Why San Diego?

San Diego is a safe and modern city. It was chosen as the second safest large city in the US.

This city loves diverse cultures and ethnicities and has been rated the "most gorgeous beaches", for surfers, San Diego is a heaven.

There are events every week and every month! Such as Comic-Con International, Pride Parade, Cinco de Mayo, County Fair, Fourth of July Celebrations and many others.

San Diego County spans from the Pacific Ocean, to the mountains and desert environments on the eastern edge of the county.

Sunny San Diego

America's Finest

The main attraction in San Diego is the weather. The average daytime temperature is 70 degrees Fahrenheit. Most days are sunny. Winter temperatures rarely fall below 39 degrees Fahrenheit.

In addition to over 70 miles of beaches, the city is also home to the historical site of Old Town State Park, the world-renowned San Diego Zoo and Wild Animal Park, Sea World, and centrally located Balboa Park.

San Diego is also a rich and diverse cultural mecca with a heavy emphasis on the performing arts.
