

YouCademy

Quality Education.
Tailored specially to you

Learn Better

YouCademy utilizes core principles of the science of learning to create long-term knowledge

Creating Equal Opportunities

Your personal virtual teacher, with endless patience and dedication. Accessible for everyone.

Seamless integration

YouCademy is built to teach, not to make profit. Schools can integrate us into their own platform with our API

YouCademy.dev

Tell us what you want to learn and we will create a narrated slide-deck including informative figures and images in mere seconds.

Something unclear? Let us know and we will elaborate on exactly what you are struggling with

Our Approach Works

Slide Deck Presentations are proven to be more effective and get students more enthusiastic and involved compared to traditional textbooks

95%

Of studied students said that slide deck presentations create interest in learning¹

95%

of studied students desire that teachers should use slide presentations for teaching.¹

81.66%

of studied students say that they remember the studied topic better through slide presentations.¹

A big step towards eliminating educational inequality

Always Available

No more waiting on teachers or scrolling on Youtube. Get quality help when you need it. Is it still hard to understand? Let us know and we will take a different approach.

Accessible around the globe

We support 25 major languages with many more to come, allowing us to teach virtually everyone in their native language

One Size Fits **You Education**

After telling us your professional role, all presentations will be tailored to make sense in your own field

Seamless integration for educational institutions

Use YouCademy on your platform

We are here to help your students learn. Imagine a help button on your platform, providing students with unlimited explanations when they are stuck!

Dont Hate AI, Benefit From It

AI in education can be life-changing. We are changing ChatGPT's use by students: from looking up answers, to learning the concepts.

Next Steps

Because we are far from finished

Implement Practice Testing

Generating entire courses

Entertainment industry & storytelling
