Introducing Choreo: The AI Chatbot That Helps You Dance

Choreo: AI chatbot for personalized dance routines, fun and easy for all levels.

Choreo is a dance app with AI technology that analyzes your music, style, and mood to create a unique dance routine. Simply choose a song and dance style, and let Choreo do the rest. It's like having a personal choreographer!

Choose Your Song, Style, and Mood

Choreo makes dancing easy for everyone. Pick a song, dance style, and mood to create a customized routine that matches your preferences.

Choreo's AI chatbot customizes your dance routine in real-time with varying speed, intensity, and complexity. Ideal for dance enthusiasts seeking to enhance their skills or have fun with friends.

Customize and Combine Your Dances

Choreo has endless options for dance styles and songs. Mix and match to create your own unique performance. Add some hip-hop to your salsa with ease.

Choreo simplifies dance customization and combination, allowing you to drag and adjust moves on a timeline for a unique, seamless performance suited for all skill levels.

Share Your Dances with the World

Choreo lets you share dance creations across cultures and connect with like-minded dancers globally.

Choreo covers all genres of dance. Share on Instagram, TikTok or YouTube to inspire others.
