

AMPS Storage & Handling Site Information and Procedures

Following is the information and procedures for the delivery and collection of bulk grain at AMPS Storage & Handling sites, Premer and Waverley:

Hours for Receiving:

- AMPS Storage & Handling operates from 8am to 4pm, Monday to Friday, excluding Public Holidays.
- The weighbridge will close at 4pm otherwise by prior arrangement.
- No trucks will be loaded/unload before or after these operating hours unless prior arrangement.
- Under no circumstances will overloaded trucks be received or unloaded at AMPS sites

Truck Scheduling:

- Trucks must be booked in the day before 3pm prior to picking up the grain.
- To book, send the truck booking form via fax or email fax: 02 6747 4792 or email: storage@ampsagribusiness.com.au
- Drivers are to quote confirmation 'Truck Booking Number' on arrival at weighbridge

Workplace Health & Safety:

- Personal Protective Equipment (PPE) must be worn by all persons onsite, including but not limited to safety foot wear and High Visibility clothing
- All drivers must at all times, stay within the allocated Waiting
- Passengers and children must stay within the truck cabin
- No drivers are allowed to climb on or around trailers, other than via the designated ladders
- All drivers are to be made aware of WHS requirements prior to arrival to AMPS S&H sites

Weigh Bridge

- AMPS Storage & Handling requires drivers delivering and out loading grain to provide vehicle registration numbers and grain contract numbers at time of weighing to the weigh bridge operator
- We will provide the driver with 2 weighbridge dockets including the weights, along with the grain quality test results.

Trucking Mass Limits:

- The weighbridges at AMPS Storage & Handling are a "Trade Certified Weighbridge" therefore bound by law in accordance with the requirements of the Transport Operations Act and Regulations, to abide by and enforce these regulations.
- Under no circumstance will overloaded trucks be received or unloaded at AMPS Storage & Handling.

AMPS Storage & Handling will make all reasonable endeavours to out load and unload grain in accordance with our client's requests, subject to any restrictions, limitations or other conditions. At all times AMPS Storage & Handling retains the final discretion as to what grain type and grain quality will be received/out turned at AMPS Storage & Handling.

We trust you find this information helpful if you have any questions please contact us.

Regards
