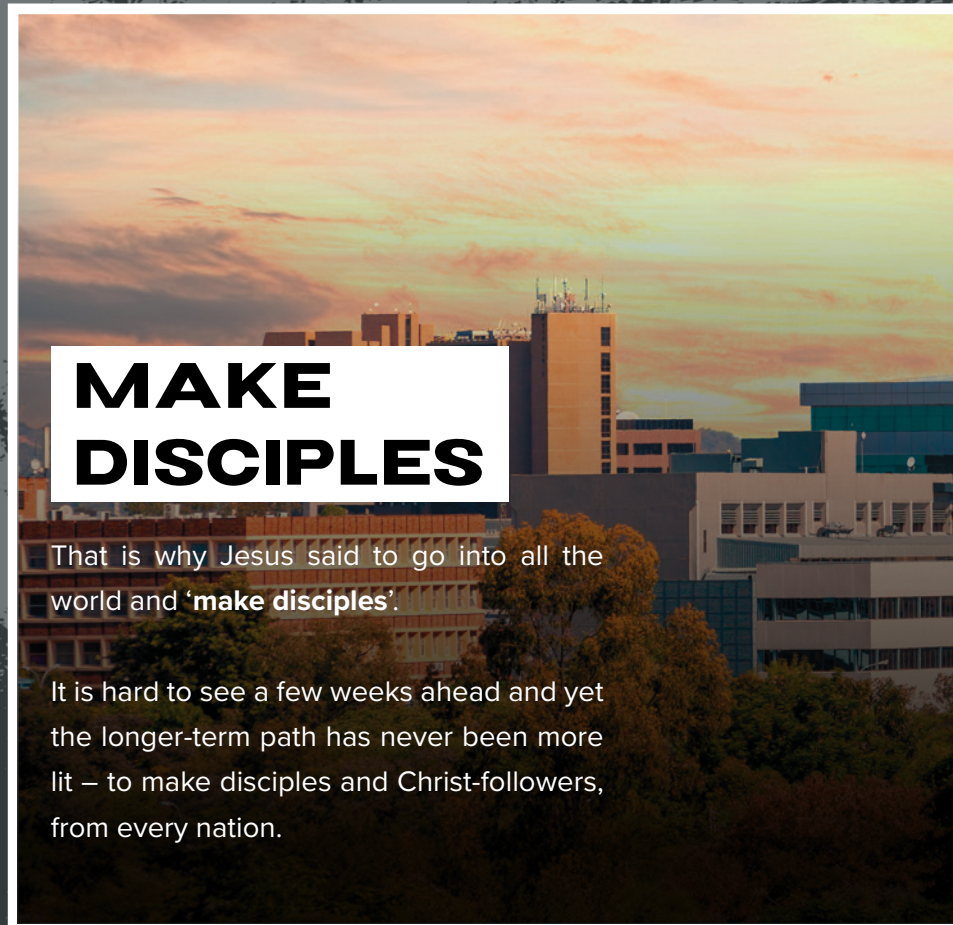

In uncertainty, one thing became clearer – **followers of Jesus** thrive in crisis more than casual observers of faith.

MAKE DISCIPLES

That is why Jesus said to go into all the world and '**make disciples**'.

It is hard to see a few weeks ahead and yet the longer-term path has never been more lit – to make disciples and Christ-followers, from every nation.

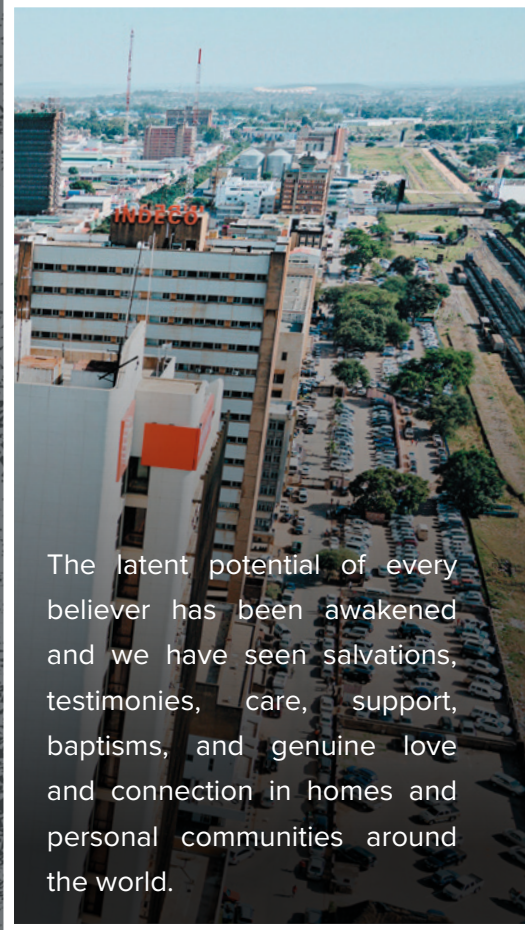

THE EXPLOSIVE EARLY CHURCH

In the Book of Acts, they saw revival at three layers – in large gatherings, in house-to-house and in each soul, personally. While many of our larger gatherings were affected and still are, our Connects have exploded with new urgency and **it has changed the very nature of church.**

Ordinary people began to meet the needs of other ordinary people and we began to function like a real body.

The latent potential of every believer has been awakened and we have seen salvations, testimonies, care, support, baptisms, and genuine love and connection in homes and personal communities around the world.

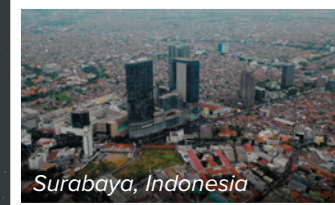

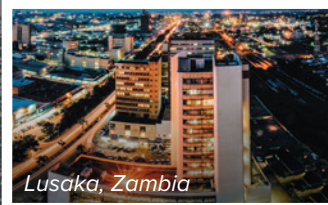

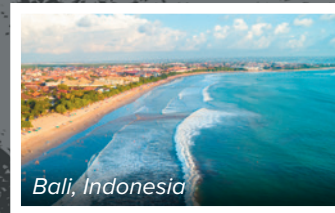

GATHER. GIVE. GROW.

The church is gathering, giving and growing and you are invited. Join in, but don't just watch – play your part. **Give your temporary currency, eternal value.**

We are sowing into a decade of discipleship ahead. As you prayerfully consider your Miracle Offering, see the good, see the unseen and see beyond, because we are *seeding the good, seeding the unseen and seeding beyond.*

EVANGELISM

We partner with ministries who are reaching those we can't, because **evangelism** is our privilege and responsibility. This includes BOTH sharing the gospel in word and deed – feeding the poor, housing the orphans and loving the underprivileged.

EDUCATION

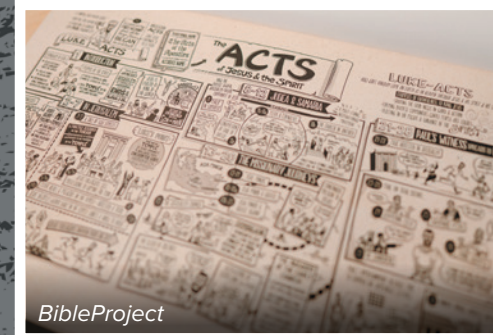

We are putting a stake in the ground of **education** as we announce Kingdomcity International School, launching in 2023! It is a world-class Christian-based online school, utilising our hubs, which will strengthen the next generation with a Godly worldview as well as partnering with other ministries that do the same.
