

# Your Career Discovery Journey

WHERE ARE YOU?

LEAVE SCHOOL TO  
LAUNCH INTO YOUR  
**ULTIMATE CAREER!**

## Planning for life after Year 12

- University or Vocational Training options
  - Apprenticeships or Traineeships
  - Full time employment
- Combining training and employment
  - Gap Year options
- Choose a training provider that gives you opportunities to link with business & industry like internships, student exchange programs and other linkages with business & industry....  
To help you land your dream job!

## What's important to you?

- What you will enjoy?
- What are your interests and hobbies?
  - Consider your options
  - Develop your career plan  
(Remember, your pathway may change, be flexible and keep an open mind)
- Expand your experience opportunities
  - School Work Experience
  - Volunteer or community service

HSC

Pathway  
DISCOVERY

Career  
DISCOVERY

Personal  
DISCOVERY

## Exploring your options

Research occupations of interest to you, talk with people who already work in occupations that interest you.

- Open Days
- Career Expos
- Work Experience
- Talk with Peak Associations and enquire about memberships
- Subscribe to training provider online newsletters of interest to you

## School Subject Selection

- Choose subjects for year 11 and 12 based on your extensive research & preparation plus course recommended studies, course pre-requisites, what you will be good at and what you will enjoy
- Consider VET and TVET Subjects

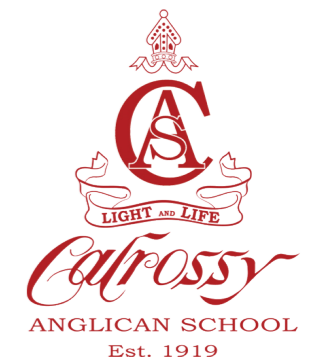

## Self-Assessment - Know yourself

(think about your own personal interests, hobbies, strengths, talk with people who are close to you and know you well)

Career & Personality Quizzes such as My Future Finder

Draw inspiration from your;

- Experiences
- Opportunities
- Knowledge and Awareness
- Personality
- Individual Aspirations and Passions

Talk with your careers advisor at any time, parents encouraged and very welcome...
