

Holly Gutterson (Rider)

Hi, I am Holly Gutterson and I am 15 Years old. I am currently finishing Year 9 at school and I have 2 quarter horses by One Lazy Impulse that I show in all youth events. My absolute favourite events are horsemanship and showmanship but I enjoy every event and I love the challenge of giving new things a go. This is my first time participating in Youth World Cup and to say I am excited is an understatement.

To represent Australia at the YWC will be a dream come true and a huge honour for me. The event being in Texas in 2018 makes it even more exciting and special. I feel very proud to represent Australia and I feel so fortunate and grateful to have been chosen by the AQHA as a representative rider.

I want to do the very best we can, learn as much as possible, make Australia and the AQHA proud and have a load of fun, that is what I hope to gain from this opportunity. I know the experience will make me a better horseperson and I am looking forward to competing in a team.

I am dedicated to working hard with my team, horses, coaches and trainers, while taking every opportunity to improve my skills and learn as much as I can. I love this industry and this is will definitely be a high point in my journey so far. Thank you to everyone who helped get me here.

I am very excited and I can't wait!! ☐
