

WHAT TO DO IF YOU HAVE COLD AND FLU LIKE SYMPTOMS

If you are displaying cold and flu like symptoms please stay at home.

We ask that all Calrossy community members who are displaying any of the symptoms below to make an appointment with their GP or the Tamworth Respiratory Clinic to arrange for a Covid-19 Test.

Symptoms include:

- Fever
- Dry Cough
- Sore/ Scratchy Throat
- Runny or Stuffy nose
- Shortness of breath
- Loss of taste or smell

We ask that you return a negative Covid-19 test result and be symptom free before returning to Calrossy Anglican School

Please see the details below regarding the Respiratory Clinic on Goonoo Goonoo Rd. You must ring and book an appointment and in most cases these can be arranged for the day of your call. Alternatively you can book an appointment online.

After you have the test, they will advise you of the result via text message between 24 - 48hrs.

We ask that you contact us via phone and please forward a copy of the test result to the Calrossy Head Nurse – Mrs. Katya Thomas via health.centre@calrossy.nsw.edu.au
