PRESIDENT REPORT 2024

RICKY GLEN - PRESIDENT

Dear AQHA Members,

It gives me great pleasure to present the 2023/24 AQHA Presidents report to you.

I was supported by the board to take on this position last October and let me say, it truly has been an interesting 12 months, after being on the board for 27 odd years, the President's position is a lot different and very time consuming but it's not unlike being on the board and if you're not prepared to give it your time, then don't do it.

This board of directors I must say has been a privilege to work with, I wanted a transparent board which the membership has asked for in the past and I think over the last 12 months, the communication to the membership has been good with reports in the magazine and regular FB posts to keep the membership informed which has gone very well by the reports coming back to me and I must say, we have stuck to the rule book and this has been a good thing so there has been no grey areas which could come back later on to haunt us, the support of the board to ensure this has happened is very appreciated.

We saw the 2024 Nationals one of the best ever with huge entries across the events and I must say, a lot of happy competitors. I had the privilege to attend the opening dinner and it was nice to see and meet a lot of members which I had not had the pleasure to do so in the past and it was a happy crew that I witnessed there. The board has agreed to increase the prize money for the nationals and of course a second judge to ensure all of the classes are catered for with USA judges.

We have just had the new rule book printed and this will be mailed out to all members as well as the online version available as well, rule changes are not done add hock so to speak, if there is a change it is listed on the web site for the membership to see and then printed in the next rule book to follow.

It's been encouraging to get calls from members direct with questions and have been able to follow up for them to try to answer their concerns, again, we are elected by the membership and we are all open to

members questions directed to us as board members, remember that we are voluntary and all have day jobs so if the contact back to you is not straight away, it will happen and in case of a lost email or voicemail, give us a follow up please.

The Portfolio holders have some great ideas and programs coming up, the youth had a successful auction at the nationals followed by the recent stallion auction and funds from both of these will be used 100% to fund youth programs coming up. The Amateurs have had successful clinics held in each state of Australia which have benefited all of their members and they are planning clinics for the 2024/25 year as we speak. The National show committee are working on a bigger and better nationals for 2025, the Stud Book is working to maintain the integrity of our breed to ensure we are up with any new genetic tests which may come up. The Marketing committee has been very active which is reflected by the updates you all get on FB and other social media sites. Cattle and Timed events are still a major part of the AQHA and goes from strength to strength and this is reflected in the sale prices our breed are achieving at auction.

Non Traditional have videos coming out to cover their portfolio and the Judges have just had another successful Judges Seminar held in Victoria. Affiliates are working together in the most with show dates ect which is encouraging to see happen and the Pro Horseman are ensuring our professionals maintain their education with clinics ect funded by their portfolio, in all a great result for 2024.

I personally thank each and every portfolio holder for the effort they have put into their portfolios.

I would also like to thank the office led by Gemma Clarke for all of their effort this past year to ensure we get things done on time.

To the membership, thank you for your support as well and lets make this coming year bigger and better.

With Thanks
Ricky Glen

Will Hupp & EMLYN BROAD

REAL DEAL TRAINING STABLES & BOUTIQUE SHOW HORSES

WORDS BY: LYN HOFFMANN © 2024 ★ PHOTOS BY: ACE PHOTOGRAPHY

EMLYN Broad and Will Hupp met and became friends in 2011, when they had stables in the same isle at a horse show. Their friendship grew and things just developed from there. Today, while running individual training businesses, Will and Emlyn work alongside each other every day.

Emlyn started showing in AQHA affiliated events as an 8yo, with opportunities to show many beautiful, talented horses. Standout Youth horses that Emlyn leased were Hypnotize Q-65477, and She's Hot Stuff Q-69935. Each had their challenges, Em says, but made her the rider she is today.

Now 26, Emlyn was inspired by Natasha and Travis Humphries, for the horseman they are, and the love and care they give their horses. She's been a part of the TNT barn since she was thirteen.

'I showed the dual-registered gelding, Hypnotize at Open, AQHA and PHAA shows, in Youth and Open classes, and Futurities,' Em says. 'Tiger started me off in the western industry. At 14, I had to write an article about what I wanted to be in ten years—my subject—a horse trainer! At 18, I began my apprenticeship with TNT, and four years later, I started Boutique Show Horses.'

Will showed Paint Horses as a Youth at 9yo, at Open and PHAA shows and wanted to be a horse trainer, even back then.

'At 12, lessons with Carolyn and Holly Johnson cemented that dream. I started showing at AQHA shows in 2018, and began training for the public. I run Real Deal Training Stables and over the last 6 years, I've shown some great Quarter Horses. I'm excited for the horses we have coming.'

Travel opportunities have allowed Will and Emlyn to meet people with similar goals and aspirations and they say that to be amongst so many like-minded people at events is very cool.

'We like to follow some American trainers,' Emlyn says. 'It's so we can better our programs. I watch for Beth Case, Katy Jo Zuidema, Jay Starnes and Aaron Moses in the USA shows.'

LP Very Elegant Q-100430

While looking to the States to keep up with all the latest trends and training methods, Will says that he's most inspired by his peers.

'Carolyn Johnson, and Kane and Holly Skopp have played an integral role in the horse trainer I am today. I believe to be the best you need to surround yourself with the best. In Australia, we have some great horse trainers and the quality of horses they turn out is something to strive for every year.'

Each value the similar showing advice given them early on, and for Emlyn, her best was, 'Show like you're on the best horse in the class, and train like you're going to win, even if you don't think you can.' Will's was, 'Ride the horse you're on. You can't always be the best mounted in the class, but you can be the best prepared.' Both say that the major shows can be full of lessons, assisting them to become better trainers, exhibitors, and people.

'Major shows can bring out the best and worst in people,' Will says. 'If you put enough different personalities together in a competitive setting you're bound to see some true colours. It's important to remember that no matter how stressed you are, how much money you've spent, or how hard you've worked, the horses' happiness and welfare should always come first.'

“

Emlyn & Code It Blue Q-96418

I totally agree,' Emlyn says. 'I also believe that when you're a trainer, you're also a role model for your barn. How you act or react is how your clientele will as well. So, no matter how tired or grumpy I may be, I do try to remain upbeat. It doesn't always occur, but I do try!'

Will and Em say that their last two years of east coast showing was wild! After Tropicana 2023, they left for the States, worked for Gillespie Show Horses, and then came home to relocate to Toikan Park, Mudgee NSW, a barn full of breakers and students keen for single or group lessons.

'We run a well-rounded barn and large show team,' Emlyn says. 'Some talented horses came through our barn resulting in great

Emlyn & Dont Doubt Milly Q-98031

success. The quality of horses at major shows now is comparable with the states. Making Top 5 in Open events is something to be proud of. Most of the 11 horses we took went home with at least one National Championship.'

The following results indicate that Em and Will's barn is geared toward Amateur and Novice Amateur success. Candice Goulding's LP Very Elegant Q-100430, and Cassandra Huyshe's Doubtful Dax Q-99843, won many 2yo Led events. Danielle Franchina and Mitchell Tuza's Code It Blue Q-96418, a consistent powerhouse, went top two at Summer Sizzler, NSW QH State Show and NPHA. Blayze Williams' Sinnin For Pleasure Q-93285, had wins in Senior Horse HUS with Emlyn, Amateur HUS with Blayze, and Novice Horse Pleasure with Will and Emlyn. Bianca Thomas' Simply Lopin Q-83643, placed in Amateur Pleasure and Showmanship and made Top 5 and Limited Open Pleasure with Emlyn. Sandy Hollier and CP Ima Lopin Machine Q-80075, placed well at majors in EWD, and with Will in Novice Horse Pleasure. Novice Amateurs, Vicky Pizarro and DP Graceline Q-85536, had wins and placings in Showmanship, Pleasure, Horsemanship and Hunters. Crystal Harris and Don't Doubt Milly Q-98031, had wins and placings in Showmanship, Pleasure, and won Limited Rider and Amateur Incentive in 4 & 5yo Feature at Tropicana.

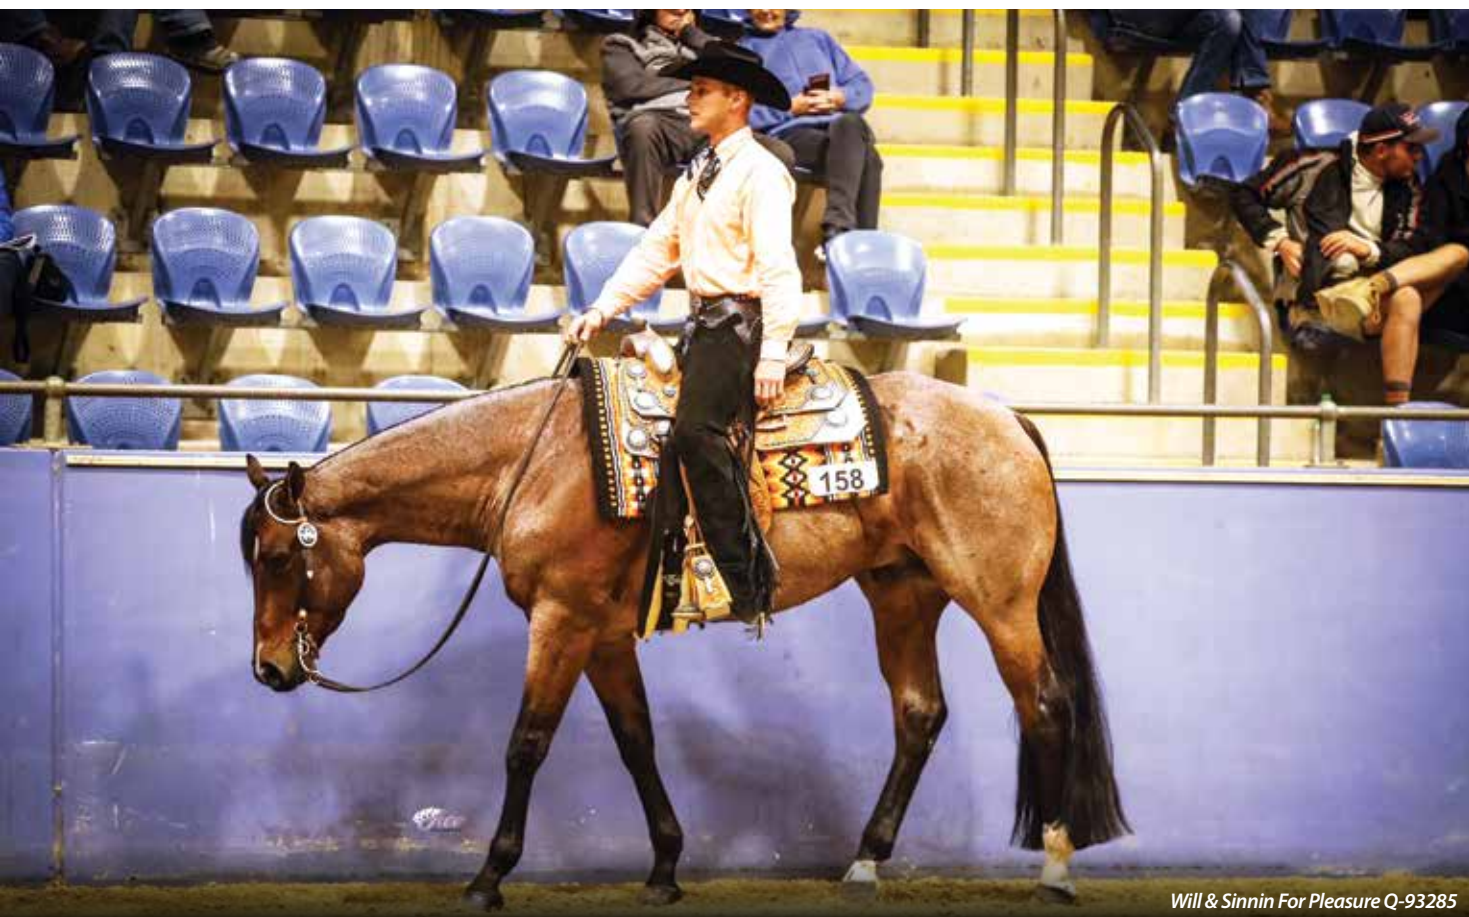

'We love seeing clients achieve and don't believe that achieving with your horse is showpen limited. Satisfaction is when clients nail something they've once struggled with.'

A 2025 trip to the US is inevitable for Will and Emlyn, and though the plans aren't concrete, they say that they can't wait to head back and learn more from the best there.

'Constant hard work to improve and become more competitive is ongoing. We're also establishing a breeding program with the quality of horse we'd love to show, so exciting times are ahead! Our top trainers and those who compete at the major shows are doing a great job of representing who we are as an industry. This season we've surrounded ourselves with great people, and realised positive experiences. Due to the rise of social media and the freedom of speech it gives, educational videos and text on the modern pleasure horse has been non-existent. We think this would help be of help to our grass-roots level, and encourage new people into the industry, potentially with a positive outlook.'

“

STILL SPOKEN OF TODAY, AND WILL BE IN THE FUTURE, ESPECIALLY IN CUTTING CIRCLES, LADY IN RED'S LINES AND HER PROGENY, ARE DESERVING OF STUDY, FOLLOWING AND A GREAT DEAL OF RESPECT.

Winner of Golden Guitar Draft with
Peter Wallis riding Lady In Red Q-19674

SHE'S the palomino Quarter Horse mare with the red tinge in her mane and tail. Vince Bonello says she's the matriarch of most of what he and Sally have bred at Delta Quarter Horse Stud, situated at Duri, near Tamworth, NSW. At the ripe old age of 37, Lady In Red, no longer has all of her teeth, but is assured of plenty of the love and care she deserves, spending most of her days in the Bonello houseyard.

Bred and owned by Vince and Sally Bonello, Vince says that *'She may be old, but if you're not quick enough, she'll still beat you out of the open gate'*. He describes Lady In Red as being a quirky sort of a mare, very much like her dam, Clover Cherry Ripe Q-953, and grand-dam, Clover Cherry Q-56.

Today, Lady is deserving of the spotlight shining on her. The mare has been a prolific producer of outstanding AQHA progeny. Many of her progeny went on to make their mark in the high performance world of Cutting and Campdrafting, but have also produced incredibly talented progeny that have, and are still 'carrying the baton'.

Lady was foaled in 1987, to the JackHammer Q-47 sired, Clover Cherry Ripe, whose dam, Clover Cherry, was imported by Gregory Lougher, of Clover Leaf Stud. In 1968, Greg famously rode Clover Cherry to give a Cutting and Western Horsemanship demonstration at the Sydney Royal Easter Show, in front of thousands of spectators, and it caused quite a buzz across the Australian equine industry. Vince says that when you go back to Clover Cherry, every branch of her tree 'has fruit on it'.

Lady in Red's sire, Smart Little Diablo Q-18444, by Smart Little Lena, was found in the USA for Vince and Sally by Hamish McCallum, the talented horseman, and Sally's late brother. Vince imported Smart Little Diablo to Australia, as a weanling colt.

Fast forward to 1991, Lady In Red and her half-sister, both by Smart Little Diablo, were each paid up for the NCHA

Futurity, plus more Cutting Futurities. Unfortunately, through no fault of their own, the fillies did not get the chance to be shown, which did disappoint Vince.

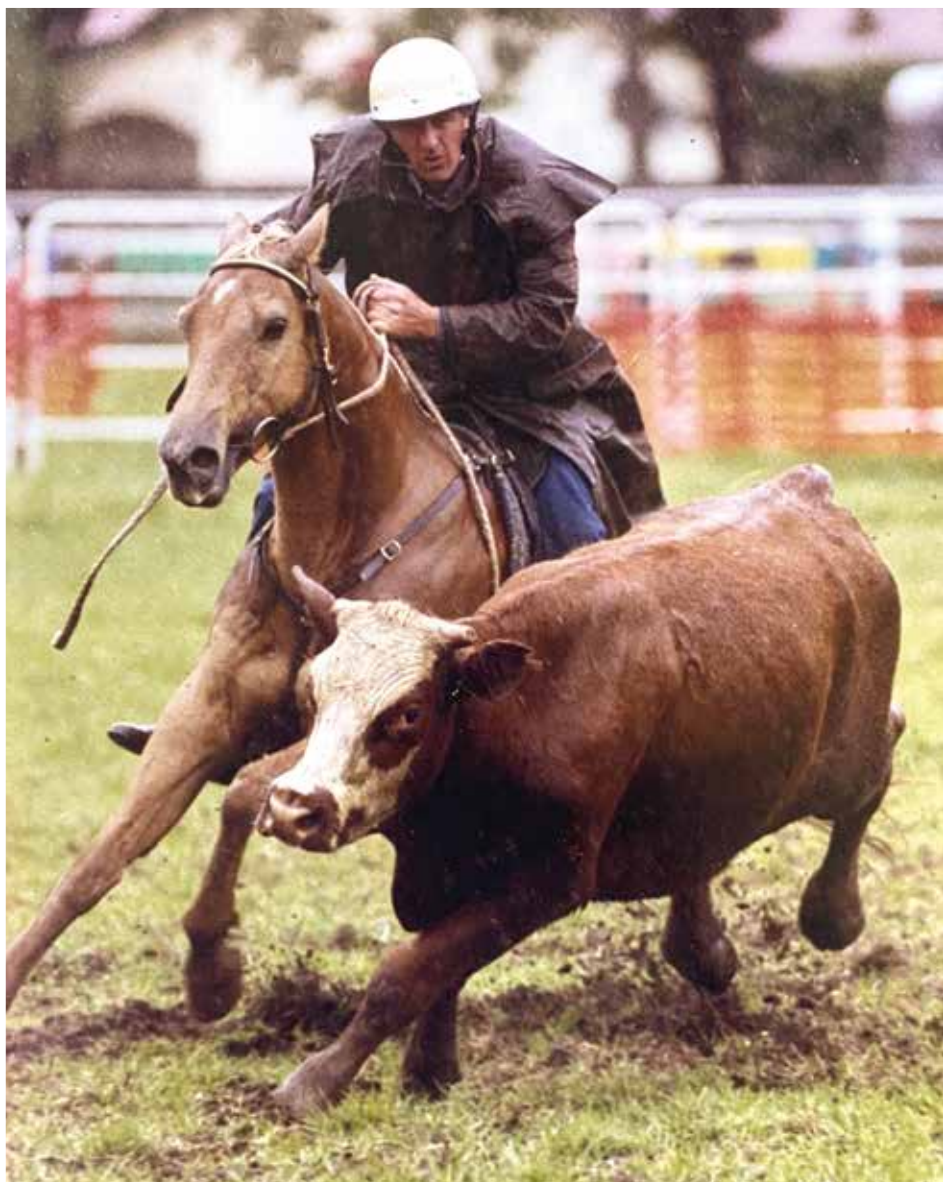

But Lady proved her abilities in Campdrafting when Warren Lowrey competed on her, but no points were recorded with the AQHA. However, Lady won and placed in many Campdraft events from big numbers. Lady was ridden by Michael Rapley, from 1991 to 1995, and those points were AQHA recorded. Eventually, Lady went home to begin her biggest contribution to Delta Quarter Horse Stud, and to the Quarter Horse breed in Australia. Over the years, she was paired with standout stallions, carefully chosen by Vince. Lady proved herself, producing 20 foals, many of whom grew to be very competitive Cutting and Campdraft horses, and some were great producers themselves.

SELIGMAN SPIN Q-43083

Sire: Docs Spinifex Q-5015 / Dam: Lady in Red
One of Lady In Red's most successful offspring was the result of Vince and Sally breeding their mare to the legendary Cutting champion, and sire of Cutting champions, Doc's Spinifex. A 1998 colt, Seligman Spin was purchased by Peter and Debbie Gesler in 2002, and went on to contest six years of Cutting magic, with over \$65,000 LTE, making him the highest money-earning son of Docs Spinifex.

SELIGMAN SPIN Q-43083 - Photo by: Francene Neuendorf

Seligman Spin was outstanding, and one of the most consistent cutting horses ever. His performance record is incredible, and he placed no lower than 6th, in 11 out of the 12 major aged event Cutting shows he contested. Seligman Spin went on to stamp himself as an incredible producer, siring 430 AQHA registered progeny, including many champions that excelled in multiple disciplines, to win in many prestigious events across the country. In 2007, Seligman Spin was shown in Non Pro events by his owner, the late Peter Gesler, showing consistently to win both the \$3500 and \$10,000 National Titles, and over \$12000 in prize money, on the way to claiming those titles.

DIABLOS DESTINO Q-53850

Sire: Acre's Destiny Q-38061 / Dam: Lady in Red

Diablos Destino was ridden by Jason Wanstall to win the 2013 Accor Hotels Open. The stallion went on to become a winning Campdraft, and has sired at least 14 progeny.

COLOUR ME ROAN Q-46031

Sire: Peptos Stylish Oak Q-39269 / Dam: Lady in Red

This gelding went on to become a competitive Cutting horse and won and placed in quite a few events.

REY LADY REY Q-56620

Sire: Dual Rey Q-52538 / Dam: Lady in Red

Like her dam, Rey Lady Rey, has also proven herself as a great producing mare, but not before she showed them her Cutting talents. Foaled in March, 2005, the palomino mare won and placed in Open and Novice Cuttings, and also took out the 2013 Paradise Lagoons Open Cutting, then ridden by Jason Leitch. She was also awarded two AQHA Amateur ROMs in Cutting and Performance. Rey Lady Rey's 17 foals have extended out as a very successful line, with some listed below.

WORLD SERIES CAT Q-71279

Sire: Hydrive Cat Q-64619 / Dam: Rey Lady Rey

Owned and shown by Amelia Servin, the colt, World Series Cat, was very consistent, winning and placing in many Non Pro and Open Cuttings. The pair won the 2014 DDCC Non Pro Open Cutting Futurity, the 2015 DDCC Non Pro Open Cutting, and the 2016 Non Pro Open Cutting at the National Finals.

Hy On Cherries Q-8470 and Sarah Campbell

HY ON CHERRIES Q-84709

Sire: Hydrive Cat / Dam: Rey Lady Rey

A granddaughter of Lady In Red, Hy On Cherries is giving her owner, Sarah Campbell, a taste of Cutting success. In 2021, she and Cherry placed 5th from 43 entries in their first Cutting show, placed in the Non Pro Classic at Goondiwindi and not long after, followed that up with an unexpected win in the Open Non Pro at Injune. Sarah also owns three more of Cherry's progeny and looks forward to seeing their progress.

REYS ME A HY Q-99285

Sire: Hydrive Cat / Dam: Reys Me A Lady Q-84706

This 2019 great granddaughter of Lady In Red, was ridden by Mathew Oakley, to place equal 2nd from 111 entries with a 219.5pts in the first go-round of the 2023 NCHA Cutting Open Futurity.

Only a few horses have been mentioned here, a little of the great legacy that Lady In Red has produced, but to be honest, there are just too many to list here. This mare is a real credit to her proud owner/breeders, Vince and Sally Bonello. Still spoken of today, and will be in the future, especially in Cutting circles, Lady In Red's lines and her progeny, are deserving of study, following and a great deal of respect.

BEATING EQUINE ARTHRITIS

With nature's remedies for hardworking Quarter Horses

WORDS BY: KARYN CAMPBELL NATUROPATH & EQUINE HERBALIST FOR HI FORM AUSTRALIA 2024

EQUINE ARTHRITIS, ALSO KNOWN AS DEGENERATIVE JOINT DISEASE (DJD), IS A COMMON CONDITION AFFECTING HORSES OF ALL BREEDS AND DISCIPLINES.

It involves the progressive deterioration of cartilage within the joints, leading to pain, inflammation, and decreased mobility. DJD can impact any joint but is most commonly seen in the hocks, stifles, and fetlocks.

CAUSES AND SYMPTOMS:

The primary causes of equine arthritis include:

- **Wear and Tear:** Repeated stress on joints due to athletic activities or intensive work.
- **Injury:** Trauma to the joint can accelerate cartilage breakdown.
- **Genetics:** Some horses are predisposed to DJD due to their genetic makeup.
- **Conformation:** Poor joint conformation can lead to uneven distribution of weight and increased joint stress.

COMMON SYMPTOMS INCLUDE:

- **Lameness:** Especially after exercise.
- **Swelling:** Visible inflammation around the joints.
- **Stiffness:** Difficulty moving, particularly after rest.
- **Reduced Performance:** Decrease in willingness to work or compete.

PREVENTATIVE TREATMENT:

Managing equine arthritis involves a multifaceted approach, focusing on both prevention and treatment to maintain joint health and prolong the horse's athletic career.

DIET:

A balanced diet is crucial for preventing and managing arthritis:

Omega-3 Fatty Acids: Found in flaxseed, omega-3s have anti-inflammatory properties. We do not use fish oil as horses are herbivores.

Antioxidants: Vitamins C and E, selenium, and other antioxidants help reduce oxidative stress on joints.

Balanced Nutrition: Ensuring adequate intake of essential minerals like calcium, phosphorus, and magnesium is vital for bone and joint health.

Naturopathic and Herbal Medicine Naturopathic and herbal treatments can complement traditional methods to manage arthritis:

Devil's Claw: Known for its anti-inflammatory and pain-relieving properties.

Turmeric: Contains curcumin, which has strong anti-inflammatory and antiarthritic properties.

Boswellia: An herbal remedy that helps reduce inflammation and supports joint health. It has analgesic, antirheumatic, antispasmodic and anti-allergic properties.

Piper Nigrum: is a great source of magnesium, vitamin K, vitamin C, calcium, iron and fibre. It promotes the bioavailability of curcumin and helps with aching muscles, digestive issues and arthritis.

Acupuncture and Massage: These therapies can help relieve pain and improve joint function.

Equine Arthritis: Understanding Degenerative Joint Disease in Horses

Quarter Horses and Intense Competition Quarter Horses are particularly prone to DJD due to their intense work in disciplines like cutting, reining, and racing. The rapid acceleration, sharp turns, and heavy impacts these activities involve put significant stress on their joints.

Coping Strategies

To help Quarter Horses cope with the demands of competition:

- **Regular Check-Ups:** This can be with your vet, osteopath, chiropractor and even farrier. Early detection and treatment of joint issues can prevent further damage.

- **Proper Warm-Up and Cool-Down:** Ensuring a thorough warm-up and cool-down routine can reduce the risk of injury.

- **Controlled Exercise:** Tailoring exercise regimens to the horse's condition helps maintain fitness without overstraining the joints.

- **Joint Supplements:** Providing regular natural joint supplements can help maintain joint health.

- **Supportive Shoeing:** Corrective shoeing can help alleviate stress on the joints and improve overall hoof health.

Equine arthritis is a significant concern for horse owners, particularly those involved in competitive sports. By adopting a holistic approach that includes a balanced diet, herbal supplements, and proper management strategies, it is possible to reduce the incidence and impact of DJD.

For Quarter Horses, whose athletic careers demand peak physical performance, these measures are essential to ensure longevity and quality of life. Regular veterinary care, combined with preventative treatments, can help manage arthritis and keep these magnificent athletes performing at their best.

**BY ADOPTING A HOLISTIC
APPROACH IT IS
POSSIBLE TO REDUCE THE
INCIDENCE OF ARTHRITIC
CONDITIONS**

ARTHRITIS AND JOINT ISSUES WITH RIDERS

Osteoarthritis (OA) is a degenerative joint disease which leads to disability and pain. It is more common in women and the most prevalent form is found in hands. This can be associated with genetics, ageing, trauma and metabolic dysfunction related to obesity.

The gut microbiome dysbiosis is linked with metabolic syndrome and inflammation.

The causes related to this include:

- Poor lifestyle which leads to unhealthy food choices, low energy and obesity derived gut dysbiosis.
- A build up of bad microbiota from poor lifestyle choices such as sugar, alcohol, stress, sedentary lifestyle, smoking, high salt intake, fatty foods, high red meat consumption, dairy and wheat.
- The build up of adipose tissue around our middles that secretes pro-inflammatory cytokines (small proteins that affect the immune and inflammation response).

The importance of prevention of arthritis and treatment strategies if you suffer from it. This can be done by improving diet and lifestyle which will assist your gut microbiome and help with reducing adipose tissues.

WHAT CAN YOU DO TO ASSIST

Well the good news is that horseback riding can be beneficial for arthritis. It provides distinctive movements improving range of motion, pain, mobility, balance and strength. Horseback riding can improve your quality of life. When we do incorrect movement this can add additional pain and stress on our joints but when you are riding a horse you will move to the gait of the horse which will allow your body especially your lumbar spine to move more correctly and lessen pain.

**Make an appointment
with a Naturopath
to see how they can
assist you.**

There are many natural therapies, dietary and environmental changes that can be made to help your body heal.

CHOCOLATE SEED BALLS

Serves: 10-12

2024 NATIONAL CHAMPIONSHIP SHOW

WORDS BY: CHRIS GOULD ★ PHOTOS BY: KEN ANDERSON EQUINE PHOTOGRAPHY

2024 Australian Reining Championships is now in its 35th Year.

The Reining Australia Futurity and National Show was once again held at the AELEC, Tamworth NSW on the 5-10 August 2024.

AQHA Open Derby Champions - Warren Backhouse and NPH Gunner Be A Goodnite Q-91426

Warren Backhouse and NPH Gunner Be A Goodnite Q-91426 - Open Derby Champions

With a purse of \$50,000 on the Gold Buckle Futurity alone and money and prizes totalling well over \$100,000 making it the country's biggest payout Reining event annually.

Competitors travelled from as far as Western Australia and North Queensland for their shot at a National title. With the sport seeing unprecedented growth the competition was high and although the friendly atmosphere throughout the week, riders showed up to take the crown.

AQHA \$10K OPEN DERBY

With a line up of several past Gold Buckle Futurity Champions, the hotly contested Open Derby brought the heat with the David & Jane Manchon entry 'NPH Gunner Be A Goodnite' piloted by Warren Backhouse backing up their 2023 win to take home the AQHA winner's cheque again marking a massive 151 from the judges. Coming in 2nd place was 88 Reining's mare 'Whiza Lil Cash' with John Wicks and taking out third place honours was Breakoday QH's stallion 'Nu Too Much' ridden by Lana Kelderman. The AQHA Owner Incentive was won by David & Jane Manchon and the AQHA Breeders Incentive was won by Dennis and Erin Neylon.

Thomas Arena Products Gold Buckle Futurity

A broad field of Professional trainers and Non Pro riders made up the numbers in the Open Futurity with a 2 go round aggregate deciding the winning combination. It was Non Pro rider Tyler Smith who came out on top, 20 years after her father Greg won the same title. Riding her own mare 'Q Vista Step It Up', Tyler is the first woman to win the Open Gold Buckle Futurity with the top 4 placings also being taken out by cowgirls this year. Tyler not only took home the cheque for \$25,000 but the Onya Quarter Horses ChampionsRing, made of solid gold and valued at well over \$10,000, proudly supplied by long time supporter Ray Gabbert. Saturday morning saw the Non Pro's step into the pen on their futurity horses with Queensland rider Heather Lee taking home the buckles in all 3 levels marking a 140. A great effort by these non pros with some catch riding their own horses after showing in the Open Futurity under their trainers.

HQ Insurance Open

Saturday's feature event saw the country's best horse & rider combinations battle it out with some outstanding runs. Lana Kelderman took the title on the family's 'Nu too Much' on a 144.5 followed by John Wicks on 'Whiza Lil Cash' and splitting third was Kate Elliott on 'Dunrufnit' & Sarah Mammone on 'MPH La Revolution'. HQ Insurance's very own Maggie Johnston got the opportunity to ride her first reiner being on Peggy Salmon's super mare 'Dunrufnit' who also had progeny in the Open Futurity!

Toprail Equine

'Michelle Halliwell Memorial' Non Pro

Run concurrently with the Open class, the Michelle Halliwell Memorial Non Pro honours one of our very own reiners tragically taken too soon. Now in its 14th year, this class is the 'one to win' for the leading Non Pro riders. Leading the pack this year was Sarah Mammone on 'MPH La Revolution' earning her the perpetual trophy and the Toprail Equine trophy saddle to add to her third placing in the Open class. Following up the placings was Tyler Smith on her family's imported mare 'Plum Outta Town' for second and Andrew Behren's entry 'Smooth Lil Step' making a beautiful run to take out third in a big field of competition.

Onya QH & Mal Fishenden Saddlery Youth

The youth were bringing the heat with some very competitive runs being thrown down but Victoria's own Adelaide Osler put it together to take home the trophy saddle ahead of the other very capable youth riders. Reining Australia is excited to nurture our industry's future in these youth riders and we'd like to thank Elastomers Australia for putting forward the free youth clinic early in the week and to those trainers for their time and expertise: Warren Backhouse, Shane Sainsbury, Ashleigh Backhouse & Errol Thomas.

Ranch House Australia Invitational Reined Cowhorse

The cattle worked well and the surface was on point thanks to the Thomas Arena Products crew making it a contest between an exciting invitational line up. Tamworth local Rob Leach gave an edge of your seat run on the imported mare Shirley Shiney holding out to take home the Championship. Close behind was Dan Steers riding Casey Karn's imported stallion 'A Shinin Texas Time' ahead of Rob's other entry 'Hells Destiny' taking out third. A big congratulations to all riders on showcasing their sport on this platform at the RA National show.

Green Rider Level 2 Champions - Trudy Stone and Checkout My Shiner Q-94495

RHAA Wineglass Challenge

A crowd favourite feature class, all was going well at the required gaits when a few reiners were handpicked from the entrants and 'encouraged' to add some sliding stops and spins to this rail class. The outcomes were expected with some empty glasses to follow although one rider making the crowd question as to whether this was her first time as her drink was very well in order after her sliding stop!

The Reining Australia board wish to thank our fantastic sponsors, RHAA, ARCHA, officials and competitors on another successful Australian Championships & Gold Buckle Futurity.

Incorporated in 1995, Gatton Quarter Horse & Performance Association Inc aims to provide quality horse events for equine enthusiasts across Southeast Queensland and the greater communities.

We are a Western Performance Club run by a small committee of very dedicated people who run our shows out of Gatton, Qld at the Lockyer Indoor Equestrian Centre, on Woodlands Road Gatton.

This year we organised the QUEENSLAND QUARTER HORSE STATE SHOW AT QSEC for the second time. The support of sponsors is one of the reasons we have been able to host this event.

Gatton Quarter Horse and Performance Association would like to express our sincere appreciation to all their sponsors for their contributions to the Quarter Horse State Show 2024.

Your partnership is invaluable. We would like to extend our gratitude to our Major Sponsor, Llewellyn GMSV, for their continued support and dedication to our community. We truly appreciate your partnership and look forward to our ongoing collaboration. We also like to thank our show officials, volunteers & competitors.

Gatton Quarter Horse and Performance Association are hoping to be selected again to run the state show in 2025 as it's the associations 30th year anniversary in Gatton.

DIRECTOR REPORTS - 2024/2025

RICKY GLEN

- Portfolio: Cattle & Time Events

Another year that I have had the opportunity to be the Cattle and Timed Event Portfolio holder has been and gone and what a great year it has been. This part of our industry is a major part of the income for AQHA with registrations, breeding returns, transfers and of course memberships bringing a huge return to the AQHA and this is something that the other side of our industry is probably not aware of.

In the Camp Draft side, entries are usually in the hundreds at each class at the drafts, the leading events pays over a \$100k to win let alone the income derived by the stallion owners in service fees and to the mare owners, the value of the progeny out of these well performed mares.

Because of this, the sales of potential Camp Draft horses are huge with the annual Nutrien sale grossing over \$10,000,000 in sales each year and its usually a Quarter Horse topping the sections of the sale as well.

The Cutting side is also on the up and up, the annual NCHA Futurity pays also a \$100k to win and the led sale during this events also sees our breed achieve very high prices, the stallion owners are reporting no down turn on the breeding side and the forthcoming season looks to be another bumper one for the cutting horse industry.

The Barrel racing is also showing tremendous growth and like in the USA, they are holding age events as well as their normal events with huge entries as well. This

has seen a comeback of the sprint breeding side of our industry with them embracing these bloodline to get the speed into their horses.

Roping is another event about to boom again with them looking at also introducing aged events into there shows, recently some horses from here were exported back to the USA to compete at roping events over there and did us proud in the results they achieved.

The Challenge events are as popular as ever, Cow Horse is on the come back and the likes of Team Penning ect still attracting big numbers at their events.

It's important that the AQHA continues to support this side of the industry to show these members that we do support them to ensure our involvement stays strong with them and this continues into the future.

I get feedback saying that we are spending this and that for the cattle and timed event side, it's an investment we need to maintain.

I thank my sub committee for their support during the year and the rest of the board for recognising the importance of the cattle and timed events portfolio and of course the office which ensures things run smooth.

I wish all members well for the 24/25 season and as always, if you have a question or a problem to do with this portfolio, please contact me.

Thanking You

Ricky Glen

(Chairperson Cattle and Timed Events Portfolio)

PAUL LORIMER

- Portfolio: Show & Performance

Quarter Horses have once again have displayed their ability to excel in a range of activities. This show season the AQHA recorded points from 33 Versatility Ranch Shows, 79 'A' Shows, 39 AA Shows *10 "AAA" State Shows which included 4 Versatility State Shows, and 1 "AAAA" National Show.

The AQHA has sent an updated Rule Book to all financial members. Updated rules are printed in italics and I urge all members to look for these changes.

It has been pleasing to see the increase in Versatility Ranch shows approved this last year. I believe this

division of Quarter Horse Performance will continue will continue to grow of this current year.

The AQHA has made funds available to support Traditional activities (all State Shows), Quarter Horse Racing, Reining and new events such as Versatility Ranch Shows. The AQHA has run traditional Judges clinics and this year has run a Versatility Ranch Judges Clinic in conjunction with Ranch Horse Australia Association.

Please remember to forward any rule changes to the AQHA as the sub-committee will begin working on the next Rule book early next year.

With thanks

KANE SKOPP

- Portfolio: Marketing

The marketing committee have received a lot of positive feedback regarding the broader coverage of Q24 and would like to thank the many members who cooperated with the interviews and inspirational stories about their involvement in the association and celebration of their achievements!

The welcome dinner again was a huge success and brought all competitors, friends and family together for a great meal and drink or two to start a great week of showing. All proceeds of the night went to charity.

The \$50 random cash giveaways were welcomed among many classes and acted as an incentive to increase participation which was great to see.

Our growing social media presence has been excellent and evident in the statistics- from 4,500 followers to now in excess of 18,000 people now following AQHA content with plans in place to continue to market the most versatile equine breed to the public.

There were in excess of 250,000 interactions on the facebook posts during Q24 alone. Our AQHA Director interviews are being released soon which was an initiative to put a face to our names and hopefully

encourage members to come to the directors with any concerns or ideas. Plans are in place to begin to introduce our Professional Horsemen via video interviews also.

The board of directors have approved our request to revamp the AQHA website to make it more accessible and user friendly for our members. With so much content and information to transfer, we are currently in negotiations to get this project underway.

The Board have also approved our request to offer one grant per state to assist in running costs of 'Introduction to AQHA' where Pro Horsemen will educate members of the public on all AQHA events in an attempt to generate memberships and participation. Details will be available soon as to how your affiliate can apply for this grant.

Keep an eye on our social media pages for news and information and don't hesitate to contact me if you have a great story or news you think the membership would enjoy.

Thankyou to my subcommittee Liz Keating and Leah Michelle.

With thanks

- Portfolio: Stud Book

The Stud book committee, over the last 12 months, has continued to research Genetic disorders and to evaluate their effect on quarter horse breeding, allowing members to make informed decisions on their breeding schedules and will continue to keep members updated on the results.

The committee plays an active role in the rules pertaining to all aspects of registration, transfers and applicable fees, making sure they are updated when required.

Prefix update: An Amnesty is in place on Prefixes, with conditions applied, which will provide the AQHA the opportunity to re-establish the Prefix Registry. If a member already has an authorised AQHA Prefix they will not be affected.

The AusQHA and the AmQHA are putting forward a dual Registration Application form that will allow members to only having to fill out one form that will be accepted by both Associations.

KIM JOHNSON

- Portfolio: International

Firstly, I would like to thank all of my fellow directors for their hard work; Gemma and the office staff, its been very busy; I thank all of you for your support of me in my position on the board.

We have introduced more awards and classes for the International events at the nationals. The International

meeting was held at the nationals 2024 for more input from you our members, I have taken on board your feedback, and will try and introduce more awards for 2025.

Internationally we have had 1 new International executive officer in 2024-2025 year, we have done our business plan and have attended virtual meetings with AmQHA for better communications & we have a new head of International activities, see AmQHA website for all information.

DIRECTOR REPORTS - 2024/2025

We have been working towards a new registration form that has been approved by AmQHA to make it easier for you the breeders to dual register your foals.

AmQHA is the largest equine breeding registry in the world, 130 countries with approximately 31,000 members and 440,000 registered QH, they are keen to develop more communications with all international affiliates.

I have worked diligently in all aspects of AQHA supporting all directors and with the elections of new Directors for 2024 coming I would ask for your support.

I have enjoyed being your International Portfolio Director and support all areas of AQHA. We have had an outstanding year & I look forward to 2024-25.

Thank you to you the members for your support throughout 2023-2024.

With thanks

Kim Johnson

JOANNE GREGORY

- Portfolio: Affiliates

Our affiliates have been busy running shows for our members to attend. I am sure we all appreciate the effort these volunteers do for all of us. We understand it is a tough job to keep abreast of rule changes and AQHA requirements.

We have had a couple of affiliates that have had low attendance numbers at their shows and some instances where shows have had to be cancelled. We conducted a couple of ZOOM meetings where representatives from most clubs have attended and we discussed these problems and brainstormed some ideas that have worked for other clubs like running different types of events to suit the horse demographic in their areas. This has seen a number of clubs run events like beginner/rookie, hacking, all breeds and versatility ranch shows.

This has given our affiliates a different avenue for them to fundraise and keep their clubs afloat. We have also seen an increase in the Versatility Ranch shows being run this past year, which is great to see.

We are currently in the process of providing our affiliate clubs, who run approved western shows, a simple guide for our show managers/gate marshalls regarding attire and equipment rules for the different types of classes. I feel this will assist affiliates with training new workers at our shows. This initiative has had to wait until the new rule book became effective so the rules are the most up to date they can be. These will be sent out to affiliates very soon.

We have sent out an affiliates newsletter advising clubs to be aware of their procedures regarding their constitution and state incorporated associations legislation. This becomes important around the time of the year when AGMs are being held and new committee members are installed at clubs.

Often a lot of experience is lost when positions are vacated or changed and this leaves club committee members not knowing what needs to be completed.

I look forward to being of assistance to any affiliate and can be contacted at any time with any queries.

With thanks

Joanne Gregory

LIZ KEATING

- Portfolio: Youth

I am pleased to present my end of year report to you. The Youth Division have had very productive year. Some of the progressive moves include:

- Opening a separate Youth bank account.
- Fundraising in the amount of \$ 18,000.00
- Passing a motion that \$5.00 from each new or renewal youth membership to be forwarded to the youth bank account to be put towards camps, clinics, education and incentives.
- Online stallion auction.
- A budget amount for our cattle camp in 2025.
- A budget amount to put towards youth camps and clinics.
- Partnering the NCHA in way of cash sponsorship to send

a NCHA Youth team to Wyoming July 2024 for the National High School Rodeo Finals - Cutting Team.

I am pleased to announce that our youth camps will be up and running this financial year, starting with QLD. These camps are run in conjunction with our AQHA affiliates who can apply for funding to run a camp in their state.

The application forms are available at the office. Our online stallion auction was run in July, raising over \$9,000 to be put towards our youth educational camps.

We intend to run this online auction every year as our major fundraiser, so keep us in mind when you are looking for a stallion. We will endeavor to have these wonderful horses with many more in coming years.

Much thanks goes to the stallion owners who donated a

DIRECTOR REPORTS - 2023/2024

service to their stallions for our youth. Rosemary Webb and Reach for the Roan, Kyle and Kristy Mobberley and RQH The Natural, Ricky Glenn and Peptos Stylish Oak, Kim Johnson and Desire A Little Rex, Robyn Davies and DP Perfect Symphony, Paige and George Addamo and REQ Flat Out Classy, KQR Potentially Sizzlin and Jason Looby and Chris Davie, Trish Wettnehall and Triandibo Super Lynx, Diane Rose and RQH Doing it in Style.

Your generosity and support of our youth is wonderful, and we thank you so very much. There are many global discussions around the running of the YWC, with the USA putting a tentative interest forward to run the event in 2026.

Once we have confirmation of this, along with the ruling about age as we have missed a year, we will put forward our application forms. The selection camp will be tentatively

booked for July 2025 at AELEC.

We are in discussions with New Zealand regarding the Trans Tasman, and both countries agree the event has to run alternate years to the YWC, which is tentatively scheduled for 2026. Stay tuned for updates on this event.

I would like to thank my hard working sub committee my 2IC Kane Skopp and Kim Johnson, who's wealth of knowledge is unsurpassed. Gemma Clarke our General Manager for all of her help, Ricky Glen our AQHA President and the BOD.

Please feel free to contact me with any ideas or questions.

- Portfolio: ProHorseman

Geetings to all Members,

As you would be aware I'm currently the Portfolio holder for the ProHorseman group for the AQHA.

This up and coming year the ProHorseman group with the support of the AQHA will be running some clinics to help support and further educate it's members to then intern provide a better and safer environment for their customers/clients. With already two clinics been run in both Victoria and Queensland and with the help of the AQHA we have been able to offer these clinics at no fee to the member. We the ProHorseman committee are now sourcing international clinicians to help with this process, and are well underway

looking in to venues and suitable times in which will be most beneficial for our members. Its our way of giving back to the members, and hopefully will create interest in trainers that have been thinking about it but haven't taken the next step.

The group is also still working on a recognition award to be handed out at the AQHA's annual awards night (more info to come soon), and still recognizing results awarded to members in specific events by means of cash incentives at some select affiliate, state and National shows. If you are a trainer and been thinking that this may interest you, please don't hesitate to contact me or speak with other current prohorseman for more information.

Regards Kyle Mobberley

- Portfolio: National Show Director

For those that weren't able to attend Q24 National Show this year, I hope to see you all next year for Q25. As usual it was a showcase of the best of the best of our breed. Once again showing the versatility and trainability of The Australian Quarter Horse. Even though we are still feeling the affects of life post Covid the participation was notably higher. Overall the number of horses in attendance was up almost 25% on previous years which as an organizer of this event moving forward gives us a confidence that the industry is on a positive turn. It was great to see both youth and amateur numbers increased as well as horse aged events being well represented. Once again we had great support from the cutting sector of the AQHA, with members taking

advantage of the availability of pre-works. On a downside we weren't able to run the campdraft competition this year as the availability of cattle was scarce, which was disappointing as its always a great spectacle for spectators and is always well supported by the membership. Plans are well underway for Q25 with a schedule of events to be posted shortly and we look forward to seeing you all there.

Lastly I would like thank all our volunteers, sponsors and show team as with all of you this would not be achievable. And to the members that support and compete at our Q shows, without you there is no National Show. Goodluck to all.

Regards Kyle Mobberley

RACHEL TURNER

- Portfolio: Amateur

I would like to congratulate everyone who got to spend time showing their horses this season and also to those who enjoyed some time with their horses at home.

The comradery that I witnessed this season was refreshing to see with our amateur teams challenges so well supported at state and national level. We had a huge 21 teams entered at Q24, which is an impressive 63 amateurs. Well done to all and we hope to see you join in again at your next opportunity.

Once again for the coming season, the Amateur Division will be hosting free amateur clinics. I encourage you all to show your support to this initiative so that we can justify running them again in the future.

The Amateur Division will also continue to provide prizes

this season for the teams challenges and the Super Select incentive at Q25 and state shows.

A survey from the Amateur Division will be emailed out this season to gather information from our amateur members to help guide our future decisions. This is the ideal platform for constructive feedback and new ideas to be presented.

With Equitana just around the corner, the AQHA will once again have a stall within the Breed Village. The Amateur and Youth portfolios are responsible for the running of this. If you would like to help with running the stall or have a suitable horse to have on display, please reach out to myself or Liz Keating.

As always, continue to enjoy your beloved horses and friendships they have aided.

Cheers,
Rachel

LORELEI PAYNE

- Portfolio: Traditional

After many years in the making, there is now a collection of educational introduction's and segments into the differences between Show Hunters and Show Hacks in the Traditional Portfolio which are held at our Affiliate shows, as well as State & National levels.

The presentation covers how to judge and what to look for, along with the different paces required in their workouts and also the difference in show gear such as bridle wear and show clothes & the difference in the horses makeup & quarter marks.

There is also a dedicated segment for different style of movements and workouts for Show Hunters and Show Hacks.

This will be a great help for bigger shows and State and National level shows that are run, so affiliates have an idea of who to attract to these events.

They are EA and Show Horse Council approved events.

I would like to thank Olivia Palfreyman for all her hard work for putting this together for me.

We are also working on conducting Show Hunters & Show Hack clinics this year in 2 states to start with to get the message out of how versatile our Australian Quarter Horses really are to compete in these Traditional events.
