

Sharute Wilson (Leadership)

15 years old and from the Sunshine Coast, Australia.

I am thrilled to be a part of Team Australia as a leadership team member. Showing quarter horses has been a very big part of my life.

I fell in love with the quarter horses whilst showing my grand-parents mare at a very young age. I currently now compete in all-round events throughout Australia and have accumulated eleven end of year awards, in the past few years as well as multiple national and state titles. I have had the opportunity to gain knowledge from riding with multiple trainers and I am appreciative. I have had the opportunity to represent Australia in the recent Trans-Tasman event with achieving gold, two silvers and a bronze.

Whilst out of the show arena, academically I have gained many achievements and excellence awards as well as currently being top 5% in my country for science, I also participate in many school events whilst volunteering my time to help organise various events within the local community.

I am very excited for this once in a life time opportunity to meet the teams, cheering on Australia in Texas and I am looking forward for the many experiences and many friendships to gain.
