# CAREERS

Take a look at some of the jobs we have at **Tamworth Regional Council**

## Marketing and Communications

### Marketing and Tourism:

Producing creative and innovative campaigns promoting internationally recognised events and local tourism.

### Graphic Design:

Creating digital and print designs, graphic design services including advertising, marketing and communications related material.

### Corporate Communications:

Developing and maintaining communication strategies; organising and managing public relations events and monitoring local media.

### Digital Services Officer:

Assisting in the development, management and delivery of online content to the public, via electronic marketing, social media and online communications.

## Business and Community

### Events and Operations:

Work behind the scenes to deliver events in the areas of music, entertainment, commercial, sporting and professional conferences; including the Toyota Country Music Festival and Taste Tamworth Festival.

### Economic Development:

Researching and developing growth in the Tamworth Region and identifying opportunities to strengthen our economy.

### Airport Reporting and Safety:

Providing hands on support at the Airport in the delivery of safety, security, operational coordination, asset maintenance and management and legislative compliance.

### Library and Digital Services:

Developing the Digital Hub into a vibrant and welcoming space that supports learning, creativity, innovation and community through the use of digital and transformative technologies.

## Regional Services

### Construction Engineer:

Providing specialist advice in the design and construction of large scale construction works, including the Centre of Sporting Excellence.

### Road Infrastructure Operator:

Undertake a variety of operational works as part of a team in the maintenance and construction of civil infrastructure, using machinery such as a backhoe, front end loader, bobcat, excavator, truck and roller.

### Sport and Recreation Development Officer:

Providing strategic planning and development for sports and recreation facilities.

### Horticulture and Arboriculture Specialist:

Providing specialist technical advice, coordination and monitoring of horticulture and arboriculture services, to our vast array of parks, gardens and streetscapes.

## IT, Accounting and Human Resources

### IT Officer:

Providing system and network support, technical guidance, training in networks, web services and corporate applications.

### Accounting:

Facilitate financial processes and budget analysis.

### Human Resources:

Providing professional support and advice to Tamworth Regional Council's staff including Industrial Relations, Recruitment, Training and Injury and Risk Management.

## Water and Waste

### Fitter Machinist:

Perform fabrication, manufacture, repair, installation, maintenance, calibration and operation of complex mechanical systems.

### Laboratory Technician:

Performing sampling, testing and analysis of water, wastewater and soil and calibrating a wide range of field and laboratory equipment.

### Sustainability Coordinator:

Creating and implementing strategies to improve the community's understanding of sustainability and promote conservation, waste reduction, increased recycling and other initiatives.

### Environmental Officer:

Working with the EPA at our waste management sites to ensure we are achieving the best possible outcomes for our ongoing environmental health.

## Planning and Compliance

### Development Assessment:

Providing town planning services to the community and building industry.

### Building Inspector:

Undertake assessments on a wide range of construction and building works to ensure compliance with the relevant regulations.

### Environmental Health Officer:

Investigate, report on and take appropriate action regarding a range of Environmental, Health, Development and Compliance matters such as food safety inspections, noise assessments and onsite sewage management inspections.

### Crime Prevention and Development Compliance Ranger:

Supporting the coordination and delivery of Council's Crime Prevention Plan, including graffiti management, liquor licensing, investigating and reporting on incidents.
