

Auto Claude 100k

I've modified AutoGPT version 0.3.1 to use Claude's 100k API in order to address the memory and retrieval issues in AutoGPT.

xiahan
2023.6.11

Auto GPT have Memory and Information retrieval challenges

[-] List of Challenges

[-] Memory

[+] Introduction

Memory Challenge A

Memory Challenge B

Memory Challenge C

Memory Challenge D

[-] Information retrieval

Introduction

Information Retrieval Challenge A

Information Retrieval Challenge B

We could use Claude 100k api to solve

I will build auto_claude_100k 0.0.4 sooner
