TFSS Vision

Thriving Communities, Endless Possibilities

Mission

We work toward achieving our vision through our purpose, which is to:

1. Strengthen and improve social and personal well-being for individuals, families, and communities;
2. Promote access, equality, and social justice; and
3. Deliver services of quality and value.

TFSS Values

TFSS is supported by a set of values which guide the way we work, make decisions, and provide services.

We define these values as:

- Community: To have a sense of responsibility and contribution
- Leadership: To utilise our position to drive change
- Integrity: To always act with honesty and professionalism
- Partnerships: To work collaboratively to deliver the best outcomes
- Diversity: To accept and appreciate differences

Program and Position Objectives

- The Tamworth Youth Homelessness Support Service will provide client-centred homelessness support services including prevention and early intervention, rapid rehousing, crisis and transition responses, and intensive responses for young people with complex needs, and young parents.
- The Service will identify young people, including young parents, who are at imminent risk of homelessness and support them to remain safely in their existing housing, or where appropriate use a range of approaches to assist young people to secure and sustain safe and stable housing. The Service will ensure young people who become homeless are supported to be rapidly and safely rehoused, and once accommodation has been secured will receive post-crisis support to assist them to maintain the accommodation.
- Services will be delivered from Tamworth, and outreach to outlying communities via collaboration with schools and other agencies who work with young people, such as Juvenile Justice, Health and Headspace will be undertaken when required.
- The young people will also be supported by intensive case management to address the issues that have led to them becoming homeless. Support provided will be based on individual needs with the Service having the capacity to increase or decrease the level of support as needed to enable the young person to stabilise their housing. Pre-exit support planning may also be required for those in institutional settings.
- A key focus of the Service is to ensure young people are supported to access, maintain or re-enter education, training and/or employment.
- The Service must have specialist skills, knowledge, experience, and capabilities to respond to young people and young parents, and their specific needs.
- The Service will identify hot spots where young people are sleeping rough and undertake assertive outreach to link them with appropriate support services, including accommodation, health services and income support as appropriate.

Program and Position Objectives

- The Service will contribute to the Premiers Priority to reducing homelessness by participating in street counts and identify hot spots where people are sleeping rough and undertake assertive outreach to link them with appropriate support services, including accommodation, health services and income support as appropriate.
- The Service will Implement the use of the VI-SPDAT/By-Name-List where appropriate
- The Service will work collaboratively with the community housing provider in streamlining those clients who are referred to the service due to requiring temporary accommodation
- The Service will operate in a cooperative and collaborative service network of community, NGO and government service providers all working in partnership to deliver effective integrated services to people at risk of homelessness or those who are already homeless in the area. The Service will work in an integrated way with local youth homelessness services and other youth and young people’s services in the district.
- The Service will have collaborative arrangements with specialist support services (such as education, training and employment, mental health, drug, and alcohol services) to facilitate access for their clients with complex needs. Service Providers are strongly encouraged to develop partnerships with local social housing providers and their range of products and services.
- Case coordination will be comprehensive and will ensure young people are provided with multiple services that are more intensive than the provision of information and referral only. This may include but is not limited to advocacy, assisted referral and brokerage.
- The Service will provide access to brokerage funding to tailor service responses to the individual needs of clients as part of their case plan, including facilitating the purchase of services (e.g., case worker) and goods (household furniture), or a responsive and timely approach to resolving critical issues to move a client to housing stability.
