Hi My Name is Pauline Stuart-Fox.

I have been involved in the Western Industry for over 40 years. During that time I have had many major National Championships and developed numerous horse that have gone onto be successful show horses.

For 28 years I have managed one of Australia's leading Studs which closed in 2010.

Since then I have retired, but have a great passion and enthusiasm for training Youth and Amateur riders.

This will be the 4<sup>th</sup> time I have coached the Australian Team and look forward to the 2018 Youth World Cup .
