TRECC | TAMWORTH TOWN HALL  
CAPITOL THEATRE TAMWORTH

A Division of Tamworth Regional Council

From the  
**Theatre Director**

**E**ngage. Escape. Experience. After the year we have all had it's so great to be back in our venues delivering entertainment to the people of Tamworth and our greater region.

This booklet marks the first quarterly **What's On** that we will be producing moving forward. We hope that they provide a more up to date and compact guide to what we have on across our three wonderful venues. We have moved to a DL size booklet as it is more condensed and works with the various stands we have across the city. We are keeping information to a minimum in the booklet and we encourage people to use the **QR code** which will take them to the event page on our website. Here you can access all the information and videos you will need to find out more!

With a mixture of local and national shows and artists, I can't wait to have our three venues buzzing again with audiences. For November we are transforming Tamworth Town Hall into cabaret mode. We were keen to really set the scene for people to come along and enjoy outstanding live performances while relaxing with friends, enjoying a glass of wine and a cheese box and the superb line up of entertainment we have on offer. The performance of *2340 Big Band Rock The Classics at TRECC* is also presented in cabaret mode.

If you are a **subscriber** or **member** in our **20/21 Season** we have discounted tickets on many of the shows - so make sure you check and make the most from being a member or subscriber. If you aren't a member or subscriber and would like to **become one**, then jump on our website to find out more or call our Box Office.

The health and safety of our audiences, staff and performing artists is our focus and as a registered COVIDSafe venue, we have a COVIDSafe Plan and comprehensive operational plan in place to keep you safe.

November is **Australian Music Month** and Entertainment Venues has a huge program of entertainment on offer. We invite you back into our venues to **engage** with live entertainment. We encourage you to **escape** the stress of life for a moment with friends and family. And we want you to **experience** a great night in the theatre and the joy that live entertainment can make you feel.

See it live, see it local!
