User-Friendly Input

StudyConnectAI

- **Keywords:** Specify your desired language or topic, like "learning French."
- **Study Frequency:** Choose how many times per week you want to study.
- **Study Duration:** Determine the number of months you want to keep studying.
- **Study Intensity:** Define the number of hours per day you want to dedicate to studying.
- **Level:** Select your proficiency level (beginner, intermediate, advanced).

The image shows a smartphone screen displaying the StudyConnect AI user input form. The form is titled "StudyConnect AI" and features a circular logo with a hand interacting with a digital interface. Below the logo, the form consists of several input fields and dropdown menus, each with a corresponding instruction:

- Keywords:** "Specify your desired language or topic, like 'learning French.'" followed by a text input field.
- Study Frequency:** "Choose how many times per week you want to study." followed by a dropdown menu showing "One Day".
- Study Duration:** "Determine the number of months you want to keep studying." followed by a text input field.
- Study Intensity:** "Define the number of hours per day you want to dedicate to studying." followed by a text input field.
- Level:** "Select your proficiency level." followed by a dropdown menu showing "Beginner".

At the bottom of the form is a blue "Submit" button. Below the button are social media icons for Facebook, Twitter, LinkedIn, and Email.

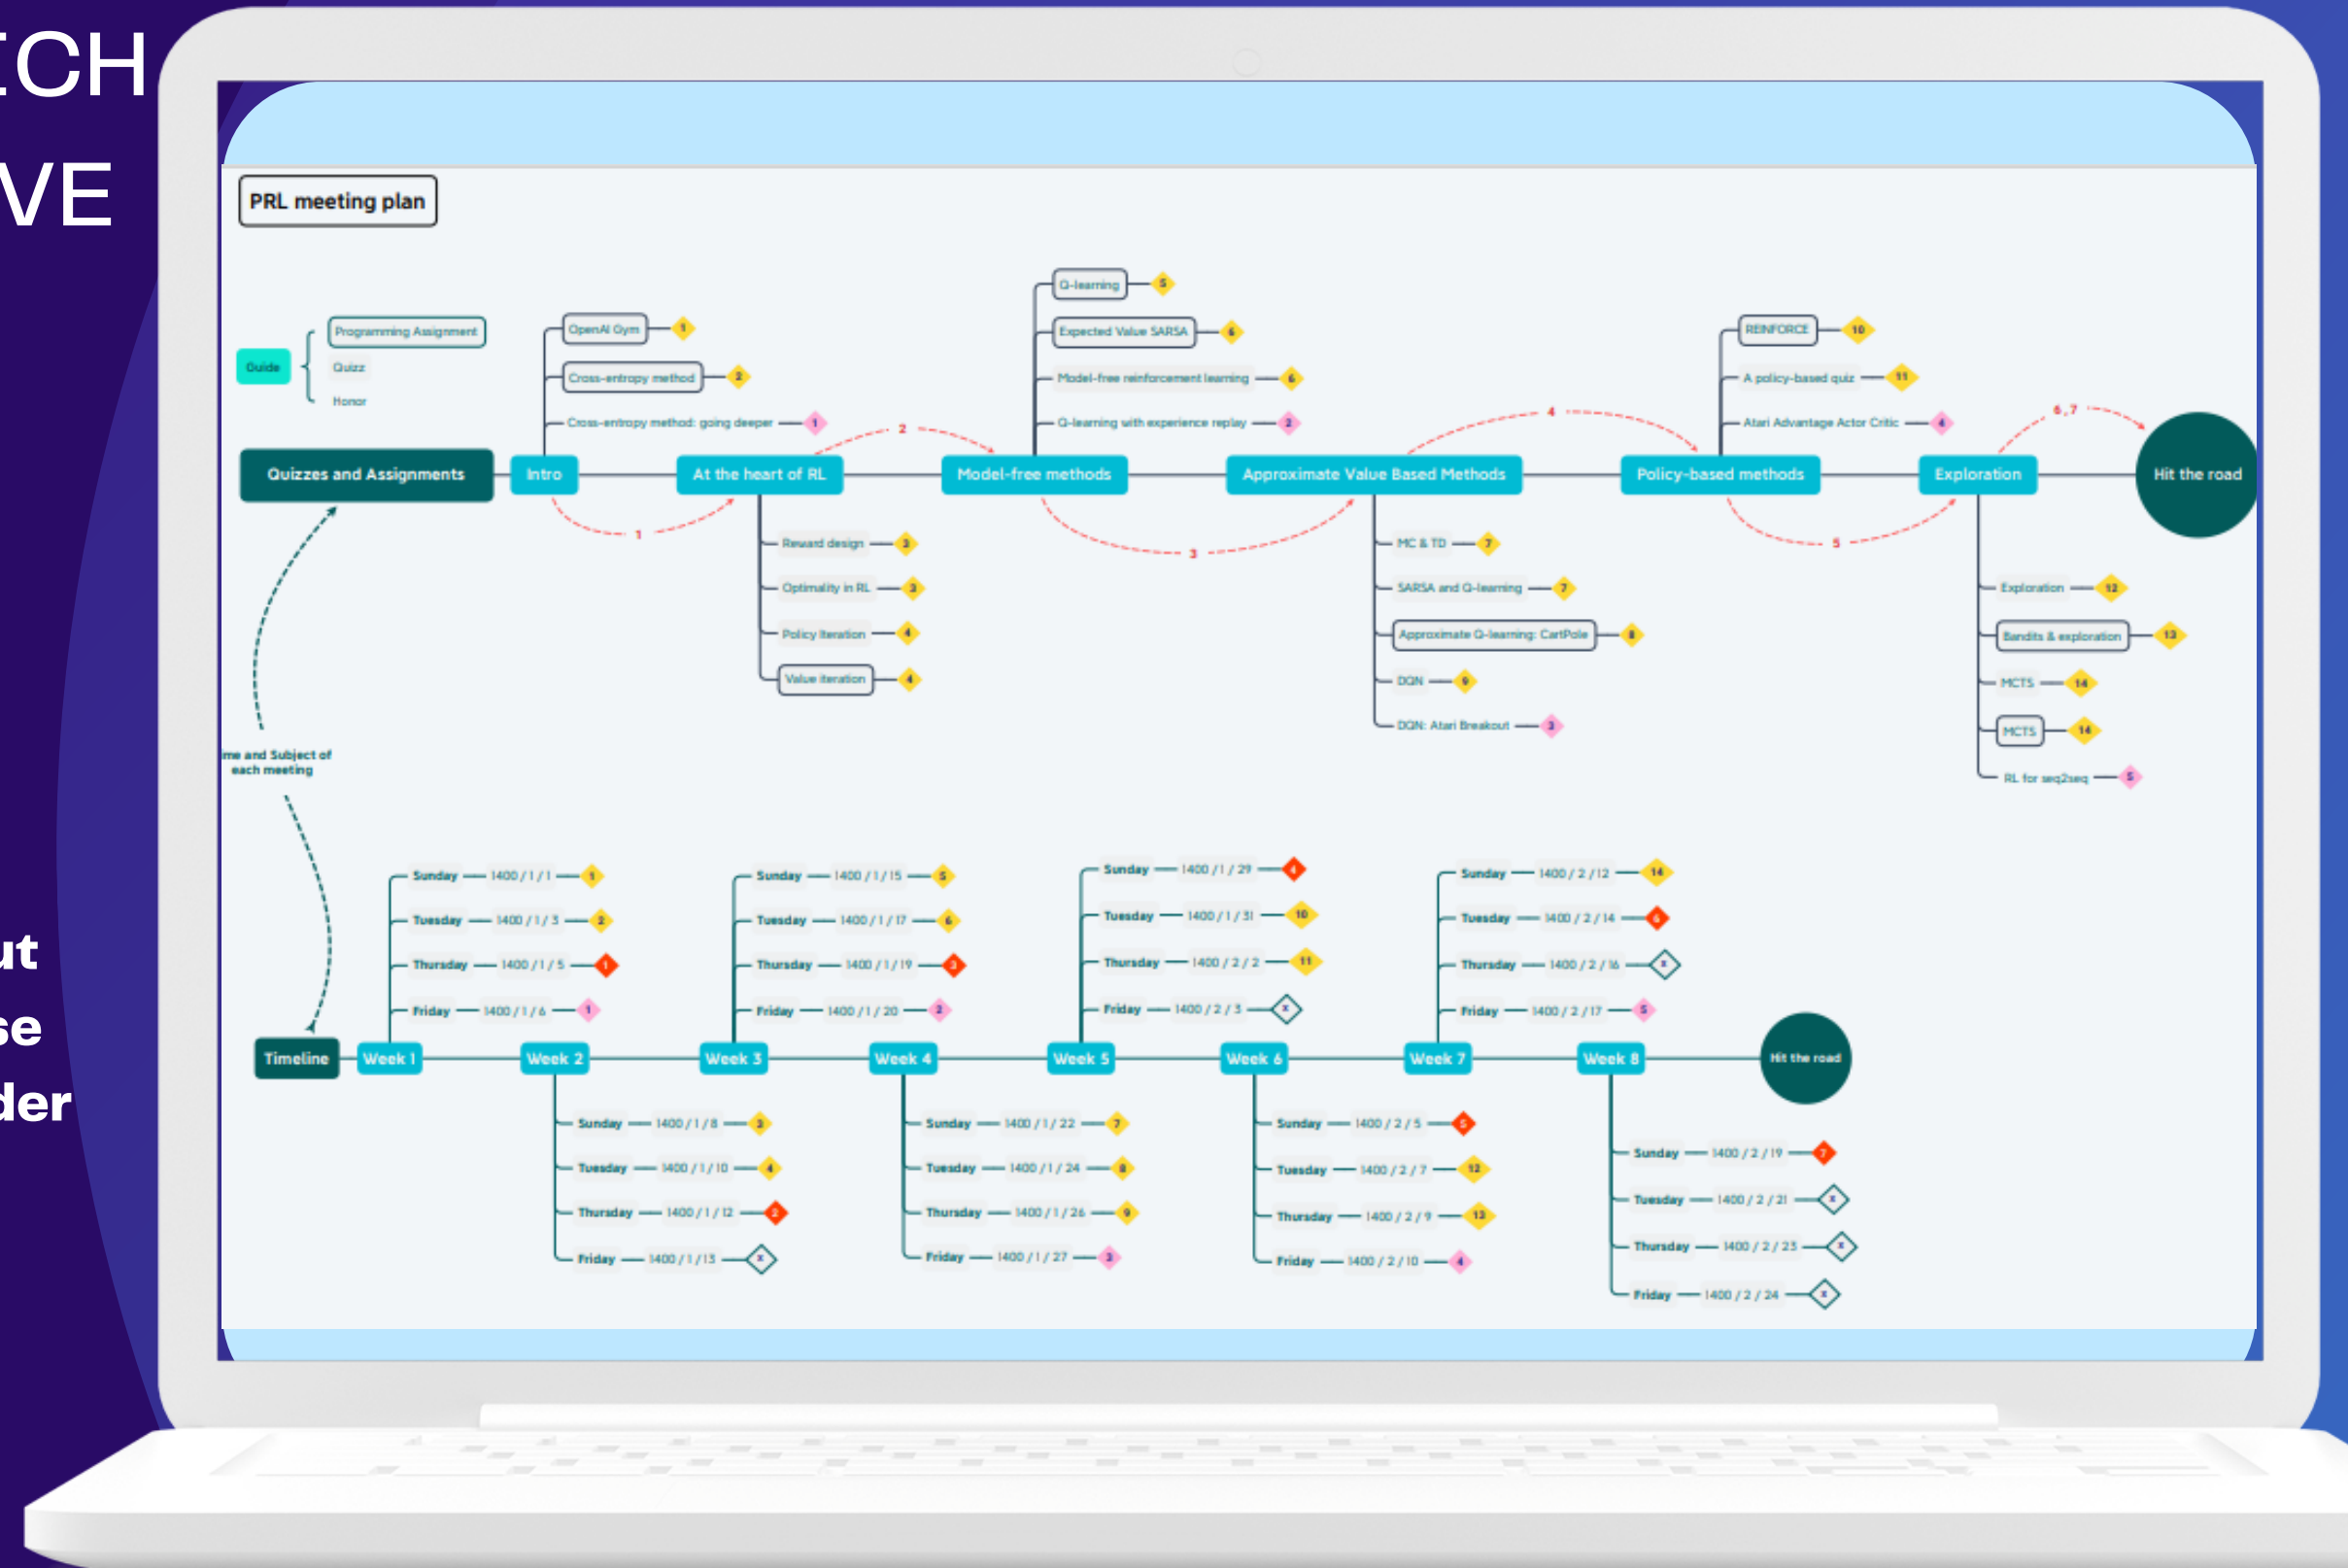

Convenient Output

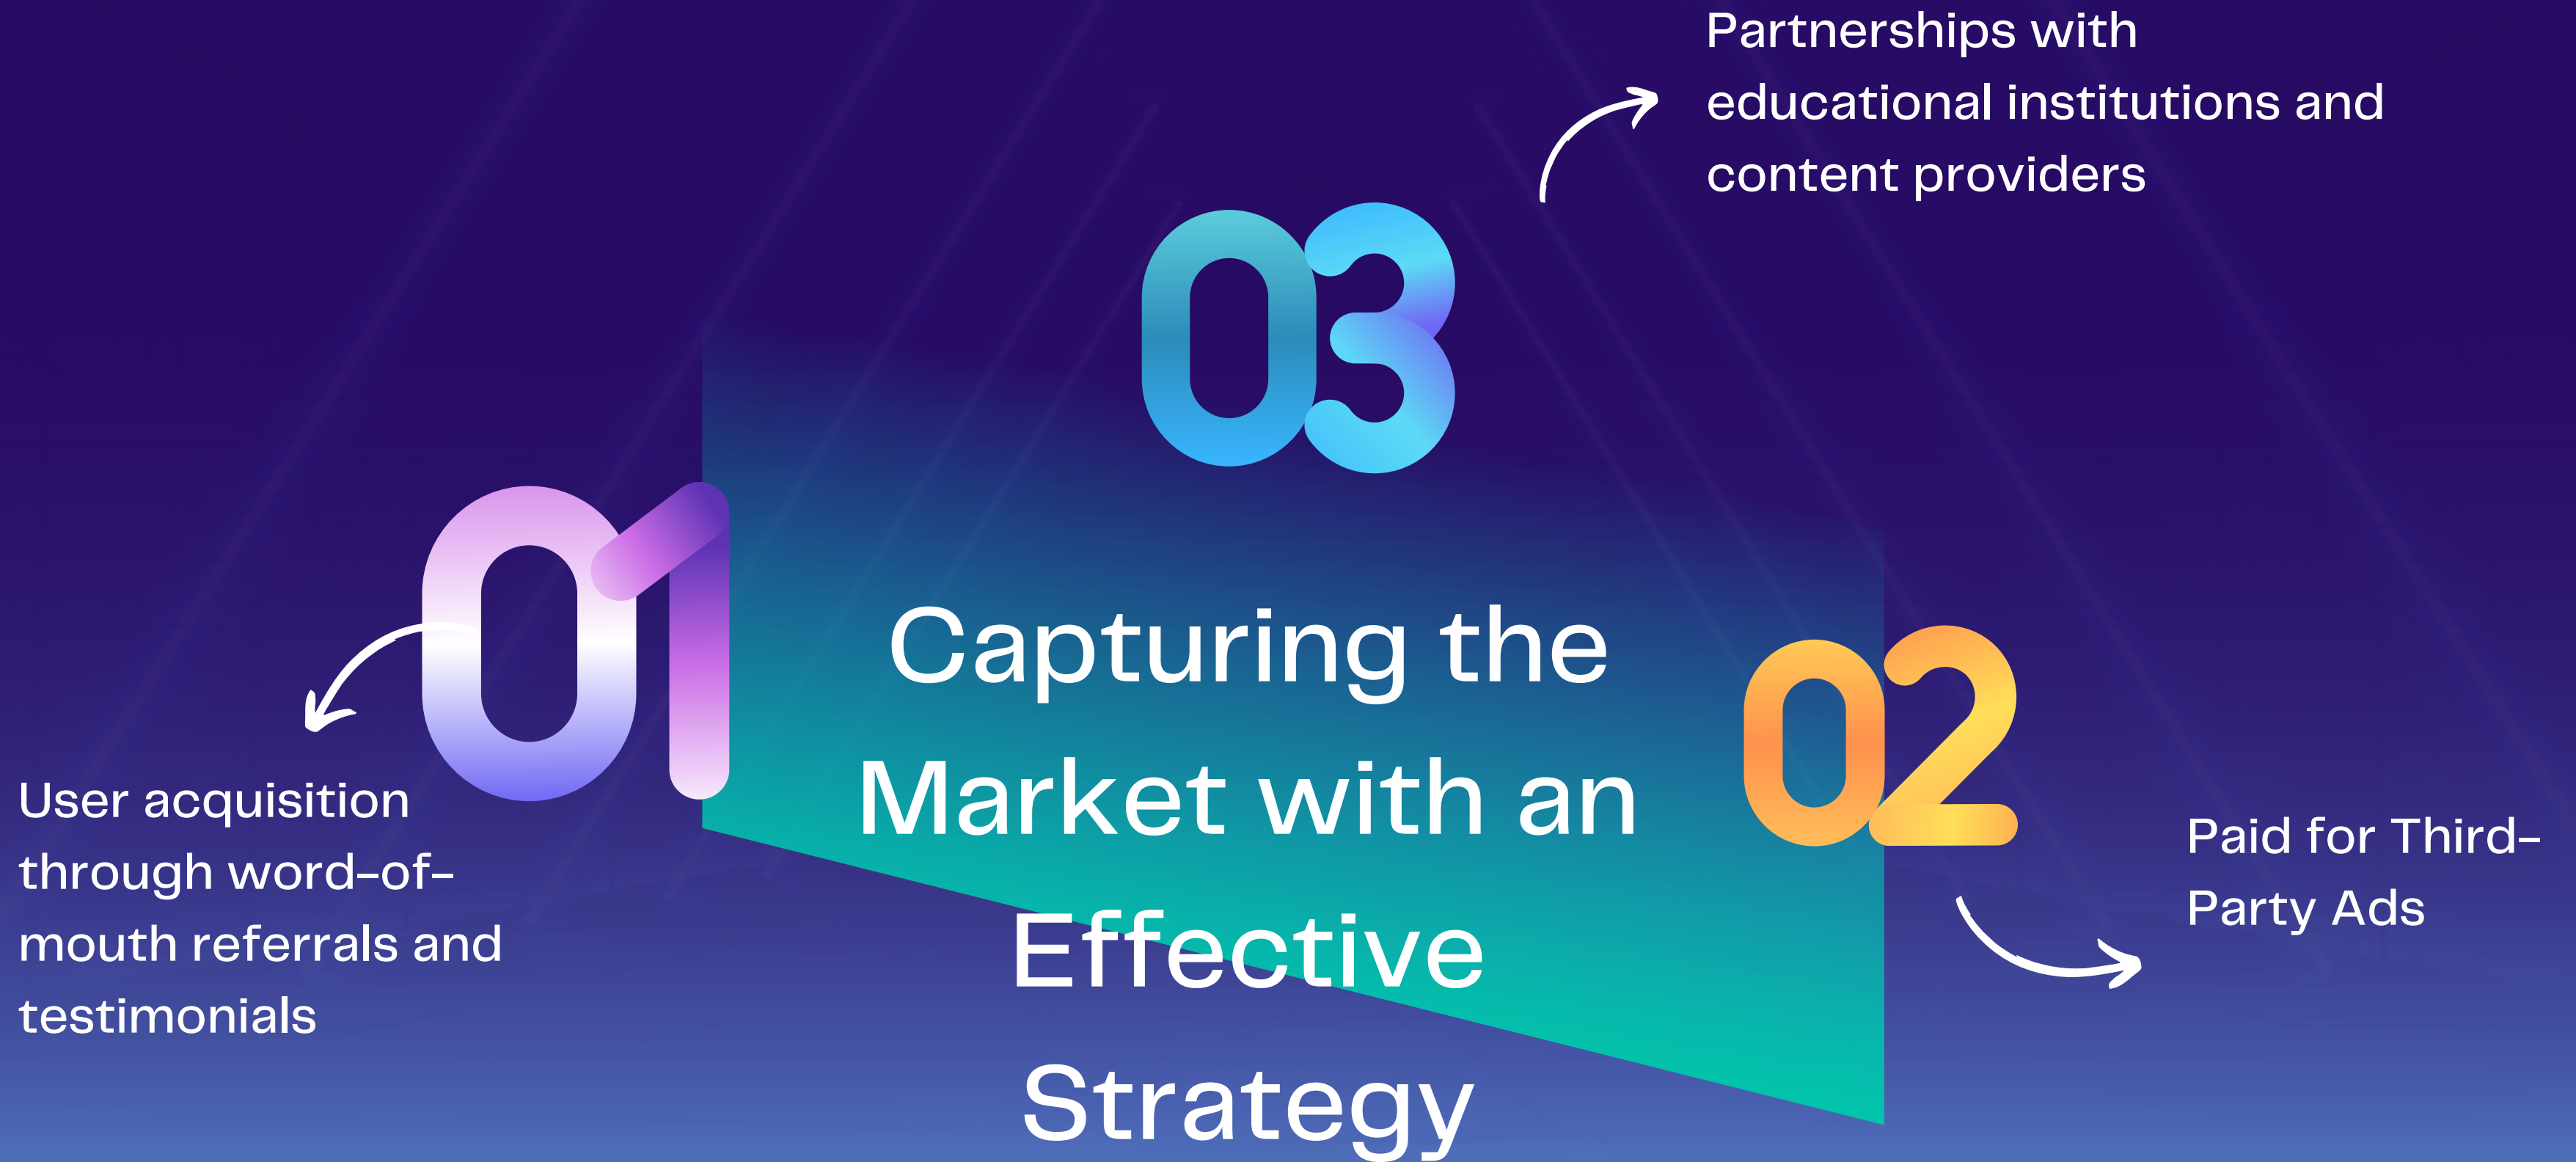

StudyConnectAI

PROTOTYPE* RESULT WHICH IS A ROADMAP TO ACHEIVE THE DESIRED GOAL

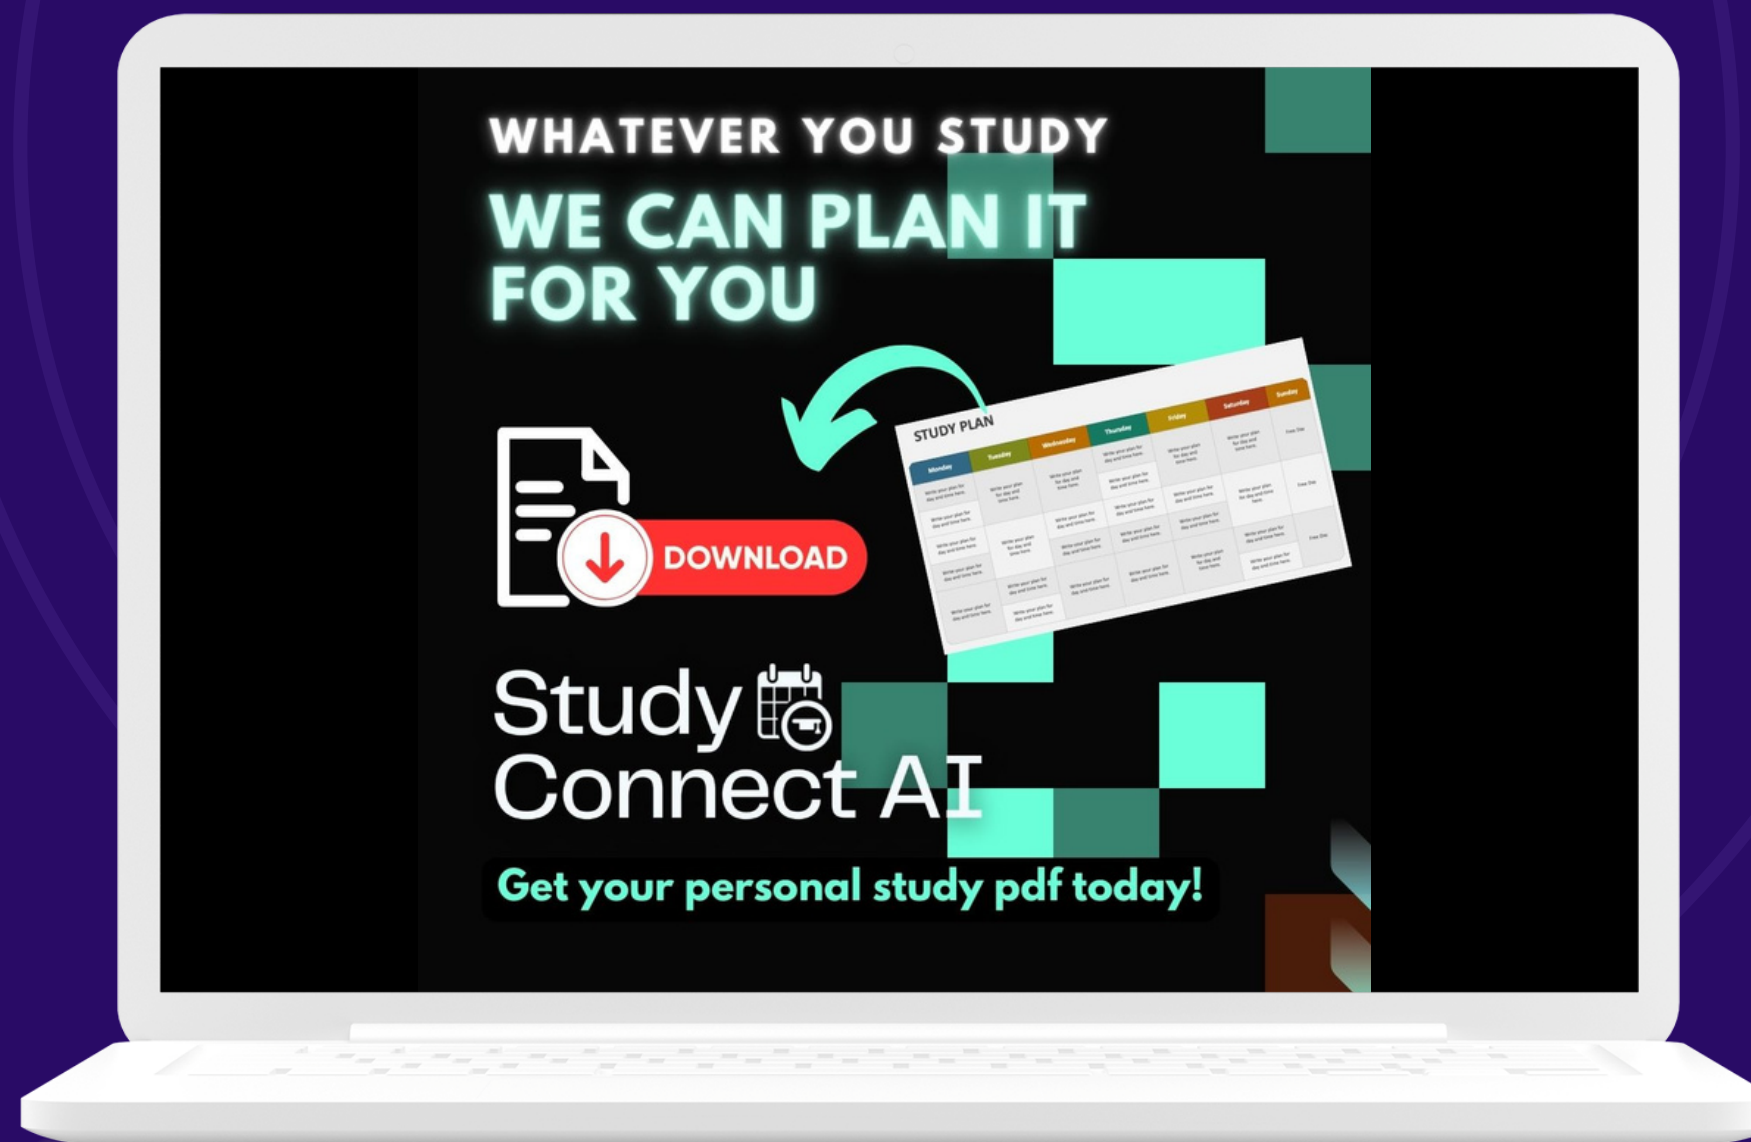

*The prototype uses the persian calender but future versions will have the ability to choose from a variety of calenders or default calender by the region
