

# **EDUCATION & FAMILIES SERIES**

hen 5-year-old Dot gets lost in the bush, she is rescued by a kangaroo who gives her magic berries of understanding that allow her to follow the languages of all the animals and insects around her.

With this new gift, **Dot and Kangaroo** set out on an actionpacked adventure to return her home. Creature invites you to enter the magical world of the Australian bush to explore how our actions and choices affect the world around us.

Combining physical theatre, interactive digital technology, storytelling, and song, **Creature** is a modern retelling of the 1899 Australian classic children's book, **Dot and the Kangaroo**.
