Profile: 1992 – 2016 CHESTNUT 11 Registered AQHA progeny.

ROSIES TROUBLE PRIDE Q-32964 (Trouble) was born on 25th September, 1992.

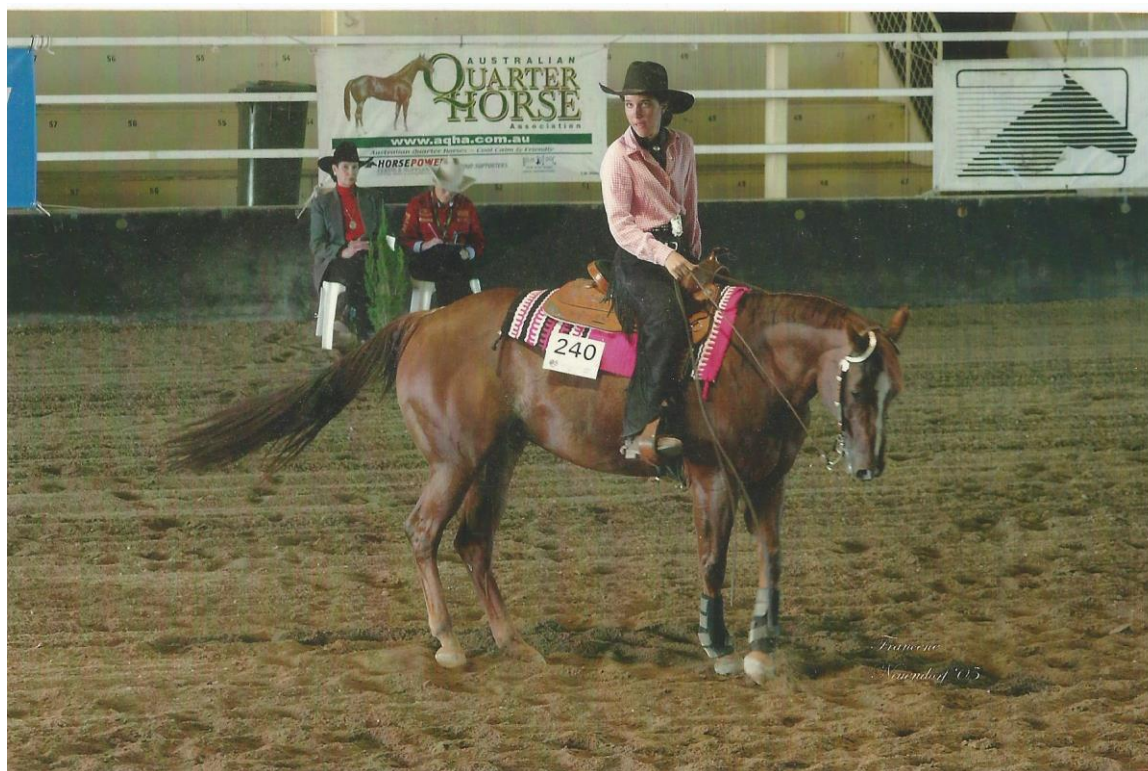

Moving house had to be delayed because the mare was so close to foaling. Hence the foals name 'Trouble' - not because she was a problem at any other time of her life. 'Trouble' was always a very friendly soul.

'Trouble's' first registration number was A2-172. Her dam was by an Alphie's Cat Stallion out of a good type of stock mare (TB). Prior to 1995 the rules were such that with the fulfilling of certain showing requirements and passing inspection, horses could be upgraded to "Q" status. The one that initially suited 'Trouble' was a Superior at Halter. She accumulated the 60 required points prior to the 1994 Nationals where she was inspected and upgraded. She took out the first of the AQHA end of year High Point award that same year with High Point Appendix Horse.

'Trouble' was a naturally balanced and soft horse. In May 1998, at the ripe old age of six, Jessie Fyfe-Farrell took over the halter show of 'Trouble'. A couple of years later Jess started showing her under saddle.

'Trouble' was not only a successful show mare and producer of winners, but she also had the temperament which enabled her to be used as the display horse for many Horse Expos including Brisbane's big one and even opening of State Shows carrying flags.

ROSIES TROUBLE PRIDE passed away on 23rd June, 2016.
