Tamworth CHILDRENS CONTACT SERVICE

The Children's Contact Service (CCS) offers a variety of services for families experiencing separation.

CCS focusses on the **BEST INTERESTS OF THE CHILD** and they are the main client.

CCS also supports the right of the **CHILD** to have a positive relationship with both parents.

- Service offered up to a maximum of 18 months.
- CCS supports families to work towards a **self-management plan** for their families futures.

“ CO-PARENTING IS NOT A COMPETITION. IT IS A COLLABORATION OF TWO HOMES WORKING TOGETHER WITH THE BEST INTERESTS OF THE CHILD AT HEART. WORK FOR YOUR KIDS AND NOT AGAINST THEM. ”

Dr. Anne Brown PhD, RN CS
