

## Questions to ask Business & Industry

- I am interested in a career as a ‘..... (The Occupation Name) .....’
- What qualifications and courses have you completed which have helped you towards the role you have today?
- Was the course you completed endorsed or certified by your industry association?
- Are you aware of any scholarships or internships available which I may be able to apply for through your organisation?
- Are the job prospects strong for graduates in this sector?
- Are people with your qualifications sought after in other parts of Australia or overseas?
- What is your best advice you can offer me?
- Work Experience while at Calrossy Anglican School??

You may like to enquire about possible work experience opportunities which may be open to you with the organisations you are speaking with.....

### Remember....

**Don't' forget to thank the person you've spoken with for their time and their guidance .....**
