

Identity Guidelines

KOCHAVA★

OUR LOGO

These branding guidelines will help you determine the best way to use our logo.

SPACING CONSIDERATIONS

Keep at least a Kochava Star worth of space between the Logotype and other elements.

USE OF OUR BRAND MATERIALS

Please don't use our name, logos, or screenshots ("brand materials") in ways that may be confusing, misleading, or suggest our sponsorship, endorsement, or affiliation. And please don't edit or change the Kochava logo — we like it how it is!

KOCHAVA LOGO COLORS

Kochava Black is #231f20

Kochava Red is #be202e

DO'S AND DONT'S

DO

Where contrast is limited, the logo may be reversed to white

DONT

Add other elements within the suggested spacing

DONT

No overlapping elements or patterns

LOGO USAGE - SOLID

Please use the solid red star when using the logo in instances where the star within the logo is smaller than 30px or 3/8" in height.

KOCHAVA

DO'S AND DONT'S

DO

Use the solid star logo for instances where the logo too small for the faceted version

LOGO USAGE

1. This is the primary version of the Kochava logo for use on white or light color backgrounds. This version, the black type and red star, is preferred.
2. The White logo with red star is preferred for use on dark color backgrounds, as well as dark areas within photographs.
3. The all white logo is preferred for colors contrasting with the Kochava red star.
4. Alternatively both “Kochava” and the star may be white or black depending on the relationship to the background color.
