## Has your Committee changed?

As local clubs often change office bearers every couple of years, our records may be out of date. It would be appreciated if you could provide the most up-to-date list of office bearers so that we can continue to keep you informed of future funding and information that may be relevant to your organisation. Please feel free to post, email or fax the below information in a format that is convenient for you. **We would prefer to contact you via email.**
