# Welcome to Tamworth Community College

Thank you for choosing to further your education with Tamworth Community College. We welcome you as a valued student and hope you enjoy your time with us.

Tamworth Community College (TCC) is a community-based, not-for-profit, Registered Training Organisation (RTO) delivering high-quality accredited and non-accredited training. TCC is recognised as one of the community's leading local education and training providers. All training offered by the College meets the requirements set by the Australian National Regulator, the Australian Skills Quality Authority (ASQA) and the Australian Qualifications Framework (AQF).

This Student Handbook describes some of the expectations of our students. We ask all students to review and familiarise themselves with this Handbook carefully. If you have questions about anything in this Student Handbook or any aspect of your education with TCC, please don't hesitate to ask your trainer or our other wonderful staff.

We wish you every success during your training and trust that the skills you take away will assist you with your plans and aspirations.

# About Tamworth Community College

#### **Our Mission and Vision**

#### Mission

To transform lives in our community through adult education and training.

#### **Vision**

As an organisation, we share the conviction that training enriches lives. We aim to offer innovative, flexible and engaging training opportunities that support and inspire people from all ages, backgrounds and skill levels.

We are committed to equipping people with the underpinning skills and knowledge they need to build their confidence, unlock their potential, seize opportunities to be involved in our community, gain meaningful employment, or achieve career progression.

#### **About the Organisation**

TCC is a community-based, not-for-profit, Registered Training Organisation (RTO) and registered charity. Furthermore, we are a recognised Adult and Community Education (ACE) provider supported by Training Services NSW (a division of the Department of Education). TCC is governed by a voluntary Board and managed independently to other Colleges around the region and nation.

TCC has been operating since 1984 under various identities - Tamworth Community Learning, Tamworth Adult Learning Group, and Tamworth Regional Evening College. It became the Tamworth Adult Education Centre in 1992 and Tamworth Community College Incorporated in 2004.

Most courses are held at 175 Peel Street Tamworth, and TCC also uses other venues where appropriate. TCC has offered accredited courses under the Australian Quality Training Framework (AQTF), VET Quality Framework (VQF) and Australian Qualifications Framework (AQF) since 1994.

#### **Our Commitment to Quality**

TCC is committed to excellence and consistent standards of service. We have a comprehensive set of policies and procedures to ensure a consistently high quality of service in all TCC activities. We comply with the Australian Skills Quality Authority (ASQA) requirements, the National Vocational Education and Training Regulator Act 2011, the Standards for Registered Training Organisations (RTOs) 2015, the AQTF and AQF standards, and support the process of continuous improvement.

Our policies and procedures cover the following:

- Organisational planning, quality management and self-assessment
- Our core business, including program planning, development and delivery, as well as learning and assessment for Vocational Education and Training (VET) courses and our general courses program
- Student support
- Administrative support, financial management and premises management
- Marketing and community liaison, and
- Human resources management and development

Our policies and procedures may be viewed within normal working hours at the office.

# Campus Information and Safety Information

#### Access to the Tamworth Campus – 175 Peel Street

#### 1. Pedestrian Access

Student access to the Tamworth Campus building is available via the reception door on the Peel Street side. The rear door of the building is for employee use only.

#### 2. Car Parking

The car park for the Tamworth Campus is off Peel Street and can be accessed as you travel north (towards Manilla). Parking is provided onsite in a parking area shared with the premises on the corner of Peel and Jewry Streets. There is one signposted disabled car space, three signposted TCC Trainer car spaces and eight undercover staff car spaces in the parking area. The TCC Trainer car spaces are for teaching trainers only, while the undercover parking is for administration staff only (7 am – 6 pm, Monday to Friday). Parking is only permitted where designated parking spaces are marked. If the car park is full, we recommend students park along Peel Street or the nearby side streets.

#### 3. Public Transport

Buses operated by Tamworth Buslines service the Tamworth Campus area. Route 430 passes our premises on Peel Street, and the closest bus stop is located near St. Andrews Retirement Village on Tribe Street. For more information on the bus services available, visit www.tamworthbuslines.com.au or phone 02 6762 3999.

Tamworth Radio Cabs Cooperative Ltd operates the local taxi service. Bookings can be made by calling 02 6766 1111 or 131 008.

#### Work Health & Safety, and Property

TCC is committed to providing a safe working and studying environment and observes its responsibilities for Work Health and Safety including the suitability of premises and equipment for student use. A review of the conditions of premises and equipment TCC uses is undertaken regularly, and a report on items requiring attention is provided to the Chief Executive Officer.

As far as practicable, students are provided with comfortable and appropriate furniture and equipment in good condition, effective lighting, heating and ventilation. Exits and fire escapes should be easily accessed and opened from the inside. Electrical equipment, work areas and materials storage are regularly checked for safety.

At the commencement of every course, students will be advised of the location of toilets, first aid kits and fire extinguishers and informed of the evacuation procedure to be followed in case of a fire or another emergency. An evacuation plan is in all classrooms and the reception area of the College building in Tamworth.

Staff and students are expected to exercise proper care of TCC's property, leased premises, equipment, and materials.

Your trainer or another staff member should be advised as soon as possible in the following instances:

- There is any loss of property belonging to TCC, staff or students
- There is any damage to TCC premises, equipment or materials
- Any hazard is identified with TCC property
- Any incident or accident involving a member of staff or student
- Any other situation is identified that could adversely affect TCC, its staff or students.

#### Personal Protective Equipment (PPE) and Clothing

Students may be required to wear personal protective equipment and/or clothing while undertaking some courses. Examples of this may include safety glasses, gloves, earplugs etc. Where TCC does not provide PPE (e.g. enclosed shoes), students will be notified at confirmation of enrolment. Students will not commence the practical activity if they fail to wear the required PPE.

#### **Incidents and Emergencies**

All staff members are trained in implementing TCC's emergency management plan, with emergency drills conducted throughout the year. In an emergency, all students must act as directed by the Emergency Warden or staff member. If directed to evacuate, follow the Evacuation Procedure detailed below.

#### **First Aid and Ambulance Cover**

All TCC staff undertake first aid training and can provide first aid assistance. First Aid kits are located in the kitchen and reception area. A defibrillator is located in the kitchen. Students are advised to report all injuries to their trainer or a staff member.

Any ambulance transport required by an individual will be at the injured or ill person's expense.

#### **Evacuation Procedure**

Evacuation procedures are displayed in notices in each classroom and common area. The Evacuation Procedure must be followed in the event of a fire or other emergency. Students will be advised at their first class of the location of fire extinguishers, fire exits and assembly points.

#### **Evacuation Procedure**

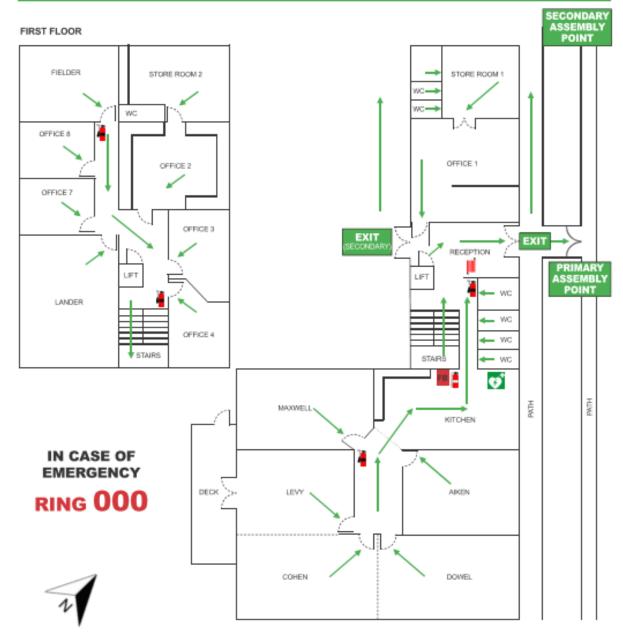

- 1. On hearing an evacuation alarm or on instruction of the Chief Warden, immediately cease all activity and evacuate the building immediately.
- 2. Assist with the general evacuation if directed to do so.
- 3. Assist any person in immediate danger, only if safe to do so.
- 4. In a fire, do not use the lift to evacuate a building.
- 5. Close doors behind you (do not lock) except in bomb threats.
- 6. Assemble at the Primary Assembly Point or the Secondary Assembly Point if this area is unsafe.
- 7. Report to the Chief Warden to be marked as evacuated.
- 8. Remain at the assembly point until direction is given by authorised emergency personnel or the Chief Warden.

#### **Tamworth Campus Map and Evacuation Plan**

# **EVACUATION DIAGRAM**

175 Peel Street, Tamworth, NSW, 2340

#### **EVACUATION PROCEDURE**

- 1. On hearing an evacuation alarm, or on instruction of the Chief Warden, immediately cease all activity and evacuate the building immediately.
- 2. Assist with the general evacuation if directed to do so.
- 3. Assist any person in immediate danger, only if safe to do so. In a fire, do not use the lift to evacuate a building.
- 5. Close doors behind you, (do not lock) except in bomb
- 6. Assemble at the Primary Assembly Point, or, in the event this area is unavailable, the Secondary Assembly Point.
- Report to the Chief Warden to be marked as evacuated.
- 8. Remain at the assembly point until direction is given by authorised emergency personnel or the Chief Warden.

#### IN CASE OF FIRE

Remain calm - remember RACE

Rescue any people in immediate danger (only if it is safe to do so).

Alert others and emergency services

Contain fire and smoke, close all doors and windows to contain the fire (only if it is safe to do so).

Extinguish the fire using appropriate firefighting equipment only if you are trained and it is safe to do so.

## **Rights and Responsibilities**

#### **Code of Conduct**

TCC is committed to helping our students achieve their varied learning objectives and encouraging them to embrace the challenges and opportunities of lifelong learning. This Code of Conduct is designed to outline the principles that underpin our approach to adult education, to address significant features in the relationship between trainer and student and to set out some of the key operating arrangements that need to be observed so that we can continue to provide consistently high-quality courses and support services.

#### TCC is committed to the following:

- 1. TCC staff shall, at all times, act in an ethical manner and with integrity in dealing with all clients and members of the community.
- 2. The student's best interests will be a priority, and students will be treated with dignity and fairness, acknowledging the adult environment in which we operate and the varied experience and life skills that students bring to it.
- 3. Courses and programs will be of high quality and reflect the principles of adult learning. They will recognise and appreciate students' individual needs and learning styles, provide opportunities for negotiated learning and self-directed learning, encourage ongoing evaluation and positive reinforcement, and create an appropriate, relaxed learning environment.
- 4. Trainers will be diligent in preparation, delivery, assessment and evaluation of their courses. They will assess and mark work fairly, without favour, and in compliance with AQF guidelines and other guidelines issued from time to time. Students can request re-assessment if the competency is not achieved the first time (although an additional fee may be required).
- 5. Students are to have access to our courses and services regardless of educational background, gender, marital status, sexual preference, race, colour, pregnancy, national origin, ethnic or socio-economic background, physical or intellectual impairment, and religious or political affiliation.
- 6. People with disadvantages are encouraged to use and benefit from our programs and support services wherever practicable, although access for all disadvantaged people may be limited by financial resources and available facilities.
- 7. The rights of students and others to privacy and confidentiality are respected. The integrity and security of all personal information will be paramount. Personal data shall not be communicated to others without the person's written permission unless it would normally be available to the public or is required by law to be released.
- 8. Staff may not solicit or accept remuneration for, or derive benefit from, carrying out their duties with the organisation other than from salary or other payments the organisation makes to them for that work. In particular, trainers may not take commercial or other advantages of students arising from their participation in TCC programs and courses.
- Trainers will be punctual and well-prepared with adequate copies of notes and/or resources. They will discuss with participants at the first session proposed course outcomes and seek input into the program to ensure they achieve the desired learning outcomes.

- 10. TCC staff will organise and deliver prompt refunds of course fees where applicable.
- 11. Access to a fair system to assist with appeals, complaints and grievances will be provided and treated with confidentiality and respect.

#### In return, students are expected to:

- 1. Respect the rights, privacy and safety of other students and staff.
- 2. Treat other students and staff with dignity, respect and consideration.
- 3. Conduct their studies with honesty and integrity and actively participate in the learning process.
- 4. Respect all facilities, resources and property owned by TCC and our hosts when off campus and leave work and study areas in clean and tidy order.
- 5. Provide accurate, current student information as needed to facilitate the administration, enrolment and assessment process.
- 6. Be open to and welcoming of the diversity of students on campus and respect the rights of other students and staff to have their own opinion.
- 7. Observe designated smoking areas and all other signposted instructions on campus.
- 8. Not participate in any forms of unacceptable behaviour, such as but not limited to bullying, harassment, sexual harassment, verbal or physical violence, vandalism or anti-social behaviour.
- 9. Dress appropriately for the course, including work, health and safety requirements.
- 10. Never attend classes under the influence of drugs or alcohol, nor enter any centre or classroom with drugs, weapons or alcohol.
- 11. Take care of their possessions.
- 12. Pay all course fees.
- 13. Report all injuries or incidents of harassment by another student, trainer or staff member promptly to the Chief Executive Officer.
- 14. Follow Work Health and Safety practices and adhere to directions given by staff or trainers.
- 15. Arrive for class on time, and do nothing to disrupt the class, or prevent staff or trainers from performing their duties.

#### **Student Grievances and Dispute Resolution**

A grievance or complaint occurs when there is dissatisfaction with TCC's courses or services. It becomes a dispute when the complainant does not accept TCC's response.

Students may complain to the trainer in the first instance. The trainer will immediately meet with the complainant and endeavour to resolve the matter. The trainer will complete a Grievance and Dispute Resolution Form detailing the date, name of the complainant, nature of the complaint, the agreed outcome of the meeting and recommending an agreed course of action resulting from the discussion. The completed form will be forwarded to management. The complaint details will be entered into the Continuous Improvement Register.

If the student and management accept the action proposed by the trainer, the trainer's involvement ceases. If the student or management cannot accept the proposal, they will meet with the trainer and Chief Executive Officer to explain the non-acceptance and endeavour to negotiate a mutually satisfactory alternative arrangement. If this fails, the matter will be referred to the TCC Management Committee, and if a resolution at that stage has not been achieved, the complaint will be lodged with the Department of Fair Trading or another appropriate organisation for determination.

Several external RTOs, businesses and community groups utilise TCC's facilities. Students should direct any complaints and grievances pertaining to these groups directly to the RTO, business or group concerned.

#### **Misconduct and Exclusions**

Important information on the conduct of students is contained in TCC's Code of Conduct (above) which all students are required to observe. Any instance of violence, sexual harassment, theft, or the improper use of TCC equipment is considered serious misconduct. Any report of breaches of the Code of Conduct will result in TCC staff taking appropriate action, including an initial conversation between trainer and student and possible exclusion from the classroom.

Students may be excluded from a course if:

- they fail to meet the published requirements for the course
- they fail to pay the course fee without reasonable excuse
- thev are late for class
- the limit to the number of students permitted for the class has been exceeded
- they are disruptive, abusive or violent in class
- they fail to accept any reasonable direction from the Trainer or another staff member

TCC provides an opportunity for a student to appeal against exclusion. Further details in such an instance can be obtained from the trainer or Chief Executive Officer.

If a student believes that TCC has failed to honour its obligations to deliver quality training, they have the right to complete and lodge a Grievance and Dispute Resolution Form for investigation.

#### **Alcohol and Other Drugs**

Students should not be under the influence of alcohol and/or other non-prescription drugs when attending classes at TCC. If a student is suspected of being under the influence of alcohol and/or drugs and is disruptive or troublesome, management will remove the student from the grounds. If there is a risk to the person/s, other students, or TCC staff of injury, the Police will be called in the first instance before attempting to remove the affected person.

#### **Smoke-Free Policy**

TCC is a smoke-free campus.

#### **Access & Equity**

TCC encourages the enrolment of students, regardless of educational background, gender, marital status, sexual preference, race, colour, pregnancy, national origin, ethnic or socio-economic background, physical or intellectual impairment, and religious or political affiliation.

Students with a disability are asked to identify their disability at the time of enrolment and whether they require any special assistance. TCC will, in most cases, be able to accommodate their needs, e.g. we may change or modify the venue for a course to enable a student with a disability to gain access or use the classroom.

#### **Privacy Policy**

TCC is committed to maintaining the confidentiality, integrity and security of all personal information entrusted to it. Accordingly, staff and trainers will respect the rights of students to privacy and shall not communicate personal information to others without the written permission of the person concerned unless it is to be given to an authorised member of staff in the normal conduct of their duties, would normally be available to the public, or is required by law to be released.

Information collected about students includes the date of birth, country of birth, residential status, schooling level, language spoken at home, disability status, Aboriginal or Torres Strait Islander status, the level of education completed, and the reason training has been undertaken. We are required by the State and Federal Governments to collect data on all our activities and participants in accordance with the Australian Vocational Education and Training Management Information Statistics System (AVETMISS). We submit this information annually to the Adult and Community Education (ACE) Unit within the NSW Department of Industry. This information and any assessment outcomes are stored for 30 years.

The statistical information, including your details and course outcomes, will be made available to ACE or other government agencies requiring the information by law. The government will use the information supplied by TCC for research, statistical analysis, program evaluation, post-completion surveys and internal management purposes. By signing the TCC enrolment form, students consent and declare their agreement to the use of the information for these purposes.

Employee and student telephone numbers and addresses will not be given out at any time except for providing class roll information for trainers at the commencement of classes or if requested by management. Student information is solely to communicate with students concerning the trainer's teaching obligations. The information will not be released to a third

party without the student's consent.

Students who want to know what information TCC holds on their student files can access these records by appointment with management. Please get in touch with the office to arrange a mutually convenient time. TCC cannot give out information about other students.

Trainers' phone numbers or addresses will not be given to students who desire contact with the trainer unless the trainer has given permission to do so. However, a student's request to speak to a trainer will be passed on to the trainer by a staff member.

#### **Proof of Identity**

Some courses offered at TCC require '100 points of identification' to be produced before the course commences, while all accredited courses require a form of photo ID to be produced at enrolment. Students will be informed upon enrolment if they are undertaking a course with either of these requirements. If you are unsure what forms of identification are acceptable, please speak to the student support staff before the course commencement date.

#### **Unique Student Identifier (USI)**

All students undertaking nationally recognised training will need a USI from 1 January 2015. RTOs cannot issue a qualification or Statement of Attainment for training completed after that date without collecting a USI. Students can obtain their USI by visiting <a href="www.usi.gov.au">www.usi.gov.au</a>. TCC student support staff are available to assist students with this process.

#### **Change of Personal Details**

Please promptly notify administration of any change in your name, address, telephone number, email address or employer (if apprentice/trainee). Failure to provide such information may result in certificates being posted to an incorrect address.

# **Important Information**

#### **Enrolment**

Our student support officers and training team provide specialist support, guidance, and advice to assist students in finding the course to achieve their educational and career dreams.

Our team can assist you to:

- Select the course to suit your personal experience and skill level
- Customise the delivery mode to suit your preferred study method and availability
- Access required support and guidance throughout your training
- Plan for future education and employment

All students enrolling into a course via e-learning must have access to a computer and the internet. Students will also be provided with the Tamworth Community College e-Learning Handbook and appropriate support during their e-learning course from their Trainer.

#### Assessments

For nationally recognised qualifications or units of competency, you will be required to successfully complete assessments as a part of your chosen course.

Your trainer will provide you with the details of the required assessments.

#### **Payment of Course Fees**

All enrolments are considered tentative until the course fees are paid. Payment of the full (or concession) fee is required on enrolment or at least one week before the course commencement date. If fees are to be invoiced to an employer or agency, a purchase order must be submitted to the office upon enrolment.

For courses costing more than \$1,000, no more than \$1,000 from one individual student will be accepted before the course commencement date. Upon course commencement, the remaining amount will be invoiced.

TCC acknowledges that particular courses may be a significant monetary outlay for some people and will ensure no student enrolled in a course is unfairly disadvantaged or discriminated against because of their circumstances. A payment plan or other arrangement may be made; however, an agreement must be reached before commencing the course. Students struggling with their agreed payment plan should contact the office staff immediately.

Any student with outstanding debt will not be eligible to receive a Certificate, Statement of Attainment or enrol in any other courses until payment is made in full.

#### **Student Concessions**

Students who receive one or more eligible Commonwealth benefits or allowances at the time of their enrolment may be eligible to pay a concession fee rather than the full course fee. Eligible benefits include:

- Age Pension
- Austudy
- Carer Payment\*
- Disability Support Pension
- Farm Household Allowance
- Family Tax Benefit Part A (maximum rate)
- Jobseeker Payment
- Parenting Payment (Single)
- Special Benefit
- Veterans' Affairs Pensions
- Veterans' Children Education Scheme
- Youth Allowance
- Widow Allowance

Additionally, reduced fees, or an exemption from fees, may be allowed in cases of genuine hardship. All such requests should be referred to the Chief Executive Officer.

#### **Cancellation of Courses or Closure of Tamworth Community College**

Minimum class sizes have been determined for each course. If a course has insufficient students enrolled one week before the commencement date, the course may be cancelled, and the students enrolled in that course will be notified.

In the highly unlikely event of TCC closing and ceasing to exist, we will endeavour to ensure all our enrolled students are transferred to another RTO that offers the same course in the same location.

#### **Student Refunds and Transfers**

If TCC cancels a course, the student/s will be notified and issued a refund.

TCC cannot accept responsibility for changes in personal circumstances or work commitments. Refunds will only be given when notice of withdrawal/non-attendance is received at least three (3) working days before the scheduled course commencement. Where notice of withdrawal/non-attendance is received less than three (3) working days before course commencement, no refund will be issued, and no transfers will be offered.

In certain circumstances (i.e. illness or death of immediate family), TCC can offer one transfer and credit fees to a later course. A \$50.00 administration fee will apply. A decision will be made on a case-by-case basis.

<sup>\*</sup>The Carer Payment is a specific benefit paid by the Commonwealth; this category does not include the Carer Allowance or Carer Adjustment Pay.

If a student withdraws during a scheduled course that runs longer than six weeks, the student may be eligible for a part-refund. Part refunds are subject to approval from management or the Chief Executive Officer. Consideration will be given to the circumstances of the withdrawal and fees paid up until that point.

#### **Attendance and Absenteeism**

For all accredited courses, it is a requirement that students attend and actively participate in at least 80% of the scheduled course sessions. Where sufficient evidence of competency can be obtained, attendance of less than 80% may be accepted at management's discretion, under the trainer's recommendation.

Students are expected to provide notice of absenteeism where possible before the absence. Trainers are required to notify the TCC Administration of all absences.

#### **Minimum Enrolment Age**

The minimum age for a student enrolled in a course at TCC is 14 years. Enrolment forms for students under 18 must be signed by their parents or guardian. Any school-aged student (17 or under) must obtain permission from their school if enrolling in a course delivered during regular school hours. Regardless of age, students must respect the adult learning environment in which they are participating. TCC adheres to the Child Protect (Working with Children) Act 2012.

#### **Plagiarism and Referencing**

Assignments and other forms of assessment must be your individual and original work. Copying directly from research sources or another student's work, including re-wording or paraphrasing material without acknowledgement, is plagiarism. Plagiarised work will not be accepted and will result in disciplinary action. All material gathered from other sources should be referenced accordingly. Please speak to your trainer if you are unsure how to reference your work.

#### **Student Evaluations and Feedback**

TCC conducts systematic, ongoing student evaluations to assess student satisfaction with its courses and services and to determine whether a course provides the desired outcomes as a basis for future improvement. A standard Course Evaluation Form is used to develop benchmarks and make comparisons.

Course evaluation forms, AQTF Learner Questionnaires and AQTF Employer Questionnaires will be distributed by trainers at the end of your course or posted as appropriate. Students can return the completed evaluation forms to their trainer, place them in the box in the kitchen/dining room or post them to TCC.

Also, students will be invited to provide feedback via the Tamworth Community College online mid-course survey.

Management will advise the trainer if the evaluations indicate areas for improvement and discuss any suggested action.

The Chief Executive Officer, management, or nominated staff may conduct telephone evaluations with students and their supporting workplace.

#### **Issue of Qualifications**

Qualifications for accredited courses are nationally recognised under the Australian Qualifications Training Framework and may provide pathways to further education with ACE, TAFE and Universities. Upon successful completion of all the requirements of a course of study, students are eligible to receive their qualification.

TCC will issue qualifications within 21 days after completion of the course. They may be collected from the office by the student or will be posted to the address provided on the enrolment form.

Statements of Attainment are issued upon successful completion of one or more units of competency in short courses or where a student has withdrawn from a full qualification. They will be issued within 21 days after completing the short course or the withdrawal date.

Reprints of Certificates and Statements of Attainment are available from the office for \$50.

#### **VET Students' Appeals against Assessment**

Students can appeal against an assessment decision. Initially, they should appeal to their trainer and present evidence to justify reassessment. They may nominate another person to be present to act as their advocate. The Trainer will notify management of the appeal and its outcome on the Appeals Form.

If the issue is not resolved at that meeting, a further appeal can be made to the Chief Executive Officer. If the dispute remains unresolved, an appeal can be made to the TCC Management Committee for final assessment review. At each level of appeal, TCC will keep a record of the proceedings.

#### **VET Recognition of Other RTO's Qualifications**

TCC recognises the Qualifications and Statements of Attainment issued by other RTOs in accordance with the requirements of the AQF and the Standards for Registered Training Organisations (RTOs) 2015. Any student seeking recognition should be advised to contact the office immediately. (TCC's Policy and Procedure on Recognition of Other RTO's Qualifications is available from the office).

# **VET Recognition of Prior Learning (RPL) and Current Competency (RCC)**

Recognition is offered to all VET students on enrolment. TCC endeavours to keep the time and cost of the recognition process to a minimum and will assist applicants with information and advice in helping them gather evidence for recognition of their competencies. All applications for recognition should be referred in the first instance to the VET Manager.

#### **VET Students' Course Information**

Information about and access to this Student Handbook is provided to students on enrolment in a VET course. It is also available via the TCC website for non-accredited courses and in hardcopy for some accredited courses.

#### **VET Student Records and Access**

TCC retains student records for 30 years. These records are maintained in accordance with the Privacy Act. Students have the right to access these records and can do so by arranging an appointment.

#### **Learning Support**

The staff and trainers of TCC are here to assist students in achieving their learning goals. Help is available with reading, writing and mathematics. If support needs are requested or identified during the enrolment process, you may be required to attend TCC and meet with a specialist trainer to identify the best support options to complete your training. Extra support or help can be arranged through the course trainer or by contacting the administration team.

Computing course students can access the computer room during business hours when no classes are scheduled; however, trainer support is unavailable, and bookings are required. TCC can also assist you with photocopying, faxing, printing and internet access. There will be a small fee incurred to cover costs.

### **General Information**

#### **Children on Campus**

TCC acknowledges that occasionally there may be the need to bring children onto the campus. While TCC will ensure that no student enrolled in a course is unfairly disadvantaged or discriminated against because of their parental responsibilities, reasonable steps will be taken to protect the study and work environment of others at TCC. Students shall only bring their children onto TCC premises in temporary circumstances, where parents retain the sole responsibility of their children and the children are not disrupting the work or the learning environment for staff and other students. In these situations, the trainer and management must give their approval before the occurrence.

#### Food, Drink and Litter

A kitchen/dining room is provided for the consumption of food and drink. Students are welcome to use all facilities provided, including the fridge, microwave and stove. Tea and coffee-making facilities are provided at \$0.30 per cup. Vending machines containing drinks and snacks can also be found within the kitchen area for student use. However, food and beverages, except for water (in a sealed container), must not be consumed in any classroom as this may cause a health or safety hazard and risk to expensive equipment.

Please ensure all personal litter, such as food scraps, drink containers etc., are disposed of in the bins provided.

#### **Mobile Phones/Personal Music Players**

Mobile phones and personal music players are to be switched off (or in silent mode) at all times during classes. Students are to be considerate of the rights of others always whilst both on campus and at any off-campus activity. Any use of mobile phones or cameras which impinge on the rights of others may result in the suspension or exclusion of the student from TCC for a specific period.

#### **Lost Property**

Any lost or left behind property will be held at the reception area for three months. After this period, any property not claimed will be given to the Police (valuable items) or the Salvation Army Family Store, 186 Peel Street, Tamworth.

#### **Sustainability**

TCC is committed to sustainable work practices. Students are asked to assist TCC in achieving and maintaining a sustainable workplace through the following:

- limiting photocopying and printing
- recycling
- power saving practices in all classrooms
- educating others on the importance of a sustainable workplace

In line with this practice, TCC will provide course materials, where possible, on flash drives. A cost will be incurred if a student requires their course materials to be printed or additional flash drives are needed.

#### Copyright

TCC observes the licence requirements for copying documents under the Copyright Act and the associated guidelines issued by Copyright Agency Ltd.

In broad terms, if the copy is for educational purposes (including for students and staff) and not supplied to anyone for profit, a person may make multiple copies of the following:

- The whole or part of a single article, or multiple articles on the same subject, from a newspaper or periodical
- 10% of the pages in a published work, or one chapter of the work, whichever is the greater, if the edition is more than ten pages in length
- The whole or part of a literary, dramatic, musical or artistic work, other than in a periodical, which is not separately published or cannot be obtained in a reasonable time (six months in the case of textbooks for students and 30 days in the case of other works) at a normal commercial price

Separate provisions relate to reproduction and communication in an electronic form, and, if you are considering any such form of copying or are in doubt about any other aspect of the guidelines, you should consult the Chief Executive Officer for a ruling before copying material.

#### **Training Awards**

Each year, trainers and employers nominate eligible students from TCC for the New England and North West Regional Training Awards and the NSW Training Awards. The awards include the following categories:

- Apprentice of the Year
- Trainee of the Year
- Vocational Student of the Year
- VET Achievement Award for a student with a Disability
- Aboriginal and Torres Strait Islander Student of the Year

These awards recognise and reward outstanding achievement in VET in the New England and North West regions, of which we are proud to be a part. For further information, eligibility criteria and nomination forms, please visit www.gnsd.com.au/about-the-training-awards or <a href="https://www.training.nsw.gov.au/training\_awards">www.training.nsw.gov.au/training\_awards</a>

#### **Need more information?**

Students should approach their trainer if they require further information about their course. If you are still unsure or have unanswered questions, please see management.

Office staff are also more than happy to assist with any questions you may have.

Further information can also be found on our website: www.tamworth.nsw.edu.au

Thank you for studying with Tamworth Community College We hope you enjoy your learning experience!

#### Please return this student acknowledgement to your Trainer

I acknowledge that I have received the Tamworth Community College Student Handbook. I have read and fully understood the contents contained in this Handbook. Further, I confirm that I will comply with the contents of the Handbook and understand that my enrolment as a student may be jeopardised if I fail to comply.
