

# 5th Tamworth Textile Triennial Expressions of Interest

Expressions of interest are now open for the 5th Tamworth Textile Triennial, to be held in 2023. Expressions of interest are encouraged from a variety of disciplines, age groups, emerging artists and established practitioners.

The 5th Tamworth Textile Triennial builds on the tradition of the Tamworth Fibre Textile exhibitions which first began in 1973, showcasing 50 years of contemporary textile artists. There are few events in Australia that can demonstrate such a strong tradition of promoting and sustaining the unique cultural heritage associated with both the history and technology of textile practice.

The 5th Tamworth Textile Triennial will provide a forum to explore current issues and trends in textile practice in Australia. Tamworth Regional Gallery is committed to building the profile of the exhibition and engaging with a wider audience.

SELECTION PROCESS: The selection process will be in three stages:

## **Stage One** | 15 May 2022 – 24 July 2022

A panel will be convened in July 2022 to make an initial selection of artists.

The factors they will consider will include:

- Artistic expression- works that reflect a diversity of cultural ideas
- Collaboration- works that extend practice through an engagement with innovation and technology
- Creative Process- works that question convention through process and technique
- Communication- through playful enquiry, works that employ a rich visual language through narrative and image
- Materiality- works that demonstrate sensitivity to the innate and unique qualities that textiles offer: tactility, structure, surface, colour, attention to detail, pattern, a rich history
- Interrelated- works that move between disciplines, traditions and contemporary.

## **Stage Two** | July 2022

Artists selected in Stage One will be invited to submit a detailed proposal in response to a theme to be determined by the curator. The curator will also arrange a suitable time to visit with artists in their studio.

## **Stage Three** | August 2022

Artists selected for the 5th Tamworth Textile Triennial will be advised in August 2022.

## SHORTLISTING PROCESS for the 5th TEXTILE TRIENNIAL

If shortlisted, applicants will be contacted by the gallery, and curator Carol Mc Gregor will arrange a visit to their studio to discuss their practice and concept for the 5th Textile Triennial.

The 5th Textile Triennial selection panel will then select the final artists for inclusion in the triennial. The artist selected for the exhibition will participate in an online workshop, with curator and gallery staff. This is opportunity to connect with Gomeri country, the Tamworth Textile Collection, the Tamworth Regional Gallery, our community and each other before they commence their 12 month art making for the exhibition.

Artists will receive a fee for their participation in the 5th Textile Triennial, per diem & travel expenses.
