Award Judges Needed

The Quality Business Awards are back and it's time to let the quality and resilience of local business shine bright.

As one of the most comprehensive award programs in NSW, our Awards would not be possible without the voluntary hours spent judging the various award categories. Importantly, to ensure the transparency of the judging process, we like to appoint TWO judges per category which means double the number of judges are needed.

So, ask yourself...

- **Are you community minded?**
- **Do you have some spare time that you could dedicate to support local business excellence?**
- **Would you like to attend the Awards Gala Dinner in September as our guest?**

If you answered yes to any of these, we'd love to hear from you.

Nominations open Friday 17 June with Award judging commencing Friday 8 July and we will provide all the necessary training and tools.'

What's required:

- ✓ Dedicate at least 2-3 hours a week (from approximately 8 July to 15 August) to visit, phone and report on businesses in your allocated category
- ✓ Remain unbiased in your judging duties
- ✓ Agree to complete judging designated to you by the due date
- ✓ Use a computer to record judging results
- ✓ Provide constructive feedback that businesses can use to improve their customer service standards
- ✓ Keep all judging results and processes confidential

Tamworth Business Chamber will host an orientation evening next month (late June) for all judges so that you can feel confident of your role and responsibilities.

Business operators intending on entering the Awards can still volunteer to judge with the understanding they will not be allocated any related award categories.

To register your interest as a Quality Business Awards Judge, please contact Christine Murphy during office hours via (02) 6766 4810 or email reception@tamworth.org.au by 24 June 2022.
