

Kim Johnson (Team Manager)

Hi My Name is Kim Johnson.

My husband and I have been in the AQHA, Showing, & Breeding Quarter horses for 43 yrs and I'm AQHA proud.

I have had the privilege of having two Daughters in YWC TEAM Australia so have been on both sides of the fence, I have been a Director of the AUSTRALIAN QHA for many years, and in the last 8yrs have been given the amazing Job of the YWC Manager.

In the last few Months I have been the President of the AusQHA, we have an amazing Board of Directors who are looking to the future of AQHA in Australia and the world and are very supportive of YWC.

I thank all the directors and Members that support us as a Team and my family and Husband who are Amazing.

I'm looking forward to the 2018 YWC with a great TEAM AUSTRALIA and Coach .
