

2015 MEDAL OF EXCELLENCE

CAROCK SPRINGS LITTLE ACTION R2-8077

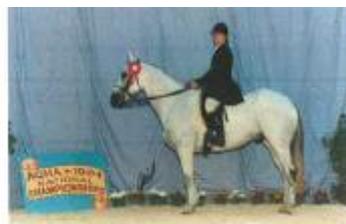

The Australian Quarter Horse Association honours CAROCK SPRINGS LITTLE ACTION with a Medal of Excellence.

Sire: WITH ACTION Q-1695
Dam: LITTLE MOON R1-5851
Breeder: L. & E. SANDERSON, KALBAR, QLD.
First Owner: G. & P. CAREY, QUEENSLAND
Owner: MICHELLE BELLUE, BILAMBIL HEIGHTS, NSW
Profile: 1980 - 2013 (32 years) Grey 14.3hh

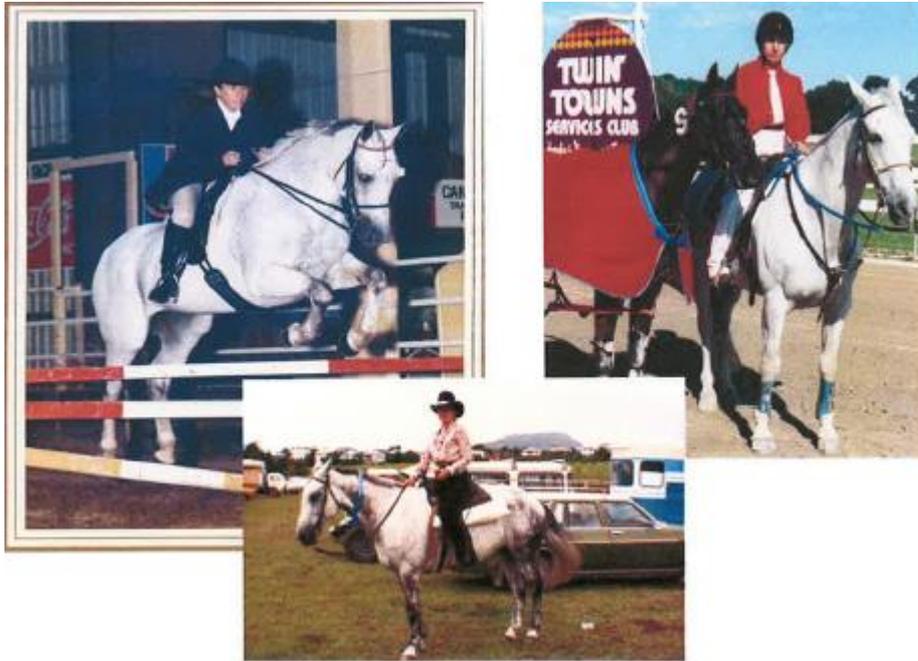

CAROCK SPRINGS LITTLE ACTION was purchased by Michelle Bellue as a four year old and they were together for 29 years.

Not very often do you come across a horse as versatile as "Action". He could win a local Picnic Race and one week later get Champion Galloway at an Agricultural Show, or win a barrel race and then go into a dressage test and win that also.

CAROCK SPRINGS LITTLE ACTION competed in Halter, sporting, games, both English and Western, and even did some reining. He performed at advanced level dressage and was Clerk of the Course at Gold Coast Turf Club and a local trotting club. He competed at both State and National level jumping. Nothing would faze him and he was used as a flag bearer when needed and lead street parades. In 2000 CAROCK SPRINGS LITTLE ACTION was chosen for the Para-Olympics. He has taught children to ride and was used for the Australia/New Zealand Pony club exchange. He was used to muster cattle in the off season.

Action 'The Wonderhorse' was named by dad early in the peace due to the constant talk in the car on the way home from Gymkhana's. He soon lived up to it.

CAROCK SPRINGS LITTLE ACTION was retired from showing at the age of 16 years and was given a send-off from the local Agricultural Show. In 2013 he led his last grand parade at the grand old age of 32. Sadly, CAROCK SPRINGS LITTLE ACTION was put down in 2013.
