DIGITAL INTERVIEW REPORTS

Build and share digital reports amongst your peers for **unbiased hiring** and **faster decision making**.

Intro Video

Have a detailed list of all the candidates info, including their intro video.

Score

A high level look at the candidate's overall score and breakdown vs others in the market.

Interview Results

See all the questions and results. Filter multiple choice to written answers.

25

You scored 25 out of 100

Let's work on your score! We've broken down the details of your score based on the criteria below. Try aiming for 50 (or above) on your overall score.

Energy Low

Your energy is a bit too low. Spark some enthusiasm by speaking louder and smiling while you record.

30/100

Delivery Conversational

Your delivery was too conversational. Let your passion shine through by emphasizing words and phrases that showcase your excitement.

MockAI Interview Report Card

Total Score
Cumulative report of your confidence and emotion.

Positive Emotion
Friendliness, positivity and amiability of the candidate.

Composure
Signs of nervousness shown through body language.

Engagement
How the candidate put himself/herself forward.

Great job, John!
