

# Hanlons Junior CAD Draftsperson

Work Hard, Get Dirty, Do what you love.

Hanlons are looking for a Junior CAD Draftsperson to be responsible for the production of drawings that comply with both Hanlons drawing procedures and specific drawing guidelines and standards. Our future Junior CAD Draftsperson will have enthusiasm combined with a passion for the construction and engineering industry, receiving on the job training and mentoring from our Senior CAD Draftsperson and other leading professionals.

## About the role

An exciting opportunity has arisen for a Junior CAD Draftsperson to join our team on a part-time basis (approx. 2-3 days per week).

A Junior CAD Draftsperson will be responsible for producing drawings that comply with Hanlons drawing procedures and Manual, along with Hanlons Client specific drawing guidelines and standards.

The successful applicant will receive on the job training where necessary and mentoring from the Senior CAD Draftsperson and other leading professionals.

## Key Responsibilities:

Preparation of plans include but may not be limited to:

- Engineering Design for Residential Subdivision
- Engineering Road Design
- Engineering Railway Design
- Deposited Plans
- Ability to read and translate documents such as construction drawings and construction specifications
- Produce work with a high level of accuracy

## Experience:

- Computer literacy and a keen interest in technical drawing
- Exposure to packages such as AutoCad, Civil 3D and Magnet while not required but is highly preferred
- Experience in Microsoft Office, Word, Excel and Outlook
- Completion or undertaking TAFE or similar CAD Technician Course
- Ability to work independently or collaboratively as part of a team
- Strong written and verbal communication skills

## About us

Located in Tamworth, the New England region of NSW, we are within comfortable travelling distance of Newcastle, North Coast, Sydney and Brisbane. With four distinct and stunning seasons combined with affordable living, it's an enviable lifestyle location.

## How to Apply

If you have enthusiasm along with a passion for the construction and engineering industry we would like to hear from you.

Applications outlining qualifications and demonstrating how your experience and skills match the job requirements are due by **26th March 2021**.

Applications with a cover letter, resume and statement to be submitted by email at [ksmith@hanlonsconsulting.com.au](mailto:ksmith@hanlonsconsulting.com.au)

**For a confidential discussion or to obtain further information please contact Katrina Smith on (02) 6762 4411.**

*Only candidates with the right to work in Australia will be considered for the position.*
