

## *Matthew Freiberg* (Rider)

For 17 year old Matthew Freiberg, riding and showing quarter horses has been a predominant part of his life. Matt is the current AQHA Youth Division President, proudly representing Australia at the 2018 Youth World Cup in College Station, Texas USA.

Matt is excited to be a part of Team Australia and looks forward to developing his knowledge from world class clinicians, and creating lifelong friendships with international youth. Matt intends to continually and progressively develop in his preparations to take on the world. With previous success at the 2017 Trans-Tasman Challenge winning Gold, Silver and Bronze medals for Australia, Matt will be bringing his experience, dedication and teamwork with him to Texas!

Riding is everything, although, Matt enjoys keeping fit and being outdoors jet skiing, camping, and hiking. Matt's contributing strengths are an adventurous, open and positive mind accompanied by passion and determination. YWC for Matt is more than an end result, it's a beginning.
