

## *Amber Denton* (Rider)

Amber Denton is 16 years old, and lives on a farm in Victoria. This is her first Youth World Cup, and she is honoured to be representing Australia as a rider.

Amber began riding horses in dressage and showjumping, before transitioning to show in the AQHA all-round events. In 2017, she received multiple end of year high point awards, including High Point Youth 15-18yrs of Australia, High Point Youth Hunt Seat Equitation and High Point Youth Western Riding.

Although this is Ambers first Youth World Cup, this is not her first experience with international competition. Amber was part of the 2017 Trans Tasman Challenge, receiving silver and bronze medals, helping the Australian youth team win the overall award.

When not in the saddle, Amber is involved with various school sports teams throughout the year, including hockey, volleyball and soccer. She enjoys spending time with friends; doing outdoor activities such as fishing, camping and hiking. Amber also undertakes roles in the clubs and associations she is involved in, and has been re-elected as secretary for the AQHA Youth Division.

Amber is looking forward to meeting other youth from around the world who share the same passion for Quarter Horses, and she is excited to be representing Team Australia at the 2018 Youth World Cup.
