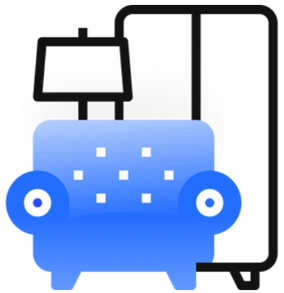
SPACELY AI
Interior design a room from the furniture you love.

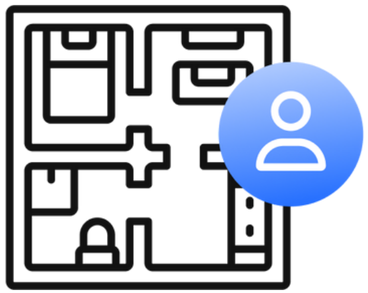
Problem

I found the perfect furniture but...



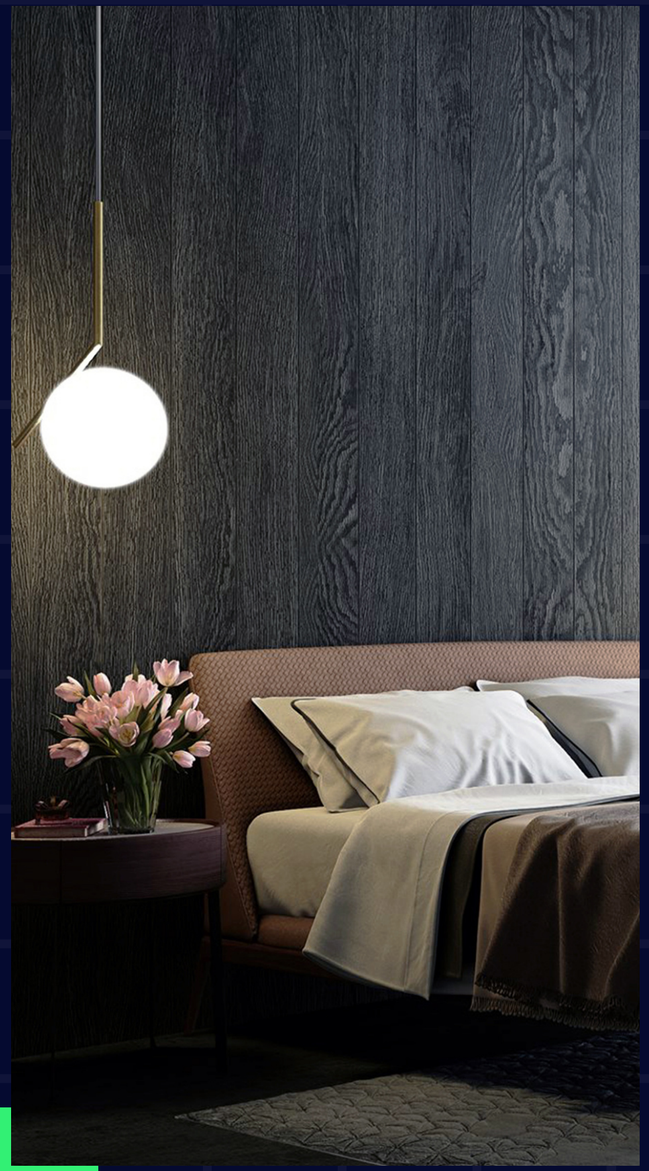
Finding complementary furniture set to buy is hard.

Outfitting furniture to my space based on the style and fit is hard.



Mix and match from different brands and be on budget is a pain.

SPACELY AI



Our Solution

Outpaint your room from your favorite furniture.

SPACELY AI

Solution

How to use

1. Select room type
2. Select style
3. Upload furniture image.
4. Click Generate
5. Regenerate
