PROBLEM

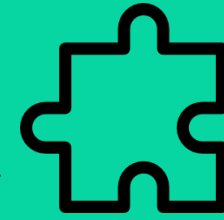

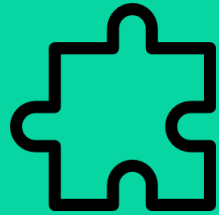

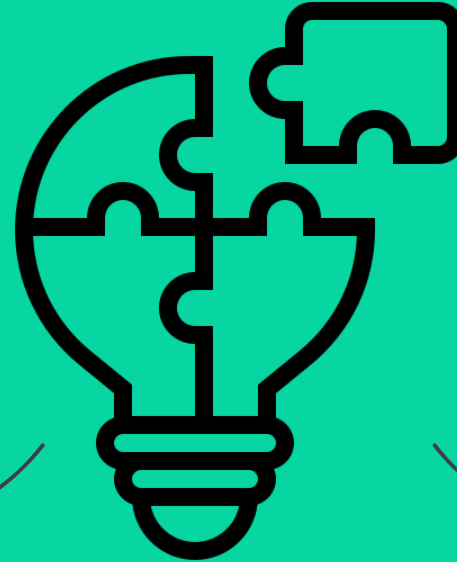

SOLUTION

Multilingual

Affordability

Expertise

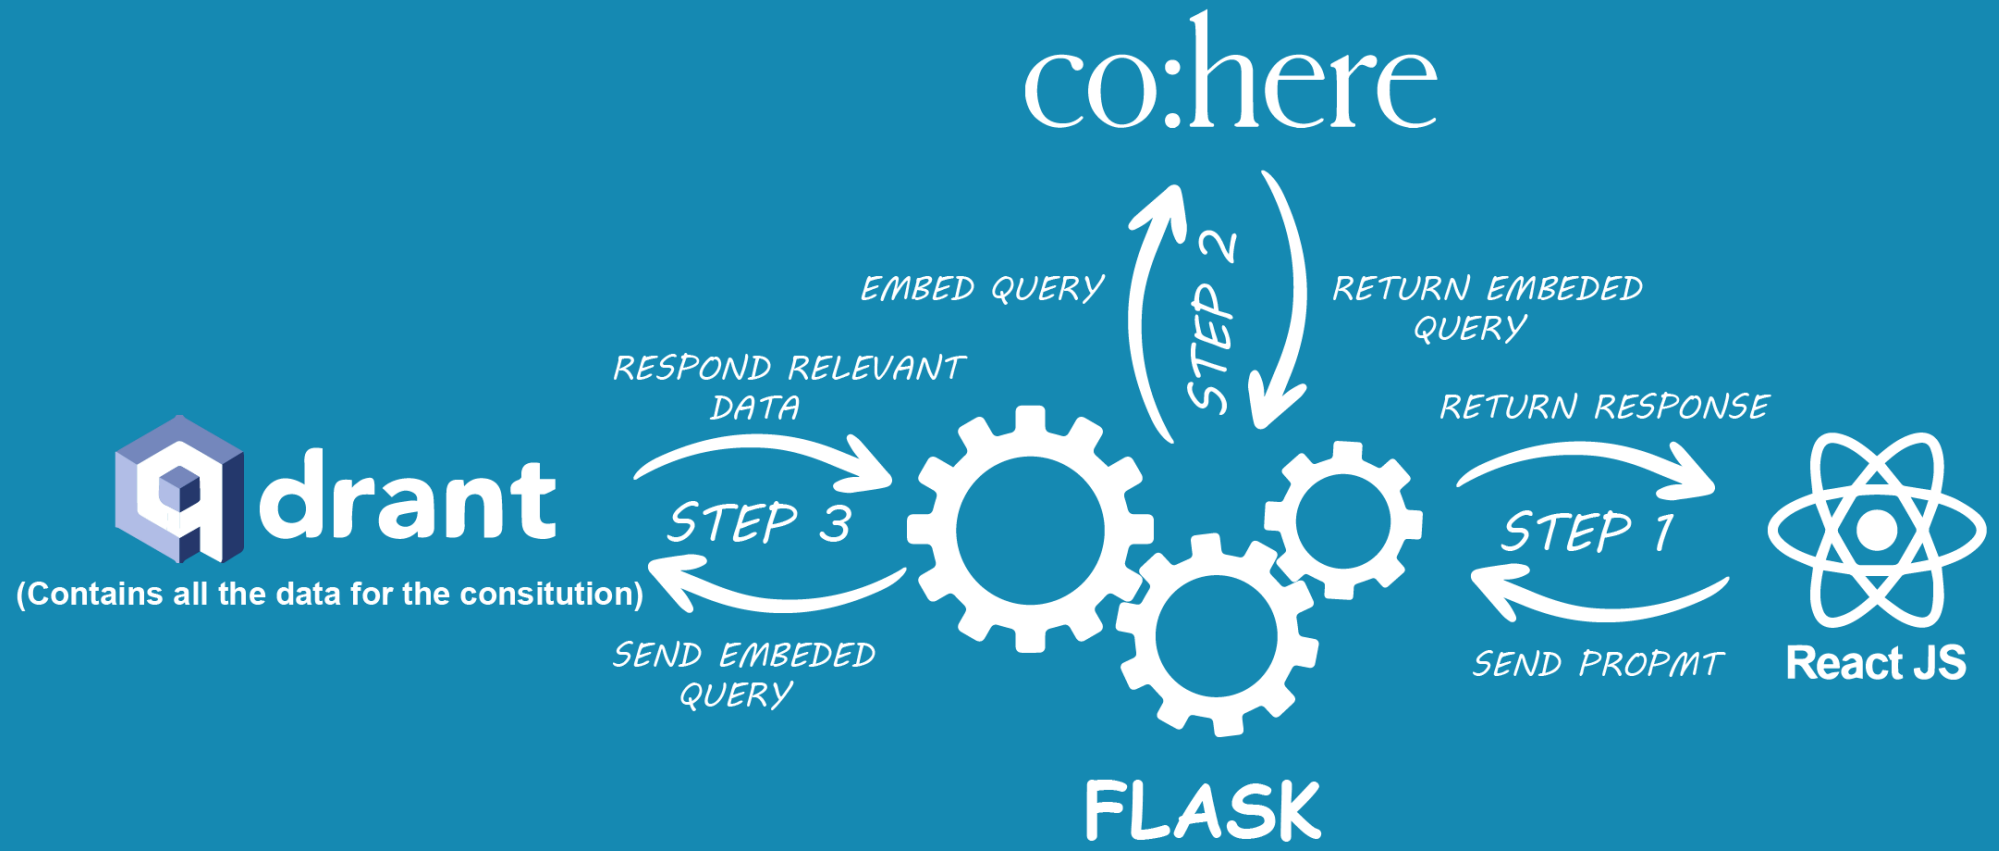

Convenience

The legal consultation website is an online platform that provides legal advice and guidance to clients through a chat feature.

SYSTEM DIAGRAM

FUTURE WORK

Accuracy

Provide more precise results

Speed

Improve the response times

More Languages

Add more languages support

More Countries

Add more countries constitution

THE TEAM

We are a group of talented and enthusiastic students with a passion for programming, designing, problem-solving, and all things tech. We are always excited to take on new challenges and push the boundaries of what's possible with technology.
