Directors' Report

For the Year Ended 30 June 2019

Your directors present their report on Australian Quarter Horse Association for the financial year ended 30 June 2019.

Information on directors

The names of each person who has been a director during the year and to the date of this report are:

Carol Faye Ricketts

Qualifications Retired

Experience 2 Years as a Director

Special responsibilities President

Wendy Kim Johnson

Qualifications Manager Equine Breeding Centre

Experience 18 years as a Director

Special responsibilities Deputy President, International, Stud Book

John Christopher Steel

Qualifications Manager for Out of Home Care for High Risk Adolescents

Experience 4 years as a Director

Special responsibilities Vice President, Investigative Officer and Affiliates

Paul Gerrard Lorimer

Qualifications Company Director
Experience 24 years as a Director

Special responsibilities Vice-President, Show and Performance Portfolio

Patricia Sharon Wettenhall

Qualifications Business Owner, Horse breeder and Trainer

Experience 14 years as a Director

Special responsibilities Treasurer

Ricky Noble Glen

Qualifications Horse Stud Manager Experience 25 years as a Director

Special responsibilities Hall of Fame and Cattle & Timed Events Portfolios

Lorelei Jean Payne

Qualifications Professional Horseman and Clinician

Experience 4 years as a Director Special responsibilities Non-Traditional Portfolio

Joanne Gregory

QualificationsBusiness AnalystExperience4 years as a DirectorSpecial responsibilitiesJudging Portfolio

ABN: 41 000 964 643

Directors' Report

For the Year Ended 30 June 2019

Information on directors

Craig Alexander Rath

Qualifications Business Analyst Experience 4 years as a Director

Special responsibilities Youth Portfolio holdfer October 2018 to April 2019

Kyle Mobberley

Qualifications Professional Trainer
Experience 3 years as a Director

Special responsibilities Professional Trainers and Clinicians, National Show

Kate Suzanne Elliott

Qualifications Professional Trainer
Experience 3 years as a Director
Special responsibilities Amateur Portfolio

Nicole Davison

Qualifications Business Owner, Breeder and Trainer

Experience 2 Years as a Director

Special responsibilities Youth Portfolio from May 2019

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activity of Australian Quarter Horse Association during the financial year was the promotion of the Quarter Horse in Australia.

No significant changes in the nature of the entity's activity occurred during the financial year.

Short term objectives

The Company's short term objectives are to:

- To broaden the membership base and promote further growth;
- Implement technology to ensure the Association provided beneficial member services.

ABN: 41 000 964 643

Directors' Report

For the Year Ended 30 June 2019

Long term objectives

The Company's long term objectives are to:

- To promote and encourage the breeding and exhibiting of Quarter Horse in Australia;
- To develop diverse educational programs, material, curriculum to foster the growth and development of our members, including, but not limited to, Youth Development and Professional Trainers Division;
- To provide services to Australian Quarter Horse Association members; and
- To maintain the Stud Book of Quarter Horses in Australia and preserve the pedigrees of Quarter Horses in Australia.

Strategy for achieving the objectives

To achieve these objectives, the Company has adopted the following strategies:

- To adopt any internal processes that requires change, after consideration by the Board of directors;
- The Associations funds will continue to be managed on a day to day basis that realises more benefits for members and membership participation throughout.

Performance measures

The Company measures its performance in terms of financial surpluses, levels of membership, registration numbers as well as breed promotions (via events, media and member communication) and genetic protection of the breed.

Members guarantee

Australian Quarter Horse Association is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each members and any person or association who ceased to be a member in the year prior to the winding up is limited to \$20 subject to the provisions of the company's constitution.

At 30 June 2019 the collective liability of members was \$81,680 (2018 loss: \$102,540).

Operating results and review of operations for the year

The result of the Company for the financial year amounted to a profit of \$22,192 (2018 loss: \$(65,886)).

ABN: 41 000 964 643

Directors' Report

For the Year Ended 30 June 2019

Meetings of directors

During the financial year, 8 meetings of directors were held. Attendances by each director during the year were as follows:

Notes to the Financial Statements

For the Year Ended 30 June 2019

These financial statements covers Australian Quarter Horse Association as an individual entity. Australian Quarter Horse Association is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of Australian Quarter Horse Association is Australian dollars.

1 Summary of Significant Accounting Policies

(a) Basis of preparation

The directors have prepared the financial statements on the basis that the Company is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Corporations Act* 2001. The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts in the financial statements have been rounded to the nearest dollar.

(b) Comparative figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(c) Revenue and other income

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of Australian Quarter Horse Association's activities as discussed below.

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

Donations

Donations and bequests are recognised as revenue when received.

Interest revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Provision of services

Revenue from the rendering of a service is recognised upon the delivery of the service to customers.

ABN: 41 000 964 643

Notes to the Financial Statements

For the Year Ended 30 June 2019

1 Summary of Significant Accounting Policies

(c) Revenue and other income

Memberships

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

All revenue is stated net of the amount of goods and services tax (GST).

(d) Income tax

No provision for income tax has been raised as the Company is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less which are convertible to a known amount of cash and subject to an insignificant risk of change in value.

(f) Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period.

(g) Inventories

Inventories are measured at the lower of cost and current replacement cost.

(h) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Land and buildings are measured at fair value less accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal or deprival value basis (see impairment policy). The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

ABN: 41 000 964 643

Notes to the Financial Statements

For the Year Ended 30 June 2019

1 Summary of Significant Accounting Policies

(h) Property, plant and equipment

Assets measured using the revaluation model are carried at fair value at the revaluation date less any subsequent accumulated depreciation and impairment losses. Revaluations are performed whenever there is a material movement in the value of an asset under the revaluation model.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses. Cost includes expenditure that is directly attributable to the asset.

Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated on a reducing balance basis over the asset's useful life to the Company commencing from the time the asset is held ready for use. Land is not depreciated.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset Depreciation Rate

Buildings2.5%- 5%Plant and Equipment7.5 % - 67%Motor Vehicles25%

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of profit or loss and other comprehensive income.

Impairment

At the end of each reporting year, the Company reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Value in use is either the discounted cash flows relating to the asset or depreciated replacement cost if the criteria in AASB 136 'Impairment of Assets' are met. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of profit or loss and other comprehensive income.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the Company would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

ABN: 41 000 964 643

Notes to the Financial Statements

For the Year Ended 30 June 2019

1 Summary of Significant Accounting Policies

(i) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Company during the reporting period which remain unpaid.

(j) Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

(k) Employee benefits

Provision is made for the Company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employee render the related services, including wages and salaries. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the obligation is settled excluding on-costs.

The accruals for long-service leave are based on the years of service pro-rata entitlement and is measured at the undiscounted amounts based on current wage rates excluding on-costs.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(I) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(m) Critical accounting estimates and judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company.

Key estimates - impairment

The Company assesses impairment at the end of the reporting year by evaluating conditions specific to the Company that may be indicative of impairment triggers.

Key estimates - fair value of land and buildings

The Company carries its land and buildings at fair value with changes in the fair value recognised in revaluation reserve. Independent valuations are obtained every three to five years and at the end of each reporting period, the directors update their assessment of the fair value of each property, taking into account the most recent valuations and movements in the market.

ABN: 41 000 964 643

Notes to the Financial Statements

For the Year Ended 30 June 2019

1 Summary of Significant Accounting Policies

(n) Adoption of new and amended accounting standards

During the current year, the Company adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

(o) New accounting standards for application in future periods

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods. The Company has decided against early adoption of these standards as none of the changes are expected to have a material effect on the Company.

Directors' Declaration

The directors have determined that the Company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 of the financial statements.

The directors of the Company declare that:

- 1. The financial statements and notes, as set out on pages 6 to 18, are in accordance with the *Corporations Act 2001* and:
 - (a) comply with Australian Accounting Standards as stated in Note 1; and
 - (b) give a true and fair view of the financial position as at 30 June 2019 and of the performance for the year ended on that date of is in accordance with the accounting policy described in Note 1 of the financial statements.
- 2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Independent Audit Report to the members of Australian Quarter Horse Association

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements, being special purpose financial statements of Australian Quarter Horse Association (the Company), which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial statements of the Company are in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2019 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations* 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial statements in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements have been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial statements are appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of financial statements that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.
