Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

1. Introduction

The financial report covers The Australian Bushmen's Campdraft and Rodeo Association Limited as an individual entity. The Australian Bushmen's Campdraft and Rodeo Association Limited is a company limited by guarantee under the *Corporation Act 2001*, incorporated and domiciled in Australia. The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The functional and presentation currency of The Australian Bushmen's Campdraft and Rodeo Association Limited is Australian dollars.

The financial report was authorised for issue by the Directors on 29 June 2021.

Comparatives are consistent with prior years, unless otherwise stated.

The Company is an entity to which ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 applies and, accordingly amounts in the financial statements and Directors' report have been rounded to the nearest dollar.

2. Transition to simplified disclosure

In the previous period, the Company prepared a general purpose financial report, which was prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements.

The Company has opted to adopt Australian Accounting Standards - Simplified Disclosures ahead of its mandatory effective date of 1 July 2021. Other than the change in disclosure requirements, the adoption of the Australian Accounting Standards - Simplified Disclosures has no significant impact on the financial statements because the Company's financial statements were prepared in full compliance with the recognition and measurement requirements of Australian Accounting Standards.

In adopting this standard, the Company has applied AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors*.

Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

3. Summary of significant accounting policies

a. Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the Statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

b. Income tax

The directors are of the view that the company is income tax exempt and accordingly no provision has been made.

c. Zones

The financial position and operating results of the Zones have been included to provide an aggregated financial position for the company.

d. Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to a particular category they have been allocated to activities on a basis consistent with use of the resources.

e. Inventory

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the individual item basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

f. Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past

Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

g. Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

h. Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

i. Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)
- fair value through other comprehensive income - debt investments (FVOCI - debt)

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the Statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables and contract assets

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

4. Critical accounting estimates and judgements

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

a. Key estimates - inventory

Each item on inventory is reviewed on an annual basis to determine whether it is being carried at higher than its net realisable value. During the year, management have written down inventory based on best estimate of the net realisable value, although until the time that inventory is sold this is an estimate.

b. Key estimates -estimation of useful life of property, plant plant and equipment

The Company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

c. Key estimate - provision for impairment of receivables

The value of the provision for impairment of receivables and bad debts is estimated by considering the ageing of receivables, communication with the debtors and prior history.

5. Revenue and other income

a. Accounting policy

i. Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

ii. Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Membership

Revenue from the rendering of a service is recognised upon the delivery of the service to the members. Members subscriptions received in advance of the following year are brought to account as a liability at balance date.

Events

Revenue from the rendering of a service is recognised upon the delivery of the service to the members. Members subscriptions received in advance of the following year are brought to account as a liability at balance date.

Notes to the financial statements

The Australian Bushmen's Campdraft and Rodeo Association Limited

For the year ended 30 April 2021

Magazine

Magazine revenue (advertising) is initially recorded as revenue when invoiced. To the extent that it relates to a magazine to be published post balance date it is carried as a liability (income in advance) on the balance sheet.

Trophy Levies

Trophy levies are collected from both Rodeo and Campdraft Members and are recognised as revenue upon receipt. The competition point score year runs from 1 December to 30 November each year. To the extent that trophy levies are collected in advance they are carried as a liability (income in advance) at balance date.

Interest

Interest revenue is recognised on an accruals basis.

Rental income

Rental income from operating leases (net of any incentives given to the leasees) is recognised on a straight-line basis over the lease term.

iii. Other Income

8. Property, plant and equipment

a. Accounting policy

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

i. Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The estimated useful lives used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation Rate
Office equipment	15%
Motor vehicles	25%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

When an asset is disposed, the gain or loss is calculated by comparing proceeds received with its carrying amount and is taken to profit or loss.

12. Employee benefits

a. Accounting policy

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

19. Members' guarantee

The company is incorporated under the Corporations Act 2001 and is a company limited by guarantee. In the event of the company being wound up, the constitution states that each member is required to contribute a maximum of \$10 towards meeting any outstanding obligations of the company. At 30 April 2021 the number of members was 3,868 (2020 – 4,802).

20. COVID-19

The directors have determined that the financial impacts of COVID-19 on the company have not been material. In response to the spread of COVID-19 the company announced in April 2020 the cancellation or deferral of events in line with the Government's health orders. The majority of events were cancelled during the financial year and this has impacted the level of revenue and expenses associated with running each event.

In addition, to assist members impacted by the current economic conditions discounted membership rates were in place to 14 June 2020. The cost of these discounts and the costs of administration have been partially offset by Government incentives received in the form of Jobkeeper and Boosting Cash Flow payments.

21. Events occurring after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial years.

22. Statutory information

Independent audit report to the members of The Australian Bushmen's Campdraft and Rodeo Association Limited

Independent auditor's report

To the members of The Australian Bushmen's Campdraft and Rodeo Association Limited

Opinion

We have audited the accompanying financial report, of The Australian Bushmen's Campdraft and Rodeo Association Limited (the company), which comprises the statement of financial position as at 30 April 2021, the statement of profit & loss and other comprehensive income, the statement of changes in equity and statement of cash flows for the year then ended, and notes comprising a summary of significant accounting policies, and the declaration by those charged with governance.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the company as at 30 April 2021 and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards – Simplified Disclosure Requirements. Further, the financial report has been prepared in accordance with the Corporations Act 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) and the auditor independence requirements of Corporations Act 2001 that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Auditor's Responsibilities for the Audit of the Financial Report

As part of an audit in accordance with the Australian Auditing Standards, the auditor exercises professional judgement and maintains professional scepticism throughout the audit. The auditor also:

- Identifies and assesses the risks of material misstatement of the financial report, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Concludes on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If the auditor concludes that a material uncertainty exists, the auditor is required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the auditor's opinion. The auditor's conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluates the overall presentation, structure and content of the financial report, including the disclosures made by those charged with governance.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

COUNCILLOR REPORTS

EASTERN ZONE COUNCILLOR REPORT

Once again Covid 19 has affected the running of most of our Eastern Zone events. Events that actually ran in the Eastern zone to date, are as follows:

7 x rodeos, 4 x campdrafts, 3 x Team sorting and 7 x training days (includes one still to run on 27.11.21)

A total of 54 scheduled Eastern Zone events - campdrafts, rodeos, team sorting and training days have been cancelled to date. As a result of the large number of cancellations, the Eastern Zone Executive made the decision not to present Zone awards this year and to carry forward any points gained in this point year to the 2022 point score year and present 2022 awards only.

The Eastern Zone one the largest Zones in the ABCRA with 19 financial committees. In 2022 the Zone Executive will endeavour to hold more Zone meetings to keep our zone proactive and present any proposals from our committees to the ABCRA Board for consideration.

Eastern Zone Committees remain dedicated to holding events and are looking forward to easing of restrictions and getting back to a full contingent of events in 2022. Covid 19 has not been all bad news, with many grounds in our zone having undergone renovations and improvements including new amenities as a result of the Government Grants on offer and we look forward to putting them to use in 2022. Congratulations to our Zone Committees and volunteers for your dedication to the sport and your community.

The Eastern Zone managed to squeeze in a Judges Seminar in between Covid19 lockdowns which was held on 5th June, 2021 at Dungog RSL with our AGM following on in the afternoon. Ben Rossiter was the facilitator for our judges seminar, with a good number in attendance and some excellent discussion taking place.

The Eastern Zone wishes to thank Craig Young for his attendance and support at our Judges Seminar and AGM. Also thank you to the ABCRA for assisting our

Committees with the additional compliance requirements that Covid 19 has presented to us.

Regards,

Christine Jones

NORTH QLD COUNCILLOR REPORT

Our 2021 season got off with a rocky start thanks to Covid-19 health regulations, losing our Annual Easter rodeo at Einasleigh and a Charters Towers rodeo in April. However the Mt Garnet rodeo committee braved the uncharted waters and kicked off the season with a bumper rodeo crowd on May day weekend. Bartlett Park rodeo committee in Townsville followed suit with their rodeo and also attracting an enormous crowd.

On the weekend of the Bartlett Park rodeo we incorporated a judges clinic facilitated by the knowledgeable Jeff Edwards which was a great success. The clinic was run in an open forum setting and provided current judges and interested members with an understanding and interpretation of rules. The clinic was also designed to encourage and recruit members in to a judging role.

Collinsville rodeo committee ran a dual affiliated "4B" event program before the Big Mareeba Rodeo in July. For the first time and due to health regulations, the Mareeba rodeo program was reduced to a one day event program instead of the two day program with the State of Origin challenge which we all know and love, however it was still a huge success with excited fans filling every seat in the grandstands and enjoying the final rounds throughout the evening.

Then it was back to Bartlett Park Townsville for another great day of rodeo before Ingham rodeo committee produced another tremendous September rodeo in the wonderful under cover arena and this year added \$2000 in prize money for the Will Murdoch memorial junior bull ride.

COUNCILLOR REPORTS

Our circuit headed north west in to Savannah country where the brilliant Georgetown rodeo committee, who had to postpone their rodeo due to Covid, bounced back shortly after and produced our final rodeo of the year.

Unfortunately our zone was unable to have a zone finals rodeo this year but we did finish in style with 200 people celebrating the past and present in a decorated Bartlett Park arena with an awards presentation and zone reunion where Lorraine Wellby and Campbell Hodson took home the All Round trophy saddles and buckles.

Bartlett Park committee kicks off our 2022 rodeo season with a full events program on New Year's Eve followed by a couple of months spell for the wet season before easter at Einasleigh. I would encourage all our ABCRA competitors to take a rodeo holiday in beautiful North Queensland during the 2022 winter months and join us for some warm weather and great rodeo competition.

Kind Regards,

Kyle G Milgate

SOUTHERN ZONE COUNCILLOR REPORT

As this is my first report as an ABCRA Councillor I would like to take this opportunity to thank Mr Ray Jeffery for entrusting me with the opportunity to represent the Southern Zone. I would like to also thank Lara Miller the Southern Zone Secretary for the countless hours of work she voluntarily dedicates to our Zone, and the same can be said for Jeff Rowson our Treasurer. Last but not least, Mark McAuley the President of the Southern Zone, who has worked tirelessly to open the lines of communication within our Zone. In his first term back as President of the Southern Zone he has shown a passion and desire to steer our Zone through very trying times. Covid-19 hit the country like nothing we have ever witnessed before!

During the last twelve months **only two** Rodeos were

held within our Zone. Gundagai conducted a Junior Rodeo in November 2020 and Tumut held a Rodeo in April 2021.

With the relaxation of Covid restrictions we have already seen a lift in spirits from keen committees to hold their next events. Jindabyne have confirmed they will be running on the 28th of December 2021 as have Queanbeyan who will be holding their annual Rodeo on the 12th of March 2022. I am certain there will be plenty more committees willing to run their events once they have the confidence Covid restrictions continue to ease.

Council have not had a lot of work to do during these times, one thing we were asked to do was to vote on changing the date of the National Finals Rodeo.

Through consultation with all Southern Zone Committees and Executives it was decided that we would vote against the date change, the reason behind this was that it would be detrimental to our Zone. Unfortunately the motion was passed, and we will as a Zone support the change for the betterment of the ABCRA.

In closing I would like to thank Craig Young, the ladies at Head Office and the Board of Directors for all their efforts in a year we would all like to forget. 2022 cannot come fast enough!

MID NTH COAST ZONE COUNCILLOR REPORT

Well I thought we were heading for a more normal year of events, how wrong was I. Our Zone was able to get one event into the current point year being the Macleay Challenge fundraiser campdraft. We also held a Campdraft Judges clinic which was facilitated by Tim McCarthy and well attended by current judges and those interested in becoming judges. I would like to thank Craig Young for making the effort to attend our Zone AGM his trip over the mountain was out of the norm as the usual direct road was closed due to land slips. Craig's knowledge and understanding of the ABCRA and the new systems was beneficial to all those in attendance. Thanks to all at head office for the help you provide to members and committees.

BORDER ZONE COUNCILLOR REPORT

On behalf of the Border Zone I submit this report for 2021.

The Border Zone conducted 7 very successful affiliated events during the year. Unfortunately, there was 9 events that were unable to run during the year due mainly to Covid Restrictions. It is good to see that we are now up and running again under the NSW Health guidelines. We look forward to many more events being able to run and being able to attend events on either side of the border from mid-December with QLD Health restrictions easing for NSW visitors.

I would like to thank head office and the Board for their hard work to ensure that we have been able to recommence competition under the new guidelines and look forward to being able to attend some events moving forward.

Steven O'Brien

NORTHERN ZONE COUNCILLOR REPORT

What a year it has been! I was fortunate enough to take over from Jim Southeron this year as the Northern Zone Councillor. I have had the pleasure to work with President Alex Pope and Vce President Diana Brown who both bring great skills to these roles. It has also been very satisfying to work with the Committee members of this Zone throughout the year that has been full of ups and downs.

The upside definitely being beautiful rain that the Northern Zone has received. We would like to extend a big thank you to the cattle donors for the season. With cattle prices so high it is very generous of livestock owners to donate cattle to use at our events.

Managing the ongoing Covid 19 situation has made running events extremely challenging, however this zone has still managed to run ten campdrafts and three rodeos which is a credit to the organising Committees. Well Done!

The Covid 19 intrusion has resulted in the point score year being extended to the 31st July 2022 with National Finals now later. This is something new that will hopefully result in a fantastic event for our sports.

I am sure all our cowboys and cowgirls are keen to hit the road and get back into competing in the New Year. E hope 2022 will see our sports return to normality and we all catch up at a rodeo or draft very soon. Please feel free to contact me if there are any areas with which I can help. Thank you for 2021, and I look forward to catching up at one of our many events during 2022.

Kind Regards,

Kristy-Lee Oversby

WA ZONE COUNCILLOR REPORT

The WA Zone was fortunate to have not be dramatically affected to a large extent by COVID shutdowns which allowed the state to continue to run events during this year, with huge success.

There were some committees which decided that the risk of snap lockdowns and the government restrictions were too large and decided to postpone until there is more certainty in running a successful event.

It was extremely unfortunate when the state government, did enforced these lock downs, they did it extremely quickly, which meet some shows were cancelled and had major losses.

We feel the massive disappointment and frustration for those committees, and we hope that we will see you back in the 2022 season.

For those committees which run, despite the risks, there were some huge success stories with larger than normal crowds.

The new committee of Outback Rodeos Inc which held their first Coolgardie Rodeo, having a crowd in excess of 4500 for their rodeo, it was great to see. The huge support from the committee and sponsors makes for a promising future for that club.

With the long-term running clubs having maximum crowd numbers in Boddington and Boyup Brook they delivered exceptional events, and the addition of large screens to show replays of the events, shows how far we are coming as a zone in trying to create professional events.

The Northern part of the state, running events in Pannawonica, Onslow and Broome, each growing and leading the way for other events to join in to the ABCRA rodeo and campdrafting calendar.

In the future there may assistance in there being a northern WA zone with new committees coming on board.

A meeting was held in Broome with interested parties about coming across to the ABCRA. This was

COUNCILLOR REPORTS

successful and we are hoping to continue to build this area in the coming years.

To the other committees that ran, despite the risk of uncertainty, and had successful events, from rodeos, camp drafts and Stockman's challenges. Thank you.

The WA Junior Rodeo committee continued to run its events and it has been paying great dividends with the skills in our junior ranks improving.

This year the committee had a fundraising drive with rodeo calendars and raised a large amount of money to help run events, training days and purchase equipment for their events.

I would like to thank all involved and the sponsors that came on board that funded all the costs of the calendars.

I would like to thank the people behind the scenes that work endlessly our in the WA Zone, not paid, but for the love of the sport and the drive and determination to see the sport survive and grow in WA.

Some have put 20 years into the zone and countless hours into it, with only a thank you, and at times not even that.

You know who you are, Thank You.

To the younger members to our Zone and association, become involved, assist a rodeo committee, or the zone.

You are the future, and we need you to step up, and continue this into the future.

COUNCILLOR REPORTS

NORTH WEST ZONE COUNCILLOR REPORT

Ladies and Gentlemen,

The North West Zone hosted 15 events in the 2020/21 points year. Unfortunately, some 25 events were forced to cancel due to the pandemic or when it wasn't the pandemic it was the rainfall that we greatly needed.

Without a doubt, this has been the best season we have had in some time! The price of cattle is booming and with that, I would like to take this opportunity to remind competitors to take the initiative to look after the livestock at all events. It is becoming increasingly difficult for committees to source livestock and without them, our events cannot run. I encourage all competitors and committees to strive to maintain the great animal welfare standards that our association is known for.

On behalf of our Zone, I would like to thank the head office staff for their assistance throughout the year. They are always a pleasure to deal with and their attention to detail doesn't go unnoticed! Thanks must also go to our Zone Executives Peter Dawson and Shelley Steiger for all of their efforts.

I am looking forward to a busy year of competition in 2022!

Regards,

Peter Kelly

CENTRAL WEST ZONE

The Year of 2021 has been unusual and interesting for members and Committees with the Covid 19 Pandemic throwing many curve balls for all to negotiate in both personal and business endeavours. Members who have been able to attend a covid safe event in this period have been very fortunate. Not many events have been run in our Zone, Coonamble June long weekend was able to go ahead, adverse weather conditions preceding the event saw a change to the start but the Committee stuck to the task and pulled off another well run combined Campdraft and Rodeo.

Marra and Trangie were also able to run along with Oberon in November. Congratulations to these Committees for all their hard work and on the conduct of their events and to the competitors for their assistance with Covid safe matters.

Many thanks are extended to the Executive, James Morse-President, Marina Colwell – Sec/Treasurer.

Pete Garlick and Troy Fitzpatrick- Vice Presidents, Glen Peterson and David Armitage as Zone Campdraft Finals Committee members. The Zone is looking to hold their inaugural Campdraft Finals in 2022, seasonal conditions and cattle availability permitting.

I would like to thank all the cattle donors, sponsors and volunteers who contribute to our sport for their time and assistance, your efforts are sincerely appreciated by the Zone. To the Directors, Craig, and the office staff, I thank you for your assistance and support with any matters raised. Looking forward to a great year of competition in 2022.
