

IBEXTM

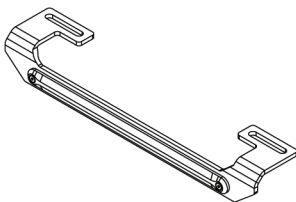

REAR AUXILIARY LIGHT

ASSEMBLY

ASSEMBLY VIDEO

Parts & Tools

(1) IBEX™ Rear Auxiliary Light

(2) M8 x 22

(2) M8 x 12

(2) T-Nuts

(2) Washers

(2) Spacers

(1) M8 Hex Key

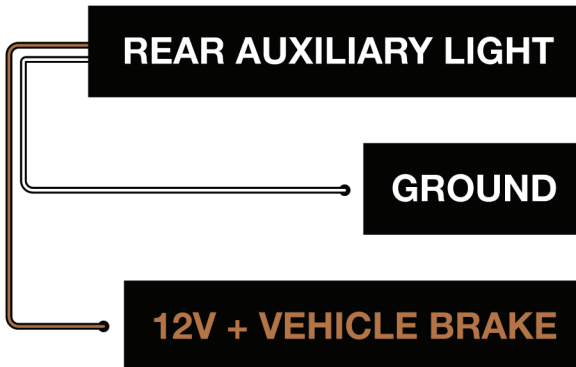

Important Notes & Tips

- 1 We recommend you contact your vehicle manufacturer for specific wiring instructions.
- 2 This accessory should only be attached to 12V electrical systems.
- 3 Periodically check your wiring for proper function of this accessory.

Wiring Diagram

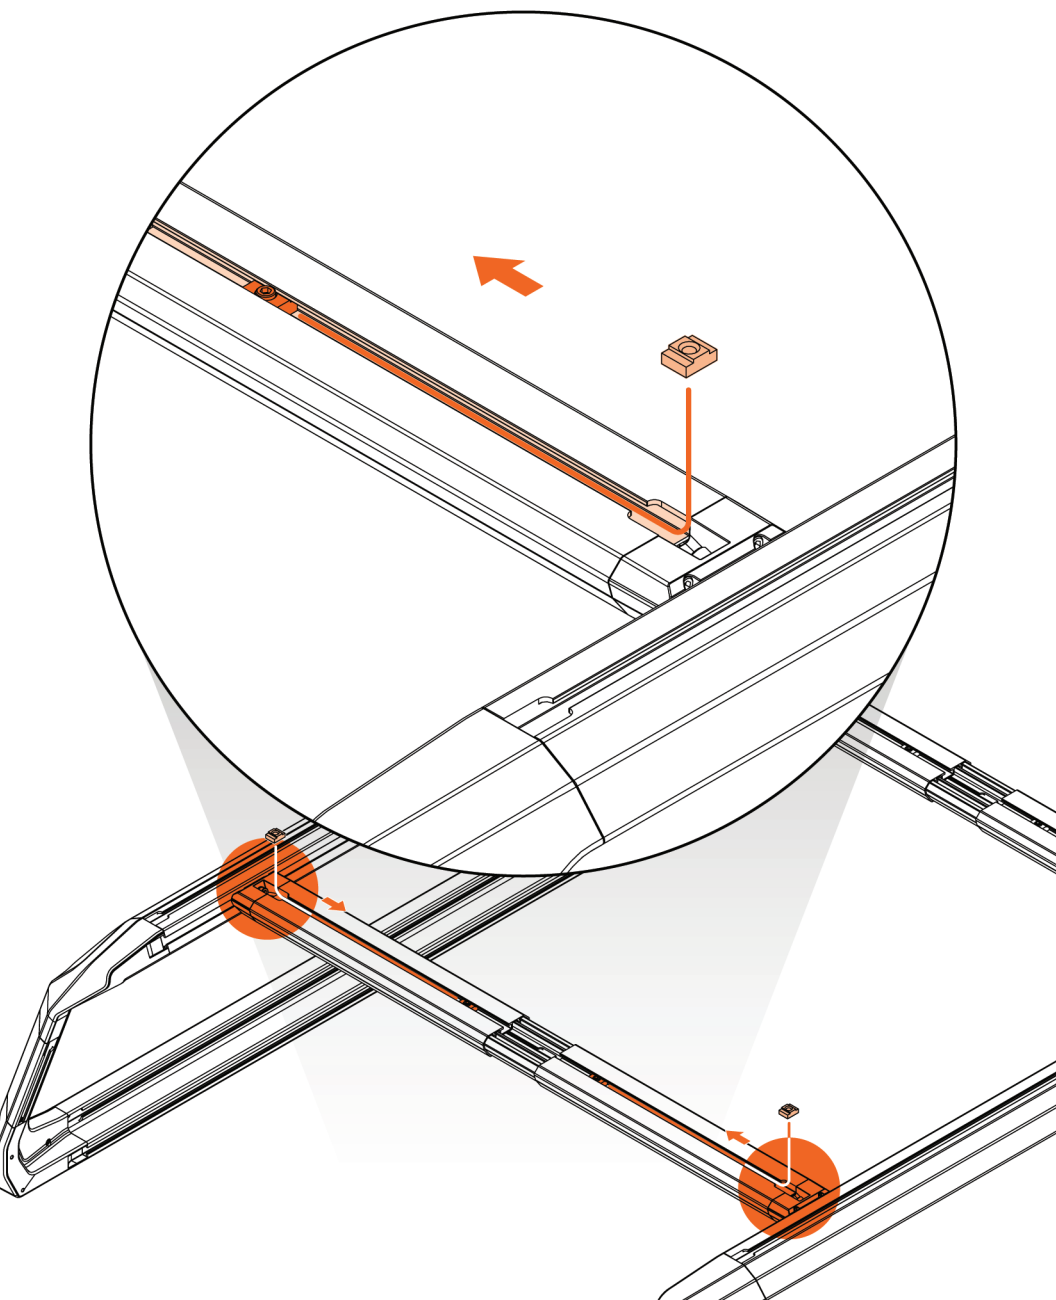

IMPORTANT: Disconnect car battery before attaching electrical wiring.

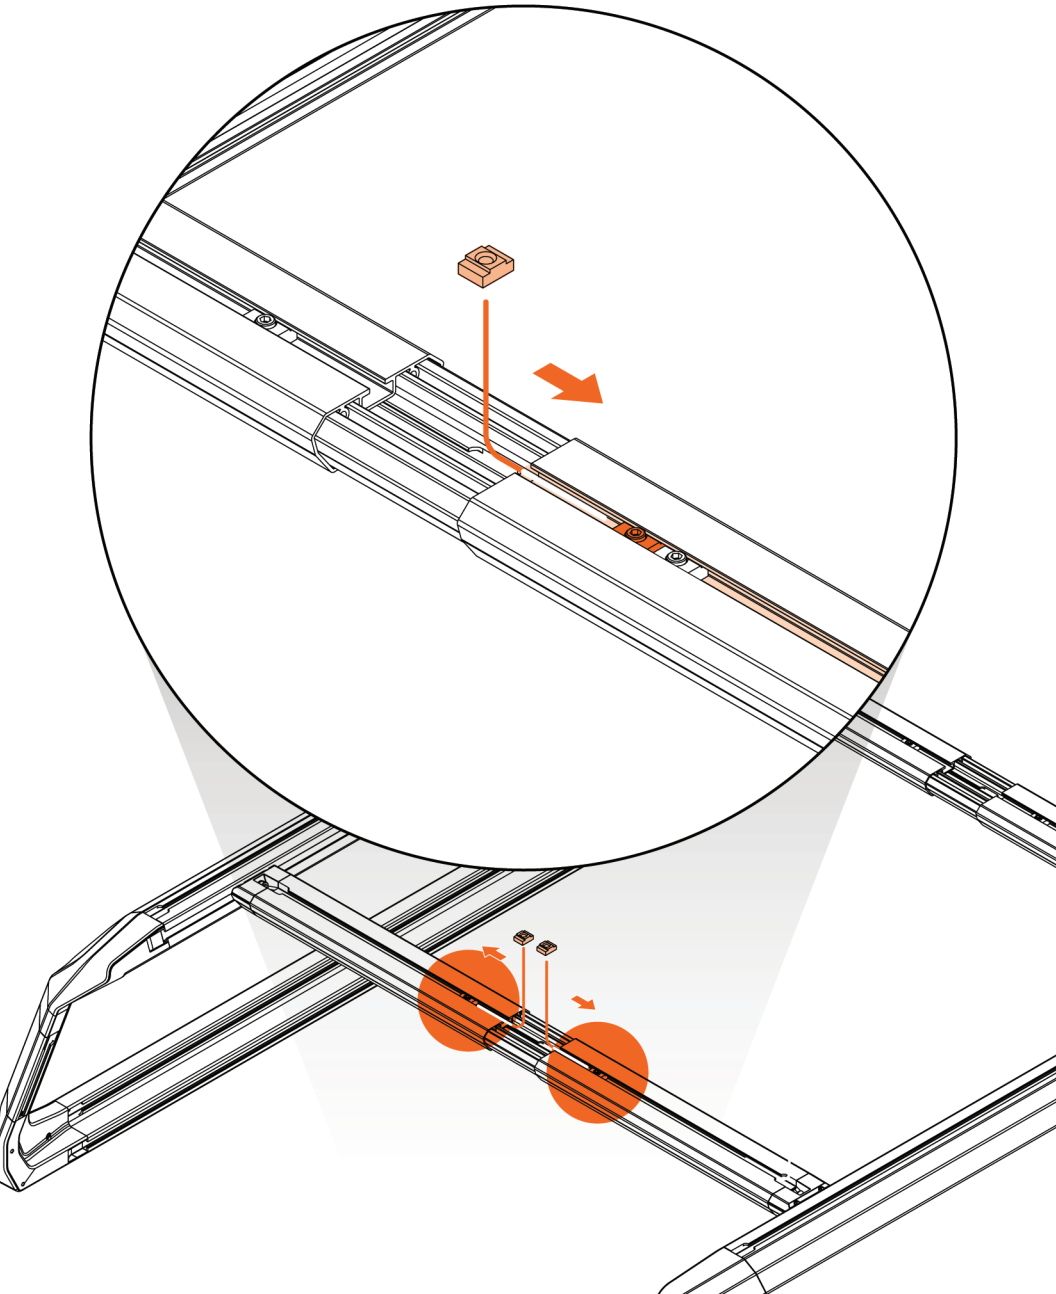

IBEX™ MID SIZE T-Nut Installation

- 1 For installation on a Mid-Size IBEX™, begin by sliding T-Channel Nuts into each end of the Crossbar T-Channel.

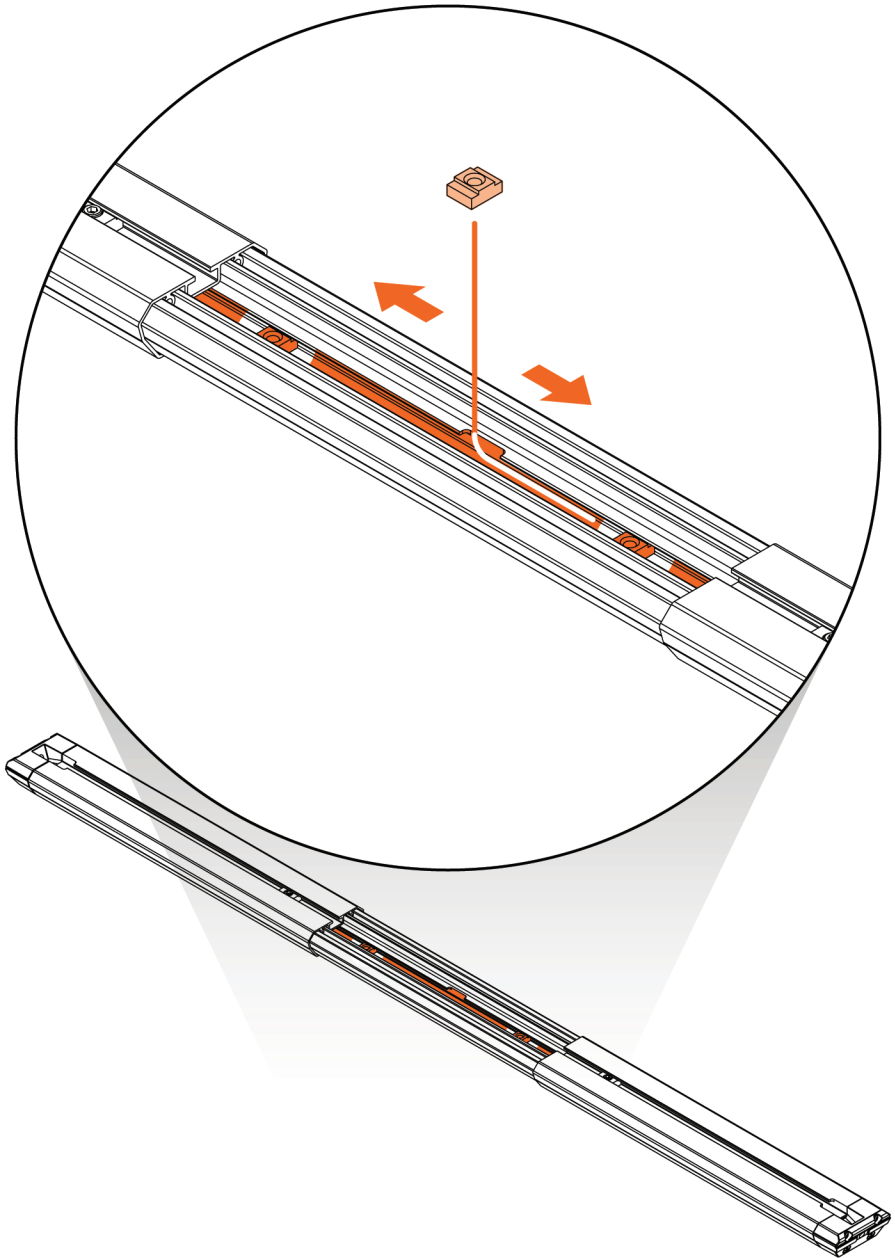

IBEX™ FULL SIZE T-Nut Installation

- 1b For installation on a Full-Size IBEX™, begin by sliding T-Channel Nuts into the center of the Crossbar T-Channel.

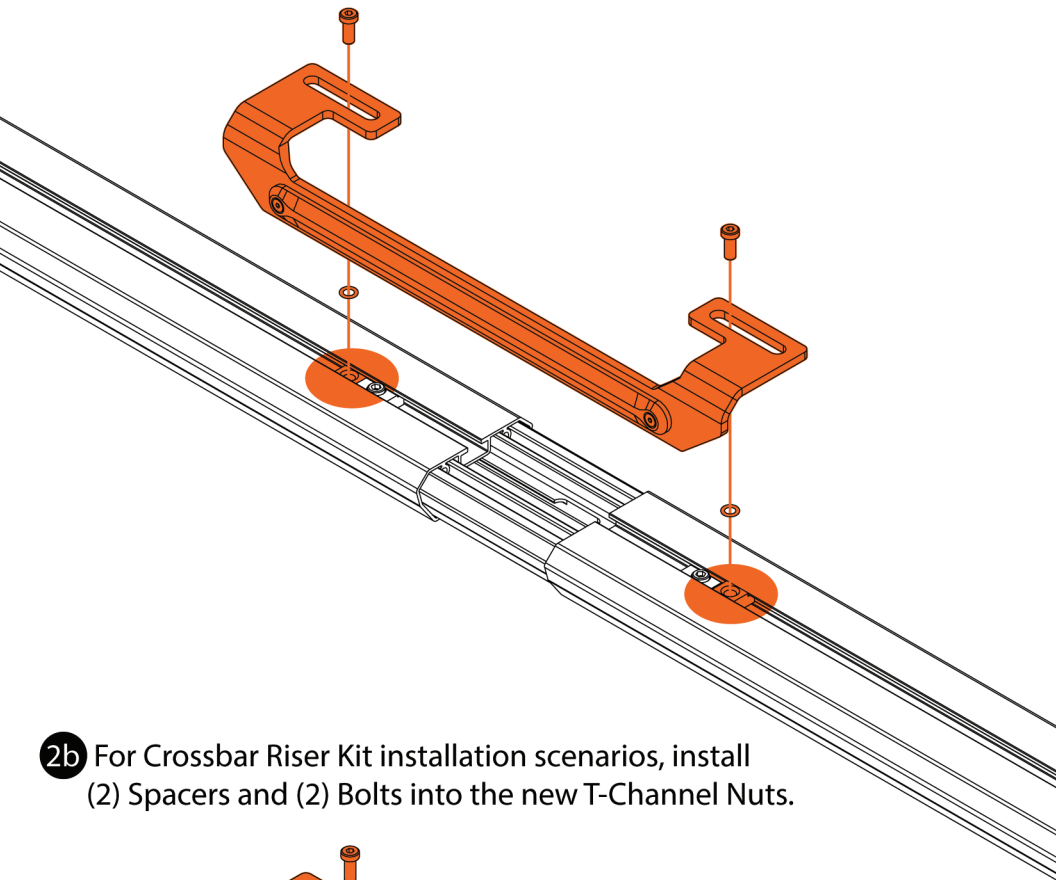

CROSSBAR RISER T-Nut Installation

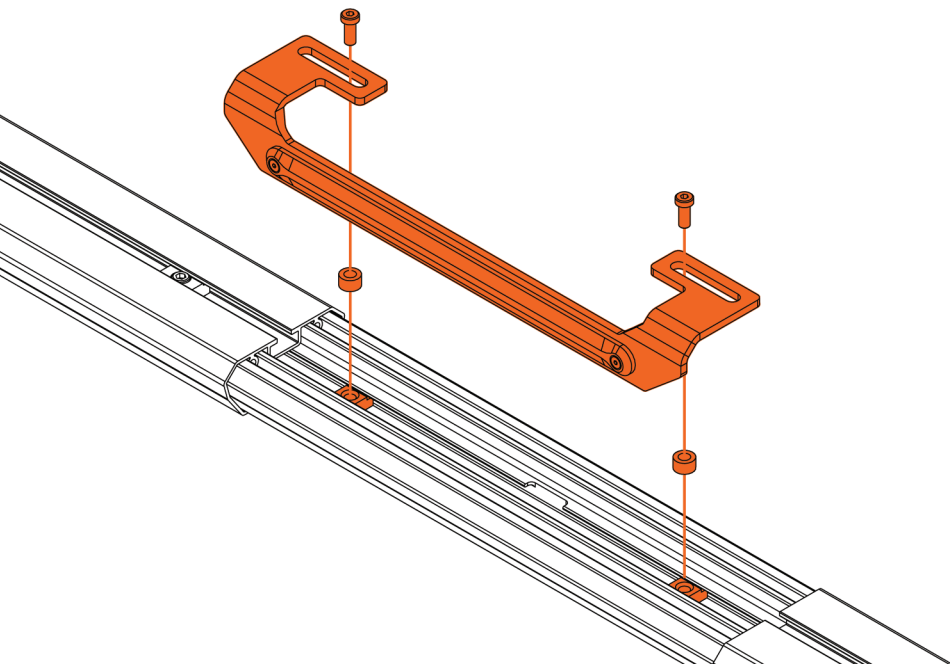

- 1c If utilizing a Crossbar Riser Kit, insert T-Channel Nuts into the right and left side of the lower T-Channel found on the inner Crossbar Sleeve.

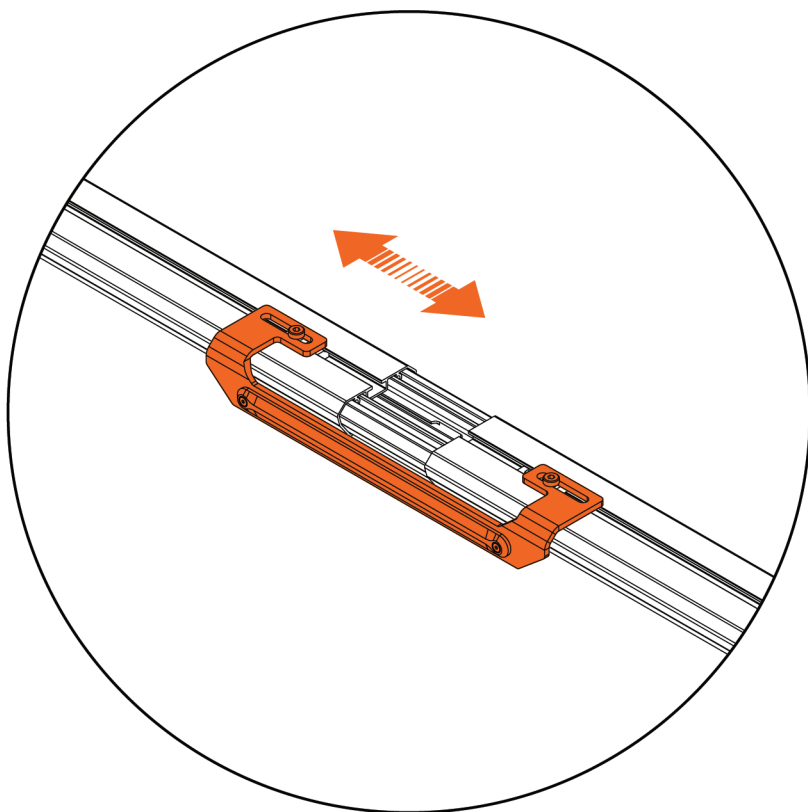

2 Install (2) Bolts and (2) Washers into the new T-Channel Nuts.

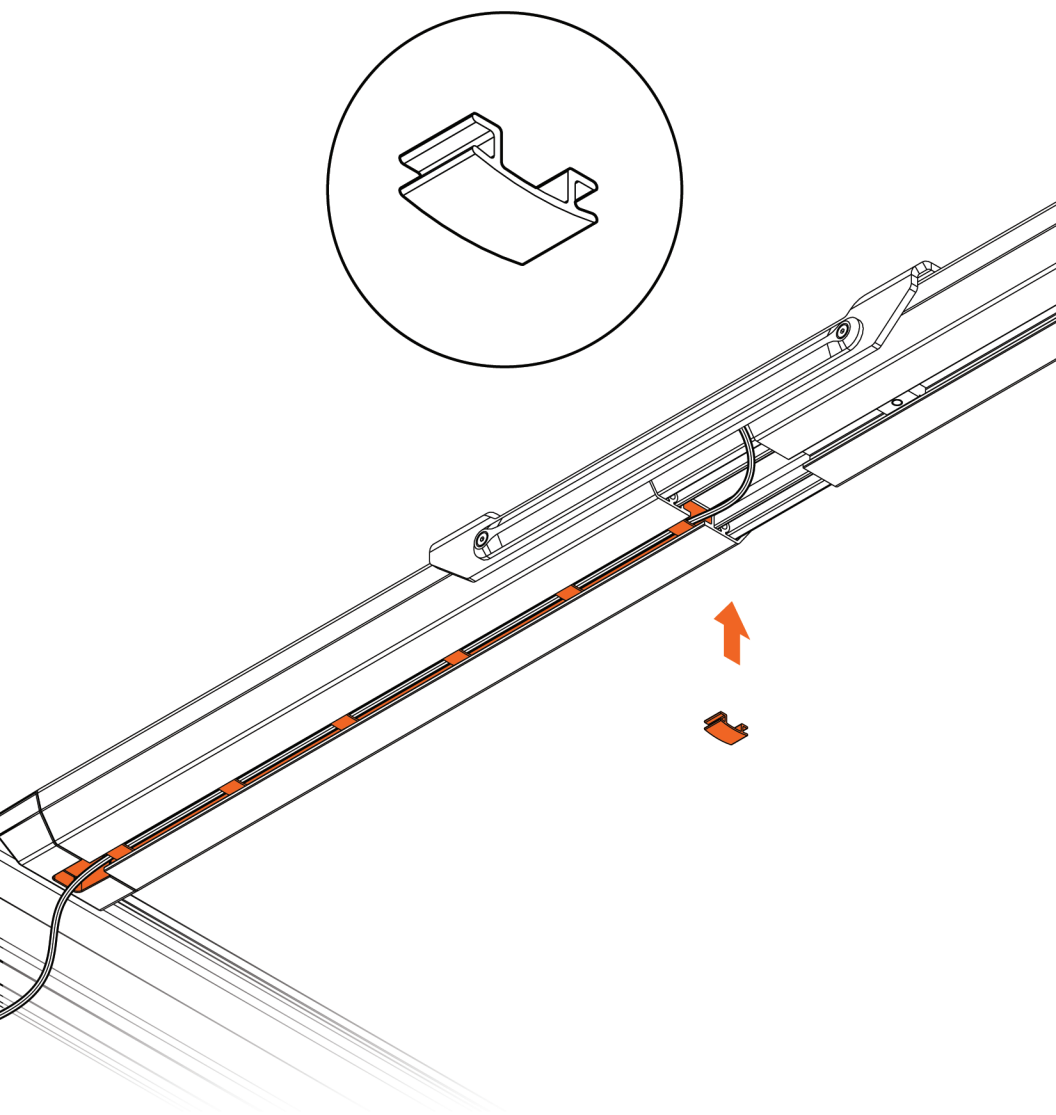

2b For Crossbar Riser Kit installation scenarios, install (2) Spacers and (2) Bolts into the new T-Channel Nuts.

- 3 Ensure Rear Auxiliary Light is centered on the Crossbar, then fully tighten Bolts.

- 4 To aid with cable management, thread the cable through the provided Cable Clips inserted into the T-Channel located on the underside of the crossbar.

- 5 Refer to the Wiring Diagram located at the beginning of this guide and install the Rear Auxiliary Light wiring harness following your vehicle manufacturer instructions for electrical attachment of auxiliary lighting.

Warnings

IBEX™

REAR AUXILIARY LIGHT

WARNINGS

- Follow instructions for proper assembly, installation and use.
- Check tightness of all bolts and screws periodically.
- The IBEX™ Rear Auxiliary Light is only compatible with 12v electrical systems. Application of other voltages may result in damage to the LED light.
- Always disconnect your car battery before attaching electrical wiring.
- Follow vehicle manufacturer instructions for electrical attachment of auxiliary lighting.
- Drive responsibly.

If you have questions or problems, please contact Kūat directly by calling toll free 1(877)822-KUAT, or by email: info@kuat.com

ADVERTENCIAS

- Siga las instrucciones para un montaje, instalación y uso adecuados.
- Verifique periódicamente el apriete de todos los pernos y tornillos.
- La luz auxiliar trasera IBEX™ sólo es compatible con sistemas eléctricos de 12v. La aplicación de otros voltajes puede provocar daños a la luz LED.
- Desconecte siempre la batería de su automóvil antes de conectar el cableado eléctrico.
- Siga las instrucciones del fabricante del vehículo para la conexión eléctrica de la iluminación auxiliar.
- Conduzca con responsabilidad.

AVERTISSEMENTS

- Suivez les instructions pour un assemblage, une installation et une utilisation appropriés.
- Vérifiez périodiquement le serrage de tous les boulons et vis.
- Le feu auxiliaire arrière IBEX™ est uniquement compatible avec les systèmes électriques 12 V. L'application d'autres tensions peut endommager la lumière LED.
- Débranchez toujours la batterie de votre voiture avant de brancher le câblage électrique.
- Suivez les instructions du constructeur du véhicule pour la fixation électrique de l'éclairage auxiliaire.
- Conduisez de façon responsable.
