# NIXON

# AQHA 2022 HIGH POINT SELECT AMATEUR OF NSW

Many years ago, horse-loving Helen Nixon took a break from riding horses to travel around Australia. Ending up in Perth, she got back into horses sometime in 1990. The Quarter Horse had always been a breed that she'd admired and she promised herself that her next horse would definitely be a Quarter Horse.

o Helen was keen when she finally began taking Western lessons with a trainer, and started riding a chestnut Quarter Horse gelding called Balcormo Dans Image Q-5371 (dec). It was through that trainer that Helen was lucky enough to lease her first Quarter Horse, a black mare named Balcormo Calamity Q-5327 (dec), from Tracy Allen.

'I began showing Calamity in Improver Classes at shows around the Perth region,' Helen begins. 'I'll admit that Calamity was way above my riding ability, but with her lovely temperament, she looked after me so well, enabling me to I win my first buckle with her.'

After Calamity was retired, Helen purchased the chestnut gelding, Sans Mirage Q-20780 (dec). From there they began their showing journey together, and Mickey would become Helen's first Amateur Horse.

'We did all the events and I made many mistakes with Mickey, but we still managed to do well over our years of competing—I had him until he was 28yo. As an Amateur competitor riding Mickey, Helen won AQHA High Point for Western Australia numerous times.'

# HELEN'S TOP 3 SELECT AMATEUR SHOW TIPS

- A. Don't try to beat a particular person or horse. Each time you show, just do your best and stay focused.
- B. Be kind to your horse. They are your partner, and without them, there's no showing.
- C. Congratulate everyone, every time you show.

'But I must also add the best piece of riding advice I've ever been given,' Helen says.
'Nothing can humble a horse rider, quicker than a horse.'-I really love this saying,' and it keeps me grounded. I was also told once -'Don't ask for more in the showpen than you would at home'

-and I've never forgotten that.'

Around 2000, Helen moved east to NSW, bringing Mickey with her. These days, she is showing her beautiful bay gelding, Triandibo Infullplay Q-66196, and has been since he was a 4yo. Foaled in October, 2008, Boomer, as he's best known, is by Inevitably Q-33094 out of Cagie Playgirl Q-45773.

'Boomer's such a quirky horse, to say the least,' Helen says. 'He pretends he doesn't like the attention, but then would absolutely hate it if he was left out of anything. Then, he's the kind of horse that likes to get the job done and then be left alone. But he is lovely, and I've been very fortunate in having his breeder, Trish Wettenhall, taking care of Boomer's training. She'll also follow up to help me along the way, which has been really great. But with Trish based in Victoria, and me in NSW, it certainly has taken some time for Boomer and I to get some consistency in competition. But we've muddled through and I've also learned a lot along the way. As Boomer got older, we simply added more events to his showing schedule, and he handled it all very well.'

Boomer is a well-traveled individual, with Helen saying that, for many years, she has hauled him countless kilometres up and down the Hume Highway, and even travelled north to Queensland last year, to show at Tropicana.

Foaled in 2016, Triandibo Investment, or Virgil, is Helen's second horse, and is also trained by Trish Wettenhall. Foaled in November, 2016 he's by Absolute Investment Q6840, out of Triandibo Indiva O-61119.

'This year, Virgil hit Senior Horse level,' Helen says. 'Where did those Junior Horse years go? They've flown by way too quickly! Virgil is very different to Boomer. He just loves all the attention, and has a sleep after breakfast, before his work, pretty much every day. You often find him at a show lying down no matter what time of day it is. Our partnership is developing slowly, as again he is in Victoria, but I try to come down to ride him at least a week before each big show, and I'm amazed at how his training is paying off, as he gets better and better every time I show him, all thanks to Trish! Virgil gives 100% each time we ride and the future is bright for this bay boy.'

When it comes to competing in Select Amateur classes, Helen shows Boomer in Ranch Riding, Western Riding, Trail and Horsemanship. With Virgil, she shows in Ranch Riding, Trail, Hunter Under Saddle and Showmanship at Halter. Her favourites to show in would most probably be Trail and Horsemanship, as she says that both these events require extra training and skill sets. Training, riding and showing as an Amateur competitor has

Helen Nixon and Triandibo Investment Photo: Ace Photography

taught her that consistency is the key to showing as an all-round Amateur.

'You're only as good as your last event,' Helen maintains. 'Then it starts all over again at the next show. You have to put in the effort at home to be successful—not just riding, but also maintaining and managing your horses health and happiness. They are your partner and you need to put their needs first.'

When it comes to achievements Helen was definitely pleased to see that she had won the award for High Point Amateur for NSW.

It's recognition of the time and effort put into showing over the season. I'm not sure if I've had my proudest moment yet—I have been doing this so long and I'm now a Select Amateur—but I did win High Point at NPHA in 2022, and I'd never done this before, so I'm still pretty chuffed at receiving that award, plus, I also received a beautiful trophy buckle.'

Helen doesn't look to other people for inspiration. Instead, each time she shows, she motivates herself in wanting to do better each time and get a better score, no matter where she places. She's never been a goal setter, but wants to enjoy the experience along the way, while striving to improve at what

she does. While self-motivation is very important, Helen is also big on being completely prepared.

'If you're going in several different events over the course of a show, make sure your gear is ready, clothes have been chosen, and numbers pinned. Also, have copies of your patterns with you, before going to the marshalling area. Listen for announcements so you know where the program is up to at all times. Don't get to the Marshalling area too early, but never, ever get there late!'

There are two people that Helen credits in being very significant in her journey with her horses.

I cannot express how much Trish Wettenhall has helped me along this journey with each of my horses. Her breeding and training is amazing and she's always willing to help and guide me along the way, no matter how long it takes me to get it right!

Then, of course, my husband, Blair, who has sadly passed away. Blair always supported me in my horse adventures and encouraged me to show and train to get better all the time. I know he would be happy with my successes so far.'

### **AQHA 2022 HIGH POINT AMATEUR OF NSW**

Amateur competitor, Michelle Southgate, is from the Central Coast of NSW, and says that when she first got involved with Quarter Horses, she was very fortunate to have had the wonderful opportunity of being able to own and show an absolute legend of a horse, called Twin D Trouble Bar Q-14376. By Docs Sweet Trouble Q-2197, and out of Currawong Countess Q-4192, Michelle says the dun gelding could not have been better and really looked after her.

was 10 years old, had just started riding Quarter Horses, and was as keen as. That horse honestly taught me the ropes and left me with wonderful memories that I'll never forget. I rode him in the Beginner classes at my first competition, at a show run by the Sydney Quarter Horse Association.'

Michelle, who lives on the Central Coast of NSW, is now riding her Amateur class horse, Sure A Temptation Q-80887, a mare sired by Surely I'm Good Q-67190, and out of Tempted To Concent Q-46123.

T'm so proud and honoured to be showing my current Quarter Horse, the very pretty bay mare, Sure A Temptation, or Diva, as I call her. At the time my Mum purchased her, she'd been told that Diva had been green-broke as a 2yo, and then put back in the paddock for the next two years. So Diva basically needed to brought back in and re-started under saddle. But I found that she was a very fast learner, was easy to bring back into work and had lovely movement! I also discovered that we had a great bond.'

Michelle began to work Diva more, and soon decided it was time to take her to a few small shows. She really enjoyed riding and showing her and discovered that Diva was a fun and versatile all-rounder. Michelle has accomplished many things, some of those being end of year High Point Awards for her local clubs, and end of year AQHA High Point Awards for NSW. She's also had her share of runner-up High Point Awards, and for Michelle, they are all exciting moments!

I feel quite proud to say that all of the horses I've had the pleasure of owning, I've personally trained and educated. Doing all of their training myself has been very satisfying, and it's taught me that hard work and lots of patience can take you to the moon and back—I've had some exciting wins—and to be awarded the High Point Amateur for the state of NSW for 2022 makes me feel very honoured and I'm extremely proud to have achieved that.'

Four years ago, Michelle rode her liver chestnut Junior Horse, LPH Heez It And A Bit, aka Ash, to take out the NPHA 2018 High Point Amateur Junior Horse. Three years later, she again had success at that

event when she won the NPHA 2021 Amateur Hunter under Saddle, riding Sure A Temptation. Michelle and Diva compete in a range of Amateur events, with Showmanship at Halter one of her favourite classes, along with Hunt Seat Equitation.

I love the challenge of the many different patterns set for these classes and it's something that I really look forward to at the shows. It tests both mine, and my horse's level of skills. I like to also compete in Hunter Under Saddle, Western Pleasure, Horsemanship, Trail, Halter, and Hack classes when they're available. I would really like to give Ranch classes a go in the not too distant future, mainly to achieve some new skills and hit some more goals!'

Michelle says that her Mum has always had a passion for Quarter Horses and has been wonderful in helping push her to strive for something different, for new challenges and goals to aim for.

'Mum is the one who's always inspired me the most, but there have also been many others over the years, too, like Reg and Linda Gillroy, Lauren Louw, Liz Keating and Allan Briskey. They've all been influential and motivating in my competition along the way, and I'm very grateful for that.'

Preparing for any class correctly is crucial, and can make all the difference in your placings, Michelle says. So, she makes certain that she has her number on, her horse is clean and that she has gone through any patterns and learnt them well, so that she knows exactly how she's going to approach and complete each maneuver. Michelle will warm up her horse until she's confident her mare is listening well and completely focused on her.

### MICHELLE'S TOP 3 AMATEUR SHOW TIPS

- 1. Have fun, because that's a very important factor.
- 2. You can learn something from everyone! I just keep getting told-just keep trying-you'll get it eventually!
- 3. Don't be scared to ask for help or advice often, it's just what you need to hear!

MEET THE TEAM...

# **CHARLEY LALOR**

I live in Rockhampton Queensland Horses have always been a big part of my life. I first started riding ponies and as the years went on I got a bigger horse, his name was Mischief.

He was a big part of my show life he taught me how to ride. Mischief won many national and state titles before we had to put him down due to cancer. Mischief also allowed me to qualify for the Youth World Show in 2019. I had also be given the opportunity to own a reining horse his name was Elvis, he taught me how to show a reining horses and took me on to win national and state titles in the reining. Not long ago we brought this one in a million horse called Chevy.

He was a horse that taught me a lot as a young person. I started riding when I could walk. As I said above "horses are a huge part of my life". I have not completed in the World Cup before. Chevy is the main man. He is my all round horse he does everything. George is my new little project he's a Blacktie Gunner. George is coming around nicely to hopefully one day complete in the reining and cowhorse. I love all of the AQHA events, I really don't have a favourite event, one event that I aspire to is Horsemanship, the elegance of the horse and rider combination. After being privileged to ride both reining and cowhorses, reining and cowhorse are two events that stand out to me the most with athleticism of the horses. I'm looking forward to showing and representing Australia a long side my sister and people that I've grown up with through my showing career so far. Something I will bring to the team is pride and joy to represent Australia! One thing that you may not know about me is that I have completed a Cert 2 in automotive while at school and started a apprenticeship as a cert 3 light vehicle mechanic. I love cars specially the V8 s but it has to sound good. I love my friends and family.

### **CLARE NEYLON**

I live on the Sunshine Coast in Queensland Horses have always been a big part of my life, seeing both my parents complete in the show pen I knew it was something I wanted to do.

I have been riding reining horses since I was 3 and have competing with

. I have been riding reining horses since I was 3 and have competing with many horses over the years. I've never ridden in a World Cup, but I am very excited to represent our country. Over the past 4 years I have been showing Genie (LILMISSGENIUS). I won my first buckle on Genie in 2018, since then Genie and I have grow together winning many state and national titles. Genie has recently been put into the breeding so I have been riding Bindi (LILMISSNOITALL).

I had my first show on her at PCRS a couple of weeks ago and we won 4 buckles at our first show together. Bindi is very well know in the reining pen with Mum, Dad and Warren Backhouse on board. My favourite AQHA event would have to be REINING as that is the main sport I do. I just love the adrenaline rush it gives when you run down the pen for a stop. The thing I am most looking forward to would be representing our country and meeting and competing along side people from other countries. Something I will bring to the team is pride in our country and in the sport that I love. One thing you may not know about me is that I have been a dancer for 13 years and I am classically trained in ballet and tap. I am also studying a cert 3 in performance horses through Australian equine institute. I am very grateful for the support of my family and friends.

### LACEY LALOR

I live in Rockhampton Queensland. I have been riding since before I could walk as my Grandmother Kathy Thomas used to breed and show Quarter horse along with my mum.

Horses have always been a major part of my life from the beginning and now to be able to represent Australia at The Youth World Cup. I first started out on a little Shetland pony called Chino he definitely taught me how to hang on. After him I had LBS Smart Little Freckles' Freckles' for short and she taught me everything and I was able to win my first ever high point on her.

Whilst owning Freckles we also owned a Welsh Mountain pony Milo and took him to several agricultural shows and showed other ponies as-well. Then my one in a million unicorn came along Dennis. He carried me around and put up with me even when my legs didn't go past the saddle pad but some how we got around classes and he took me to my first Nationals in 2014 and took me to High point. I also showed Jezza for 2 years in Hack, Ranch, and Dressage. I took Jezza to a couple of agricultural shows to win champion girl rider and reserve champion hack. My favourite AQHA events are TRAIL as I have always loved the complexity and obstacles in it. I also love RANCH RIDING it is so fun to do and it has such interesting components like roping and dragging or picking up objects. Something I will bring to the team is a happy supportive can do attitude, that will be there till the end. Here are some things you may not know about me I love swimming and I can play The Devil Went Down To Georgia on the violin. I am also currently applying to QUT to start my Law degree..

### TIRRA EWERS

I live in Brisbane Queensland I'm an upcoming rider in competitive shows and am under the guidance of TNT Training Stables. I have never been to YWC but I look forward to this experience.

My two horses are like chalk and cheese, Whiskey aka Sin and Spin is a 13 year old Quarter Horse Gelding, we have mostly done Ranch, Versatility and Reining and he has taught me so much. He has the cheekiest personality and is a big softie, he always loves a big hug from his mumma and a treat on the side.

Kyle aka Best Ta Be Hot is a 4 year old Quarter Horse Gelding, he is my all around Western Performance horse. He tries his little heart out for me or maybe for the licorice he knows he is going to get. If I had to choose a favourite AQHA event, it would be hard to pick a favourite when all the classes are why I love showing so much and each class to its own has a challenge involved in them, and can have a rewarding outcome. I believe I can bring great sportsmanship and encouragement to the YWC team. Something about myself that not everyone would know, is that outside the horse industry I also have a passion for volleyball and play for my school team.

# **2023 AUSTRALIAN YOUTH WORLD CUP TEAM**

MEET THE TEAM...

# **OLIVIA MACCALLUM**

I live at Walcha New South Wales I haven't competed on the Youth World Cup team but I have been riding for my whole life.

Beginning in hacking and then starting cutting when I was 7. My Mother is a horse trainer so we have a lot of horses! Some of my own including two 3 year old geldings on track for the 2023 NCHA futurity. A 5 year old mare who will be challenged and sold through the Nutrien Classic Sale 2023. A 7 year old gelding who I Campdraft on, and my recently retired mare Evanescence who I showed since I was 10. My favourite AQHA event would definitely be cutting, I love everything about it from the preparation, competing to the behind the scenes.

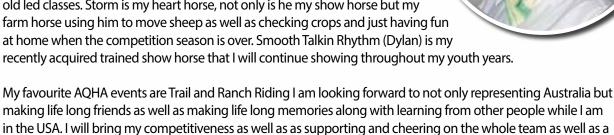

Although I have never competed in any of the Western Performance events, I did learnt about them at the Youth World Cup trails and enjoyed all of them! Though, my favourite would have to be Ranch riding At the Youth World Cup I am looking forward to learning from the American Cutting horse trainers, seeing how they operate, and taking home all the tips and skills that will better my horses here. I am also looking forward to learning more about the Western Performance side of things and seeing how horses are properly prepared to be shown. I am also looking forward to spending more time with my amazing teammates and seeing them in their element! I will bring to the team a positive and open attitude (as I have a lot to learn) and plan on being on my top showman game to assist in helping team Australia! One thing you may not know about me is that I went to boarding school for a year and a half. Until I recently left and began homeschooling so that I could help Mum work her horses and continue training my own!

### **FAITH GREEN**

I also drive the sowing rig at sowing time as well.

I live in Parkes New South Wales I have been riding for as long as I can remember. This is my first Youth World Cup and going overseas to represent Australia.

My horses are: Merriwee Dads Storm(Stormy) has been my ridden Youth horse for the last two years. I have also shown him in the Yearling and 2 year old led classes. Storm is my heart horse, not only is he my show horse but my farm horse using him to move sheep as well as checking crops and just having fun at home when the competition season is over. Smooth Talkin Rhythm (Dylan) is my

good laughs. What people may not know about me is that I drive large machinery on my family farm including a T9 505 hp tractor, headers and loaders. I'm also a chaser bin driver at harvest time as well as service all machinery.

# MADDI ALLEN

I live in Mildura Victoria I have been riding ever since I can remember, I have given every discipline a go since I started riding but I got my first quarter when I was 8 years old and found AQHA showing.

I decided that's what I loved the most and competed at my first national show 2018. I have never competed in a Youth World Cup and I'm very excited to be a part of it. I started with a Shetland pony named Spirit, then went to a Welsh pony named Midget, and then finally at 8 years old I got my first Quarter Horse, Basil.

Basil has taught me basically everything I know about riding in general and has helped me to understand the importance of a relationship between horse and rider. Around 4 years ago I got Ella, who had been affected by the drought. Ella is my first horse that I have been able to start and watch grow. Unfortunately she has been unable to make it into the show ring but I'm excited to compete her in the all around events as soon as possible! My favourite AQHA event is Horsemanship because of the connection needed between you and your horse to be able to get a great pattern. Hunt Seat Equitation is another favourite of mine because I love the challenging patterns! I'm honestly looking forward to every single thing about the YWC, some of the main things would be getting to know loads of different people and gaining new knowledge from experts in the industry. I feel very privileged to be able to represent Australia alongside my friends! What will I bring to the team: I think I will bring determination to give 100% to everything we do as a team, I also think I will also do everything I can to make sure our team is full of positive vibes!! Something about myself that not everyone would know: I did ballroom dancing for 8 years and have been South Australian Junior Barrel racing champion.

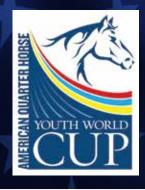

### **CORA POTTER**

I live in Comet Queensland & have been riding horses for as long as I can remember since day dot.

This will be my first time competing in the Youth World Cup. I have a few horses, Bugsy and Max which I compete on in campdrafting. Cowboy, I compete on at AQHA shows and Stoney, he is my heart horse and I do everything on him. My favourite AQHA event is TRAIL and RANCH RIDING.

I am looking forward to making life long memories and friends and also getting the opportunity to compete against others and doing the best I can do when representing Australia. I will bring leadership, kindness and helping everyone out with what ever they need help with to my team. One thing you may not know about me is that next year when we go over to compete, I will also be visiting my home town Weatherford Texas.

# 2023 AUSTRALIAN YOUTH WORLD CUP TEAM

MEET THE TEAM...

# **SEBASTIAN MUNDY**

I live in Hobart Tasmania I have been around horses since I was a baby, in the saddle before I could walk.

Your horses, tell us about them? I have two quarter horses of my own, Dakota (YLS Ima Rhythm Seeker, Q-50631) who is my show horse, and Saffire (Can Do Crackin Lil Spin, Q-96087) who is my three year old in training. I also have my Arab pony I rode when I was younger. However, I also show my Mum's horse and sometimes my brothers. I don't have a particular favourite AQHA event, however I enjoy Hunt Seat Equitation, Pleasure, Trail and Horsemanship.

I am most looking forward to improving my skills and learning from clinicians and my teammates, whilst making connections with like minded people from across the globe. I will bring initiative, energy, great organizational skills and a commitment to support my team to succeed. One thing not everybody knows about me is I'm a passionate musician, playing both piano (my main instrument) and flute.

# **MACEY HULSTON**

I am from Charlton in Victoria but have recently moved to Haigslea Queensland. I have been riding horses ever since I moved to Charlton to live with my nan Loni, who introduced me to horses and this industry.

I have only been riding horses for nearly two years. I have never competed on the Youth World Cup team. I have one horse, his name is Buick, his show name being GJC Surly Im Lopin'. He is an 11 year old, bay gelding with a lot of attitude and a big personality. Buick has been the only horse I have shown, he has taught me so much and helped me become a confident rider. I should also give credit to my nan as he is her horse and without her I wouldn't have been able to find my passion in horse riding.

My favourite AQHA events are Western Pleasure because of how much training and hard work goes into preparing for this class, being able to embrace the feeling of having all of your hard work pay off is amazing, I really enjoy Western Horsemanship as this class is judged on the way that the rider presents themselves and the horse to the judge but also how the rider communicates with the horse. I am looking forward to this whole experience as I believe it will truly be amazing. I am very thankful to have the privilege of being on an amazing team of youth, I can't wait to meet new people from the different countries and to be able to see how different everything is in a different country. I believe that I am a confident and caring person, with this leadership role I will encourage and support the team throughout any circumstances, I will bring a positive mindset with me everywhere I go and provide all of the needed support to the team. Something about me that not everyone would know is that I am obsessed with my sausage dog Otto!

# HORSE NUTRITION CAN BE SIMPLE

ARTICLE BY: DR JENNIFER STEWART BVSC BSC PHD EQUINE VETERINARIAN, CEO JENQUINE AND CONSULTANT NUTRITIONIST EQUINE CLINICAL NUTRITION

#### **EQUINE VETERINARIAN AND CONSULTANT NUTRITIONIST JENQUINE**

Many of our medical conditions have diet and nutrition in their cause, prevention and management - and it's no different with horses. Common challenges that veterinarians and owners face (including stomach ulcers, colic, tying-up, laminitis, hoof conditions, leg and joint problems and performance issues) can be helped or even prevented with correct nutrition.

here are a few rules of thumb that can help us reduce many veterinary conditions and keep our horses stronger and healthier.

### The simple rules when feeding all horses are:

- 1. plenty of ad lib roughage/forage and then more
- 2. low starch/sugar concentrates and feeds
- 3. appropriate quality and quantity of protein
- 4. omega 3 fatty acids are important for all horses
- 5. vitamin E supports immune function
- 6. hooves and feet of many horses benefit from biotin
- 7. supplements can cause clinical and sub-clinical problems
- **1. ROUGHAGE AND GUT ULCERS:** Stomach ulcers can affect any horse at any age and spending 6 hours with no roughage/forage increases stomach ulcer risk x 4. Chewing produces saliva which is very high in bicarb and helps neutralise the approximately 40 litres of stomach acid horses produce throughout the day.

#### Chewing produces saliva and to eat 1kg of hay:

- horses make 3000-3500 chewing movements and produce up to 45 litres of saliva a day.
- ponies make 5000-8000 chewing movements!
- Chewing 1kg of concentrate/hard feed only requires 800-1200 chews = less saliva and increased risk of stomach ulcers.

Medications can help ulcers heal, but recent studies have shown they can reduce absorption of calcium and other minerals.

The general rule if pasture is limited is a 50:50 mix of lucerne and grassy/meadow/oaten hay – available 24 hours a day. You should always include some lucerne, especially before work when reflux increases stomach acid levels, The high protein and calcium levels in lucerne buffer the acid and horses fed lucerne have a lower risk of ulcers. If not at pasture, horses / ponies need around 6kg a day for a 300kg pony, 8kg for a 400kg galloway and 10kg for a 500kg horse.

#### www.jenquine.com

#### 2. LOW STARCH, SUGAR AND NSC FEEDS:

High starch/sugar feeds also increase the risk of stomach ulcers and gut acidosis – and hence colic, hoof problems and laminitis. Many pelleted and extruded feeds are based on grain by-products such as millrun, bran and pollard which are all high in starch and sugar. It is particularly important to avoid these feeds for pregnant mares and youngsters. Gastric ulcers occur in 60% of crib-biting foals compared to 20% of non-crib-biting foals and the incidence is reduced in youngsters on high fibre/oil enriched diets.

At around 28 weeks gestation, pregnant mares have a reduced ability to take up glucose from the blood - this ensures it is diverted to the growing foal, but also increases risk for laminitis in pregnant mares and developmental orthopaedic diseases (DOD, OCD, bone cysts, bent legs) in foals. DOD became a widespread problem after high starch/sugar creep

feeds were introduced in the late 1960's. Ongoing studies into DOD have found genetics contributes approximately 25% and environment 75% - especially high starch/sugar feeds and rapid growth.

Most hock lesions are present at 1 month of age and there is evidence they can develop during gestation. Stifle lesions appear between 3 and 5 months of age and there is a positive correlation between OC and weight gain in the 3rd to 5th months. The risk continues through weanlings and until the yearling stage – making low starch/sugar diets important in

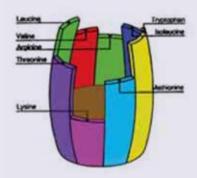

mares, foals and weanlings. Replacing such diets with high fibre/oil-enriched diets also affects temperament in weanlings and yearlings. Both before and for up to 10 months after weaning foals on a fibre-oil supplement show less stress.

Horses with recurrent exertional rhabdomyolysis and PSSM (type 1 or 2) limiting starch/sugar intake underpins management and current recommendations are that less than 20% of energy intake comes from sugar/starch and at least 20% from oil. All grains and high starch/sugar feeds including feeds containing grain by-products such as millrun, bran, pollard, hominy meal should be avoided and used with caution.

Micronised and extruded feeds: Although micronized and extruded feeds benefit horses needing high energy grains, their increased small intestinal starch digestion can cause problems for other horses. Heat processing can increase small intestinal enzyme activities by over 446% profoundly increasing the damaging effects of starch and sugar-based feeds.

#### 3. PROTEIN QUALITY AND ESSENTIAL AMINO ACIDS:

Are important for all horses regardless of discipline, work level or reproductive status, because they impact hoof strength and integrity, work capacity, body composition, power-to-weight ratio, endurance and reproduction. Muscle building is so specific that if the feed meets required levels of 9 essential amino acids, but has only half the tenth, body protein synthesis (ie muscle, bone, red cells etc) may be reduced by up to 50%. A deficiency of any single essential amino acid places a limit on tissue building. Just as the shortest plank in a barrel limits the amount of water the barrel contains, an essential amino acid deficiency places a limit on new cell creation.

Once an essential amino acid runs out, the building of tissues that require that amino acid, stops and unusable amino acids are converted to fat. Lucerne, soy meal and whey protein are all 'good quality' because they are high in lysine, methionine, threonine, leucine-amino acids that build muscle, stamina, tendon strength, bone, red cells etc.

### www.jenquine.com

**4. OILS ESPECIALLY THOSE HIGH IN OMEGA 3:** are also important for all horses. Adding oil to the diet provides benefits for all horses in terms of acidosis, arthritis, behaviour, coat, fertility, inflammation, immunity, PSSM, vaccination response, skin, temperament and tying up. And, oils also offer owners another tool to maintain body condition in horses that lose appetite when under the stress of training, competition and travelling. Oil provides around 3 times as much energy as grains – so 330ml of oil provides the same amount of energy as 1kg of oats – but without the risk of 'hot' behaviour and hind-gut acidosis.

**5. VITAMIN E:** a powerful anti-oxidant and supports optimum performance and immune function - including improved colostral IgG for new foals and in older horses, response to vaccination. Most diets do not reach minimum recommended daily intakes. Jenquine all-4-feet® is high in vitamin E.

**6. BIOTIN:** Although the healthy horse gut synthesizes most B-vitamins - including biotin - stress, travelling, competition and stabling can reduce production and increase requirements. Hooves and feet of many horses benefit from biotin with additional zinc and methionine that together promote hoof wall growth and integrity.

**7. SUPPLEMENTS** can cause clinical and sub-clinical problems (these can't be seen but do impact on health and performance): 60-77 % of horse owners in Australia concentrate/manufactured feeds plus up to five (and sometimes 10!) additional supplements.

Risk of overlap and subclinical toxicity is high and many horses are being fed in excess of dietary requirements - with some excesses approaching maximum tolerable levels.

Jenquine is dedicated to providing the best, most up-todate knowledge - making it simple and easy for owners to provide their horses with equine veterinary clinical nutrition - bringing the science to the feed bin.

A final day attendance of 6,000 with yet another 5,000 turned away from the Melbourne Showground illustrated the massive publicity campaign to present the breed to the general public. The well performed daughter of Kay Hill King looked immaculate despite, according to Phil Webb, the difficult time of year for Southern horses (July), but Kay Bingo looked every bit the champion of champions. Proving she was not only good looking, the mare partnered Tania Palmer to three National titles. Excelling in her field of Western Pleasure, Kay Bingo made a name for herself as a great ambassador for the Quarter Horse breed.

Kay Bingo joined the Winderadeen broodmare band carrying a bag full of credentials. She already had made a name for
