Rodrigo Segura

Ignacio Zúñiga

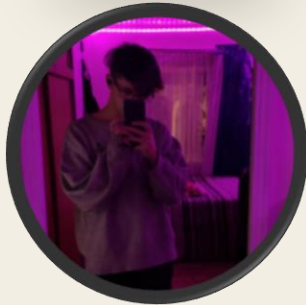

Matías Reveco

Benjamín Charnock

Luciano González

Sergio González

Matías Contreras

Bruno Portales

Nicolás Trejos

Why wwe
decide to
be here?

01 IA implementation

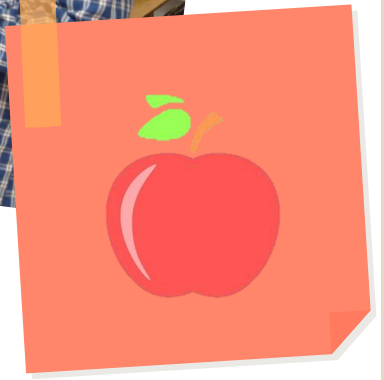

02 Expand our knowledge

03 Be part of the innovation

04 Do something diferent

The Project

Making solutions with IA to help teachers with their classes and organization

What does this mean?

A teacher in Chile can dedicate between 5 and 15 hours per week of free time to set up classes, review tests and assignments
